Valentine Wine 'n Dine Driving Event

This upcoming 2012 Valentine's Day we're going to do an end around special flea-flicker play – hopefully without snow! Again this will be a SUNDAY drive – so all of you who work on SAT, this is arranged so that you too can come out and play! Plan to rendezvous on FEB 12th at 10:00 in the Presidential Park parking lot (211 Water Country Parkway, I-64 @ HWY 199, Exit 242 B; Williamsburg, VA), planning for a departure between 10:30 and 10:45. You may want to take a few minutes to peek through the fence as the park has officially closed and is up for sale!

Please arrive with a full tank of gas; and it might also be wise to plan extra warmth, perhaps a blanket, in the event it's rather cold; remember – it snowed one of the times we did this drive!

This 'follow-the-leader' trip through the area around Williamsburg on 'Bimmer-quality' roads will take us to one of the favorite area wineries – Williamsburg Winery [5800 Wessex Hundred, Williamsburg, VA | 757.229.0999 | <http://www.williamsburgwinery.com/>].

We will enjoy tasting the fine vintage wines and perhaps venture into their store or around the grounds to see this historic site!

We will depart the winery and drive along other area twisties to a new favorite restaurant – Le Yaca French restaurant (Le Yaca Restaurant Francais, 1915 Pocahontas Trail, Williamsburg, VA 23185; Phone - 757-220-3616; <http://www.leyacawilliamsburg.com/>). Menu choices will include Poached filet of Salmon, Boneless Chicken Breast, and Crêpe au Crabe et aux Epinards. I'll let you try to figure that one out! Joy assures me that this will be a feast to remember!

So put this Sunday event, FEB 12th, on your calendar and plan to enjoy the day!

Activities Committee Request

As many of you know, all of the activities of this chapter are directly related to the dedicated volunteers that help put them together! This is by no means a small job, but each drive, dinner, and special event is worth every effort put into it – particularly as evidenced by your participation in these events over and over again, as well as by your praise of and gratitude for our volunteers! Thank You! Thank You! Thank You!

As with every volunteer based organization, life happens and our volunteers must adjust accordingly. This means that we often need others to step up and pitch in. Now is such a time as we begin planning another year of exciting adventures for the Tidewater Chapter! If you feel an inclination to join us and help with planning an event, a drive, a dinner, or any of the activities we schedule each year...OR... if you are willing to step up and fill the roll of coordinator for any of the positions identified, please, PLEASE let us know – you will be more than welcomed into our circle of volunteers!

Seeking volunteers for the following position:

- Merchandise Coordinator: coordinating and providing information related to our Chapter Merchandise website (e.g. link to Lands End), and coordinating with area BMW dealers, shops, services, and vendors to obtain merchandise to use for prizes and awards during the year.

Contact Sam-I-Am (757.435.5715, sfwood501@verizon.net) and/or the Activities Committee (activitiescommittee@tidewaterbmwcca.org)!

Message from the Activities Committee

We are glad that you are supporting our events – WAY TO GO TEAM! It is still important to RSVP (as early as possible) of your participation to any upcoming activities.

OBX Drive December 3rd

This year our annual event took us not only to the Outer Banks (OBX), but 40+ of us went all the way down to Manteo!

We did our usual two-point assembly in VA Beach and Chesapeake. Mike Shimantle led the eastern group while Bob Parsons led the western group on a spirited drive through some twisty, curvy, watch-out-where-you're-going roads toward the northern end of North Carolina on HWY 168!

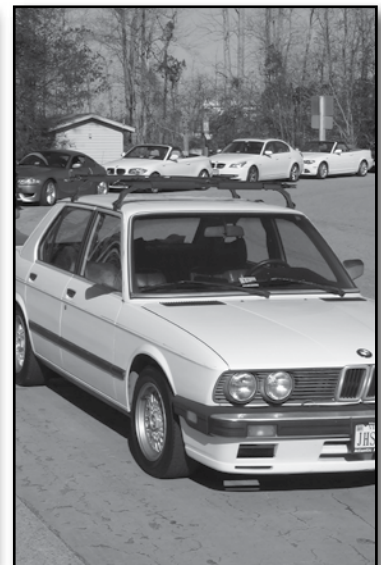

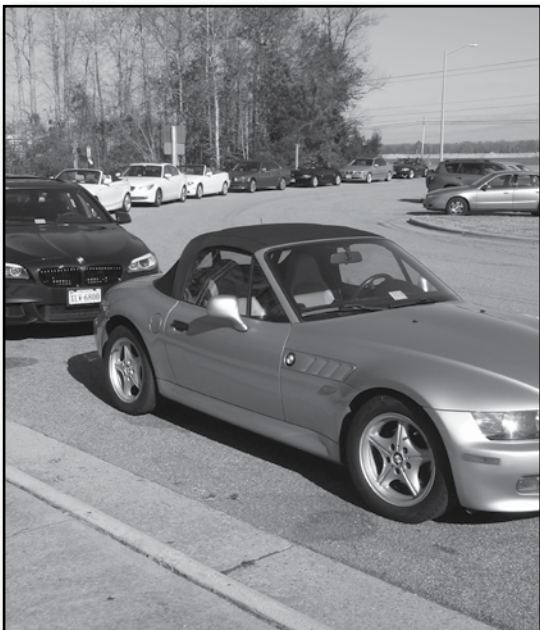

We checked out a 'new' location this year at Darrell's Seafood; and ohboyhowdy was it good! Joe Breutigam brought gifts from Casey BMW – for which BMW-related trivia knowledge was recognized. Thanks, Joe & your Casey team! OBW: Darrell's received quite the praise! We might have to go here again sometime! Highly recommended!

Chris Triplett reported that we FAR exceed our Foodbank Donations goal for the year – WELL DONE to all members!

Since Darrell's is only a building away from The Christmas Shop...as well as many other OBX features, many of the troupe went shopping and checked out the local sights on their way home.

Again, another GREAT run with lots of GREAT BMW friends and family!

2011 Food Bank Final Update

I am happy to report that our total club contribution to the Foodbank of Southeastern Virginia for 2011 was 1489 lbs. versus a goal of 1000 lbs. Based on a combination of both cash and food type items contributed during the year, our members helped provide over 2500 meals to those less fortunate and I want to thank everyone for working hard to make this happen

As a result of our efforts this past year, our goal for 2012 is 1500 lbs. I know this group can certainly get that done. Thanks again and on to 2012.

BMW Club Essen ist Ausgezeichnet!

The quarterly Tidewater BMW Club Chapter's dinner was held at the Bier Garden in downtown "Olde Towne" Portsmouth on Saturday night, 22 October. The mixed "Olde English" and kindasorta German will perhaps be a little more understandable when you find out what a terrific time everyone had at the Club's Quarterly dinner, and how hospitable the Bier Garden was to everyone who attended!

For the uninitiated, The Bier Garden is vaguely styled after a traditional Bavarian beer garden. It is tucked into a small garden and courtyard in the older part of Portsmouth, close to the Elizabeth River; hence the inevitable "Olde" English. However, while the decorations may be a mix of old-world Bavarian and new-world Chicago-style kitsch, the mix works. It may have something to do with the 300+ beers that the Bier Garden has on tap or in the bottle... or it could just be the kinship of the people drawn together by the Ultimate Driving Machine... or it could be because the people in the Club are a kind, generous and fun-loving bunch. Or maybe all of the above?

The waitress did the best she could with the pile of simultaneous orders, and the terrific hubbub of car enthusiasts that were all happy to renew old friendships and make new ones, making it a waitressing challenge... but everything came through. The orders were correct, the food and beers were moderately priced, and most of the portions were big enough to make a take-home box mandatory. German food has a reputation for being as heavy as a '49 Buick, with beer like a parking

brake. Heavy, maybe... but it was absolutely delicious, and served just right. Note to summer/yellow squash fans; even if you call ahead to check on seasonal availability, the Bier Garden may sell out anyway before you get there. It is all very old school, and very European.

Club business-wise, there were quite a few additional cans of food brought for donation to our dedicated charity, The Foodbank of Southeastern Virginia, bringing the total for 2011 to close to double last year's total! Mike Moulton was introduced as the new Webmaster, Kat Powers as the new merchandise point of contact, and Chris Scanlon as the new Tech Session Coordinator. The annual Banquet was announced as the Norfolk Airport Hilton (a terrific location; the Club has used it before) and a block of rooms will be reserved for those Club members not interested in Norfolk Police Department's overnight accommodations (ahem).

All of you who came and made the evening fun and special, danke schoen! And for everyone else, wir hoffen, Sie bei der nachsten Veranstaltung zu sehen! (<http://translate.google.com>)

A Brief History...

WE ARE WHAT WE DRIVE.

The year was 1969. There were soldiers in Vietnam. Hippies at Woodstock. And in Boston, a few car nuts were wandering the streets, snapping leaflets to the windshields of a curious new German import – the BMW 2002. They were recruiting members for a new car club dedicated to the object of their desire. At least some people had their priorities in order.

In time, veterans, hippies, and other driving purists from all over the spectrum would find common ground in what has become the world's largest owner-supported car club – the BMW Car Club of America. Today, BMW CCA has 67 chapters nationwide, with more than 75,000 members, mutually enhancing each other's BMW ownership experience.

You know that little flash of camaraderie that washes over you when you see a pair of BMW kidneys coming down the road? If you even know what that question means, you're either already a member, or should be. You have to own a BMW to understand.

It doesn't matter what model you drive. Whether you're on your first Bimmer, or your thirtieth, there are just certain subjects that only BMW owners are interested in. BMW CCA is where we address all of them.

Our official mission is: to enhance the BMW experience for our members by providing services, support, information, and activities that promote camaraderie and encourage social awareness and responsibility. Unofficially, we're a big support group for Ultimate Driving Machine addiction. Nothing wrong with that.

BMW CCA enjoys a strong yet independent relationship with BMW AG and its BMW of North America subsidiary. We are a not-for-profit corporation governed by a nine-member elected board of directors -- four national officers and five regional vice-presidents who serve the interests of our chapters. Each chapter is an independent corporation chartered by BMW CCA. Our headquarters is in Greenville, SC.

Oktoberfest 2012 has a Home!

The anticipation has been building for months, and now the location for BMW CCA's 43rd Annual Oktoberfest is set! From Monday, September 17, through Sunday, September 23, the rambunctious crowd will gather, and roaring engines will fill the Mid-Ohio air.

Located a short drive from Ohio's capital city of Columbus, Mid-Ohio Sports Car Course has challenged the world's best drivers since 1962. With two primary configurations—up to a 2.4-mile, 15-turn circuit—this track is sure to delight drivers, riders, and spectators alike!

Planning for the event is just revving up, but you can look forward to

popular staple events like the concours, autocross, photo contest, TSD rally, and more. These fan-favorites are made possible by the host Buckeye Chapter, supported by volunteers from surrounding chapters.

Mark your calendars and check back often for detailed updates—you don't want to miss this exciting week in the Midwest! See you in September!

The 43rd Annual BMW CCA Oktoberfest Heads to Ohio

Autumn Colors Rally Drive - Nov 6th

We took the Annual Autumn Colors drive back to the peninsula! We had a spirited “rally” drive from Hampton Coliseum through York, James City, and New Kent counties, seeing historical Williamsburg and other area sights, some of us solving a few puzzles along the way, and enjoying the beauty of the season!

We had an afternoon feast of authentic Creole cuisine in Toano at the Hog Wild Smoke House! Blanche and her staff took care of us as we arrived, ensuring nothing was missed from the delectable menu!

Various winners of the rally received prizes; with the ‘Grand Prize’ going to our Webmeister Michael Moulton and his fiancée Kat Powers - CONGRATULATIONS!

I hope you will join us for our next Chapter adventure! Sam-I-Am Wood
