

## Universal GPS Dashmount

### Placing Your Dashmount

Place the dashmount on the dashboard of your car where you can easily see the GPS display. Be sure it does not interfere with vehicle operation.

**CAUTION:** Do not place in airbag deployment zones.

### Suction Disk

Secure your GPS device using its windshield suction holder (not supplied) to the center of the suction disk.

Refer to your GPS User's Guide for details on using the suction holder.

### GPS Power Cable Management

Pull up on the strap at the fastener. Arrange the GPS power cable and secure it with the strap.

Thank you for purchasing your Universal GPS Dashmount from **RadioShack**. You can use your existing GPS windshield suction holder to mount the GPS on the dashmount. The anti-skid material on the bottom of the dashmount keeps your GPS from sliding. Please read this user's guide before installing, setting up and using your new GPS dashmount.

### What's Included

GPS Dashmount
