The Designer Select Series

Cabinets with dramatic style for any style room.

From the Traditional to Contemporary to right in between, Vermont Castings® Designer Select Series creates a style that heats up any room. Cabinets are a simple way to add a mantel to a gas or electric fireplace without major construction.

Sterling shown in Glazed Parchment

Sterling shown in Brazilian Brown

Sterling shown in Antique Pecan

Sterling

This traditionally designed cabinet will lend an air of refinement and romance to any room.

- Strong legs with fluted detail on multiple dimensions (front and side)
- Hand carved design creates a soft focal point
- Raised hearth base with distinctive edge profiles
- Available in Antiqued finishes in Glazed Parchment, Brazilian Brown and Antique Pecan
- Fits 26", 33" and 36" electric or gas fireplaces

Bromley shown in Espresso

Bromley

For more modern tastes, this contemporary design fuses leading edge materials to make a striking impression.

- Stainless steel kick-plate and mantel cap detailing provide contrast against the rich Espresso finish
- Sleek arched header element adds visual interest
- Fits 33" electric or gas fireplaces
- Frosted glass border trims out 26" and 33" electric fireplaces
- Clean straight lines and minimalist design achieve simple sophistication
