

CTM Series

Universal Flat-Panel Mounts

The CTM series is designed for mounting a flat-panel display to walls, as well as any of our dual-pole carts, stands or ceiling adapters. It features our Griplate™ System which supports the appropriate mounting hardware without needing excessive torque. The solid fit keeps the display level and securely in place.

- Models fit sizes starting at 24" up to 60"+ and beyond
- 16", 18" and 24" mounting slots
- 12° continuously adjustable tilt
- Built-in lateral shift for precise placement
- Set screws and security knobs for installation safety
- Optional theft-resistant PaneLock™ available
- Lifetime warranty
- Color: Black

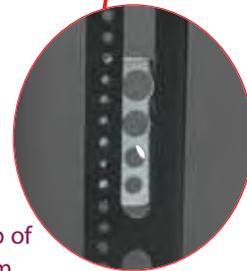

CTM – for walls, ceilings or stands.

Add optional PaneLock™ to help prevent unauthorized display removal.

Close-up of Griplate™ System.
