

## Tecra A50 PT644A-0FX03K

Price \$1,353.00 RRP AUD (inc. GST)

### Overview

Built for professionals, this 15.6" notebook boasts an impressive business class performance for faster, smarter and more efficient productivity.

With its stunning 15.6" High Definition widescreen backlit display, presentations and multimedia are brought to life with exceptional clarity. It's the large enough desktop replacement to work on complex spreadsheets, yet ultra-portable to stay productive on the go.

The very latest 4th Generation Intel® Core™ i5 processors (Haswell) deliver blazing-fast maximised performance, a stunning 200% improvement in graphics, built-in security, and all-day computing with amazing battery life.

With the ultra-responsive and super-fast 128GB SSD Hard Disk Drive (HDD), your team can boot up, shut down, or open, save and store files quickly, so there's no wasted time.

This elegant, robust and highly durable notebook features a unique honeycomb structure and dual motherboard pillars, providing extreme lightweight strength.

Highly Accelerated Life Testing (HALT), including drop, impact and spill tests, significantly minimises the risk of data loss, downtime and repairs, ensuring maximum reliability and productivity.

Fully optimised for effortless fleet deployment, it comes with common BIOS, Firmware and Imagery. What's more your execs can travel and work with complete confidence thanks to a suite of no compromise EasyGuard® security, connectivity and manageability features designed to safeguard important data and aid recovery in case of theft.

Superior on-board connectivity includes: display port, HD Webcam with stereo mic, two lightning-fast USB 3.0 ports for seamless backup and data transfer, two USB 2.0 ports, HDMI®, bridge media slot, mini serial port, RGB, LAN, ultra-fast AC Wi-Fi™ and Bluetooth™.

The ergonomic backlit and spill-resistant A4 keyboard has a 10 key numeric keypad and features a larger AccuPoint™ and ClickPad™ with gesture features, fully optimised for professionals.

Advanced management features, low total cost of ownership and a shared platform with other models in the Portégé and Tecra series make the A50 ideal for fleet use.

Toshiba recommends Windows 8.
