SCA1001HSS – Advantium® 120 Above-the-Cooktop Oven

Hood Exhaust Duct

Outside ventilation requires a HOOD EXHAUST DUCT. Read the following carefully.

EXHAUST CONNECTION:

The hood exhaust has been designed to mate with a standard 3-1/4" x 10" rectangular duct.

If a round duct is required, a rectangular-to-round transition adaptor must be used. Do not use less than a 6" diameter duct.

REAR EXHAUST:

If a rear or horizontal exhaust is to be used, care should be taken to align exhaust with the space between studs, or wall should be prepared at the time it is constructed by leaving enough space between the wall studs to accommodate exhaust.

Filter Kit Accessory

MAXIMUM DUCT LENGTH:

For satisfactory air movement, the total duct length of 3-1/4" x 10" rectangular or 6" diameter round duct should not exceed 140 equivalent feet.

ELBOWS, TRANSITIONS, WALL AND ROOF CAPS, etc., present additional resistance to airflow and are equivalent to a section of straight duct which is longer than their actual physical size. When calculating the total duct length, add the equivalent length of all transitions and adaptors plus the length of all straight duct sections. The chart below shows the approximate feet of equivalent length of some typical ducts.

Duct	Equivalent
A. Rectangular-To-Round Transition Adaptor	5 Ft.
B. Wall Cap	40 Ft.
C. 90° Elbow	10 Ft.
D. 45° Elbow	5 Ft.
E. 90° Elbow	25 Ft.
F. 45° Elbow	5 Ft.
G. Roof Cap	24 Ft.

Profile™

SCA1001HSS – Advantium® 120 Above-the-Cooktop Oven

Features and Benefits

- Speedcook technology – Delivers oven-quality food up to four times faster than a conventional oven
- Multiple cooking modes – Combine four ovens in one with speedcook, traditional, sensor microwave and warming options for a perfect second oven!
- Installation – Allows placement over a countertop, range or cooktop and plugs into any standard 120-volt/15-amp outlet
- Stainless steel interior – Durable surface that cleans quickly with a simple wipe of a towel
- Halogen Cooktop Lighting – Brilliant, natural-looking lighting illuminates every inch of the cooking surface
- Two-Speed, 300-CFM Venting System – Quickly removes smoke and steam from the cooktop
- Sensor cooking controls – Automatically adjust the time and power for perfect cooking results
- Auto/Time Defrost – Automatically defrosts for a specified amount of time
- Help mode – Offers useful cooking tips
- Model SCA1000HWW – White on white
- Model SCA1000HBB – Black on black
- Model SCA1000HCC – Bisque on bisque
- Model SCA1001HSS – Stainless steel
