Especially for the Fast Food market SHARP developed the XE-A213. Thanks to the programming guidance via the operator display working with the cashregister is easy and intuitive. This offers more space to assist the kitchen or guest service. Also for the assortment no limit exists because a maximum of 1.200 PLUs can be controlled and out of them the most frequent sold 70 PLUs can be registered in a fast way via article direct keys on the flat keyboard. It doesn't matter to use the table function with detailed bill print and reporting of still not paid guest bills or to issue several reports including Department- / PLU- or Hourly report; with the XE-A213 total control is given.
