MODEL OVERVIEW

Stylish and compact, Sharp's DK-KP95P Slim Digital Dock is perfect for any office, den or bedroom. This 50 Watts, slim yet powerful, music system features Wireless Music Streaming with AirPlay (for Apple iOS devices) and DLNA (for Android OS smart devices). With built-in WiFi, no router is required for wireless streaming, allowing for easy setup and quick direct connection. It also plays MP3 and WMA files on CD or via USB, is compatible with iPhone, iPod and iPad (stand included), and can even charge an Apple device while it's docked. Sharp's DK-KP95P is a perfect audio system for any environment.

The DK-KP95P is compatible with the following units:

- iPod touch (4th/3rd/2nd/1st generation)
- iPod classic / iPod nano (6th/5th/4th/3rd/2nd generation)
- iPhone 4, iPhone 3GS, iPhone 3G, iPhone / iPad
- Android Smartphones and tablets with DLNA
