1. Introduction

Vantec[®] introduces its NexStar[®] TX 2.5" External Hard Drive Enclosure. Ideal for anyone in need of portable storage, the NexStar[®] TX's slim pocket design makes it a convenient way to carry your data. The NexStar[®] TX turns any SATA 2.5" Hard Drive into a convenient hard drive that can be used on any system with a USB port. In addition, the aluminum casing protects the drive from overheating and vibration. The NexStar[®] TX supports USB 1.1 and USB 2.0 to offer fast transfer speeds of up to 480MBPS. The Vantec[®] NexStar[®] TX 2.5" External Hard Drive Enclosure is great for anyone who requires a high performance, lightweight, and durable portable storage solution.
