**Warning:** The warnings, cautions and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that **COMMON SENSE AND CAUTION ARE FACTORS WHICH CANNOT BE BUILT INTO THIS PRODUCT, BUT MUST BE SUPPLIED BY THE OPERATOR.**

#### The Operator

PLEASE REMEMBER:

Do not operate the product to be used with this item, if under the influence of alcohol or drugs. Read warning labels on prescriptions to determine if your judgment/reflexes might be impaired.

Do not wear loose clothing or jewelry as they can be caught in parts.

Protective gloves and non-skid footwear are recommended.

Wear restrictive hair covering to contain long hair.

Use eye and ear protection. Always wear ANSI approved impact safety goggles.

Maintain proper footing and balance at all times.

Use the right product for the job. Do not attempt to force a large tool or attachment to do the work of a smaller industrial tool. There are certain applications for which this tool was designed. Do not modify this tool and do not use this tool for a purpose for which it was not intended.

#### Work Area

TO AVOID RISK OF PERSONAL INJURY, EQUIPMENT DAMAGE, FIRE AND SHOCK, MAKE SURE YOUR **WORK AREA** IS:

Free of damp, wet or rainy conditions.

Free of children (never let them handle tools or machinery).

Well-lit.

Clean and uncluttered.

## **Before Using**

Before using any tool, any part that appears damaged should be carefully checked to determine that it will operate properly and perform its intended function.

Make sure all Nuts and Bolts are tight.

Use only Bench Grinders that are fully compatible with the Bench Grinder Pedestal Stand. The Bench Grinder Pedestal Stand fits most Harbor Freight Tool Bench Grinders, but you should always check for sure before using.

Use of the Pedestal Stand is for use with bench grinders only.

## **Assembly**

Your Pedestal Stand will require assembly prior to use. It is important that you read the entire manual to become familiar with the unit **BEFORE** you set up the Stand. Before assembling your Stand, be sure that you have all parts described in the Parts List and Parts Diagram on the last pages of this manual.

Set out all parts on a clear work surface prior to assembly.

**Warning:** Use only bench grinders that are fully compatible with the Bench Grinder Pedestal Stand. Using bench grinders which do not fit this stand may result in harm or serious injury to the operator. The Bench Grinder Pedestal Stand fits most Harbor Freight Tool Bench Grinders, but you should always check for sure before using.

Use the Pedestal Stand for bench grinders only.

Step 1) Mount the Base (3) to a heavy-duty block of wood which is larger than the Pedestal Stand Base, or into cement for safety and stability. A rubber mat should be placed between the Base (#3) and the mounting surface to reduce vibration. The Mounting Holes on the Base (3) are 3/8" in diameter. Insert appropriate screws (not included) through the Base (3) and into a flat and secure surface. The mounting surface must be able to support the weight of the Stand as well as the Grinder and work pieces during use.

Step 2) Insert the Column (#2) into the hole in the Base (3). Insert a Bolt (4) into each hole in the Base (3) and tighten them firmly against the Column (2).

Step 3) Slide the Work Table (1) into place on top of the Column (2). Thread one Bolt (4) through each hole in the WorkTable. Tighten the Bolts (4) until they are firmly against the Column.

Step 4) Make certain that all Bolts (4) are tightly in place and that the Stand is secure.

Step 5) Secure the bench grinder to the Work Table (#1) with six appropriate size bolts, washers and nuts (not included).

Step 6) Make sure that the Pedestal Stand and the bench grinder are secure before using.

## Unpacking
