**CERTIFIED
Pre-Owned**

Only Nissans that meet our high standards qualify for Certified Pre-Owned status. They must be less than five years old from the original in-service date, with less than 60,000 miles on the odometer. Plus, they must have a clean, non-branded title and, most important, pass a comprehensive 150+ point's Certified Pre-Owned inspection.

Benefits of buying a Certified Pre-Owned Nissan include:

- 7-year/100,000-mile limited warranty [*]
- 24-hour Emergency Roadside Assistance [*]
- Car Rental Reimbursement and Towing Benefit [*]
- Genuine Nissan parts
- CARFAX® Vehicle History Report™
- SiriusXM Satellite Radio with 3-month trial subscription [*]
- Optional Security+Plus® Extended Protection Plan [*]

Certification

Every Certified Pre-Owned Nissan must meet or exceed our comprehensive criteria and pass our rigorous inspection. Your peace of mind comes from our attention to detail, including:

- Comprehensive 150+ point vehicle inspection
- CARFAX® Vehicle History Report™
- Genuine Nissan parts
- Nissan service history review
- Nissan trained technicians

Warranty

Extensive Protection: The Nissan Certified Pre-Owned Vehicle Limited Warranty covers 600+ components, including: engine, transmission and drive train.

Coverage: 7 years from the original in-service date of the vehicle or 100,000 total miles on the odometer, whichever occurs first. [*] **Authorized Nissan Repair Facilities:** Find repair service nationwide through any authorized Nissan dealership. Contact your local Nissan dealer or call 1-800-NISSAN-3 for details.

Deductible: \$50 per visit.

Genuine Nissan Parts: Coverage ensures that any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts.

Please read the limited warranty booklet for complete conditions and exclusions.

Certified Benefits

Nissan has got you covered all day, every day. **Emergency Roadside Assistance:** 24/7 Emergency Roadside Assistance provides flat tire change out with your good spare, dead battery jump, or lock-out assistance for the duration of the 7 year/100,000 mile limited warranty.

Towing: Up to \$100 towing assistance. If necessary, we'll even tow your car to the nearest Nissan dealer within 250 miles. [*]

Car Rental Reimbursement: Up to 5 days car rental reimbursement at a maximum of \$35/day for mechanical breakdown of covered components.

Trip Interruption Coverage: If a mechanical breakdown of a covered part takes place when you are more than 100 miles from home, you'll be covered for up to \$500 for meals, lodging and alternate transportation.

CARFAX Vehicle History Report

CARFAX is the vehicle history expert for used car buyers, sellers and the automotive industry, CARFAX created the vehicle history report in 1986 and maintains the largest vehicle history database, composed of over 10 billion vehicle records from more than 34,000 sources.

Buy With Confidence: With CARFAX, you can be confident that the most complete history information available was used to evaluate your Nissan Certified Pre-Owned vehicle. Every Nissan Certified Pre-Owned has met or exceeded the most stringent vehicle history criteria.

CARFAX Three-year Buyback Guarantee:

In addition to the CARFAX Report, every Certified Nissan vehicle also comes with a three-year CARFAX Buyback Guarantee. If the report does not include an existing DMV issued branded title (such as salvaged, fire or flood damage, or odometer problems), CARFAX may buy back for full purchase price. Proof that CARFAX stands behind the information they provide to Nissan Certified pre-Owned buyers.

150+

POINT INSPECTION

**IF YOUR DOCTOR GAVE A CHECKUP THIS THOROUGH,
WE MIGHT PUT A WARRANTY ON YOU, TOO.**

If you've ever shopped for a pre-owned vehicle, you might give it a thorough going over. Or take it to a trusted mechanic. But you might still wonder, did you miss anything?

With a Nissan Certified Pre-Owned vehicle, you don't have to wonder. Your Nissan Dealer takes the vehicle to the best mechanic they know, a Nissan-trained mechanic. Using state-of-the-art equipment and a discerning eye, each pre-owned Nissan gets an obsessively detailed inspection prior to earning Certified status. The result: A vehicle you can depend on for years to come.

Pre-Inspection:			
1	Basic Appearance meets Nissan Standards		
2	Vehicle Originally Imported by Nissan Canada for Sale in Canada. - Check Canadian Certification Label.		
3	Routine Maintenance is current or brought up to current level with appropriate inspection for age and mileage.		
4	Odometer has not been tampered with and the kilometers are known.		
5	No indication of significant body repair or frame damage		
6	No aftermarket accessories.		
7	No suspension, emission-system or exhaust system modifications other than NISMO Street Accessories		
VIN Inspection			
8	VIN numbers match other VINs stamped on vehicle and on paperwork (Check Dash, Door Pillar and stamp as per service manual)		
9	Check to ensure all bulletins, campaigns and recall updates have been performed on the vehicle		
10	Check for any trouble codes (past or present) ATTACH Consult Printouts to repair order		

EXTERIOR			
Body Exterior			
11	Grille, Mouldings and Trim (including roof rack) - Repair or replace any loose, bent, missing, corroded, cracked, pitted or damaged items		
12	Inspect for damage, dings, dents, alignment, mismatched paint - (Repair as Needed)		
13	Paint - Repair any cracks, dents, or surface scratches larger than 20mm		
14	Paint - Repair any chips larger than 5mm, dings or dents larger than 10 mm and any scratches which penetrate to the base metal		
15	Paint - Repair any surface corrosion or significant etching, stains or fallout.		
16	Doors/Hood/Trunk/Tailgate operation - Check release mechanisms manual/automatic, hinges, alignment and proper attaching devices.		
17	Bumpers - Repair any surface scratches greater than 50mm or any damage which penetrates to the base material.		
Glass/Mirror/Wiper and Washer Condition			
18	Windshield (Replace if cracked, scratched or broken; Repair if chipped) Minor Pitting acceptable		
19	Side and Rear Glass - No cracks, scratches, chips larger than 5mm or significant pitting (Repair or Replace as Needed)		
20	Mirrors - Check Condition, Hinge, Operation, Heater, Power Adjusters (Repair or Replace as Needed)		
21	Wiper Blades and Operation - Check Condition of mechanism/blade, speeds/delay (Repair or Replace as Needed)		
22	Washer Front/Rear - Check Fluid Level/Spray Pattern (Refill, Repair or Replace as Needed)		
Sunroof/Moonroof/Convertible Top			
23	Sunroof/Moonroof - Check Operation - (Repair or Replace as Needed)		
24	Sunroof/Moonroof Sunshade - Check Operation, Check if Worn, Ripped, Cracked, or faded - (Clean, Repair or Replace as Needed)		
Window/Door Locks Operation:			
25	Door Locks/Controls - Check Manual/Automatic Operation (Repair or Replace as Needed)		
26	Child Safety Locks - Check Operation (Repair or Replace as Needed)		
27	Windows/Controls & Window Lock - Check Operation (Repair or Replace as Needed)		
28	Key/Remote/Intelligent Key - Check Operation (Replace Battery in Remote as Needed)		
Exterior Lights			
29	Headlights, High/Low Beams - Check Alignment, Lens Condition, Operation (Replace Broken Lens or Non-Operational Bulbs/Transformers)		
30	Tail Lights/Brake Lights/High Mounted Brake Light - Check Lens Condition and Operation (Replace as Needed)		
31	Turn Signal/Marker Lights - Check Lens Condition and Operation (Replace as Needed)		
32	Hazard & Reverse Lights - Check Lens Condition and Operation (Replace as Needed)		
33	License Plate Lights - Check Lens Condition and Operation (Replace as Needed)		
34	Fog/Driving Lights - Check Lens Condition and Operation (Replace as Needed)		
35	Daytime Running Lights (DLR) - Check Lens Condition and Operation (Replace as Needed)		

Unibody/Frame			
36	Visually inspect for repairs, damage, abnormal tire wear. Note: Overall vehicle inspection should take place at this point for rust and damage due to some natural disaster (flood etc.). Look under carpet in trunk, interior and under dash for flood/body damage repair. Any vehicle with flood, fire or significant frame damage should be excluded from Certification.		

ROAD TEST			
37	Check Start-up Cold/Hot		
38	Check Engine Idle Quality		
39	Engine Performance/Smooth Acceleration - Check general drivability.		
40	Engine Noise - Check both Cold/Hot and High/Low Speeds		
41	Automatic Transmission/Transaxle (Cold/Hot) - Check Overall Operation, Slippage, Shift Points, Shift Interlock and Noise		
42	Shift Interlock - Check Operation (Repair or Replace as Needed)		
43	Manual Transmission - Check Overall Operation, i.e. Smoothness, Noise and Synchronizers (Repair or Replace as Needed)		
44	Clutch Operation - Check Overall Operation, Smoothness, Engagement, Slippage or Chatter (Repair, Adjust or Replace as Needed)		
45	Clutch Interlock - Check Overall Operation (Repair, Adjust or Replace as Needed)		
46	Drive Axle and Transfer Case - Check Bearings, Gear Noise or Vibration (Repair, Adjust or Replace as Needed)		
47	Steering Performance - Check Free Play, Centering, Tracking and Smoothness - (Repair, Adjust or Replace as Needed)		
48	Brakes/ABS - Check Effectiveness, Overall Operation, Noise, Pulling or Pulsating - (Repair, Adjust or Replace as Needed)		
49	Cruise control - Check Operation Including Resume - (Repair, Adjust or Replace as Needed)		
50	Gauges (Speedometer/Tachometer/Odometer/Oil Pressure/Charging/Water Temp.) - Check Operation (Repair or Replace as Needed)		
51	Wind Noise - Check for Excessive or Unusual Noise (Repair, Adjust or Replace Seals or Trim, Roof Rack etc., as Needed)		
52	Body/Suspension - Check Performance, Noise, Vibration Utilize Rough Road Test (Repair, Adjust or Replace as Needed)		

INTERIOR			
Interior Amenities			
53	Navi System - Check Operation, Ensure DVD in System, Erase Addresses and Destinations - (Repair or Replace as Needed)		
54	Nissan DVD Entertainment System - Check Operation, Sound and Picture Quality - (Repair or Replace as Needed)		
55	Clock - Check Condition/Operation (Repair or Replace as Needed)		
56	Horn - Check Operation (Repair or Replace as Needed)		
57	Lighter/Power outlets - Check Condition/Operation (Repair or Replace as Needed)		
58	Glove Box/Glove Box Light/ Centre Armrest/Console - Check Condition/Operation (Repair or Replace as Needed)		
59	Tilt and/or Telescope Steering Wheel - Check Operation (Repair or Replace as Needed)		
60	Steering Wheel Lock - Operation (Repair or Replace as Needed)		
61	Rear View Mirror - Check Condition/Operation (Repair or Replace as Needed)		
62	Rear View Monitor - Condition/Operation/Picture Quality (Repair or Replace as Needed)		
63	Instrument Panel/Lights and Warning Lights - Check Condition/Operation (Repair or Replace as Needed)		
64	Warning Chimes - Check Operation (Repair or Replace as Needed)		
65	Interior Courtesy/Dome/Map Lights - Check Operation (Repair or Replace as Needed)		
66	Fuel Filler Door Release - Check Operation (Repair or Replace as Needed)		

Interior Trim			
67	Odors - Check for Objectional Odours from Damp, Mould, Smoke, Perfume, Pets. etc. (Clean or Deodorize as Needed)		
68	Carpet - Check if Worn, Ripped, Cracked, or Significantly Stained or Faded - (Clean, Repair or Replace as Needed)		
69	Floor Mats - Check if Worn Ripped, Cracked, or Significantly Stained or Faded - (Clean or Replace as Needed)		
70	Parcel Shelf - Check if Worn, Loose, Ripped, Cracked, or Significantly Faded - (Clean, Repair, Re-attach or Replace as Needed)		
71	Dashboard/Door Trim/Panels/Dashboard - Check if Worn, Loose, Ripped, Cracked, or Significantly Faded - (Clean, Repair, Re-attach or Replace as Needed)		
72	Headliner - Check if Worn, Ripped, Loose, Cracked, or Significantly Faded - (Clean, Repair or Replace as Needed)		
73	Sun Visors, including mirror and light - Check Worn, Ripped, Cracked, or Significantly Stained or Faded - (Clean, Repair or Replace as Needed)		

Luggage Compartment/Trunk			
74	Luggage Compartment - Check Trim, Carpet and Cargo Net - Check if Worn, Ripped, Cracked or Soiled (Clean, Repair or Replace as Needed)		
75	Luggage Compartment Light - Check Operation (Repair or Replace as Needed)		
76	Jack/Tools - (Check Operation/Condition)		
77	Emergency Trunk Release - Check Operation		

Seats

78	Seat Upholstery - Check if Worn, Ripped, Cracked, or Significantly Stained or Faded - (Clean, Repair or Replace as Needed)			
79	Seat/Headrest Adjustments - Check Operation Manual/Automatic Operation (Repair or Replace as Needed)			
80	Heated and/or Cooled Seats - Check Operation - (Repair or Replace as Needed)			

Audio/Alarm System

81	Audio System - Check Radio, Cassette, CD, Speakers Condition and Operation (Repair or Replace Components as Needed)			
82	Antenna - Check Condition and Operation (Repair or Replace as Needed)			
83	Alarm/Theft Deterrent System - Check Operation (Repair or Replace as Needed)			

Heating/Ventilation/AC/Defogger/Defrost

84	Automatic Climate Control System - Check Overall Operation (Repair or Replace Components as Needed)			
85	Air Conditioning System - Check Overall Operation, Cooling, Compressor, Hoses, Leaks (Repair or Replace Components as Needed)			
86	Heating System Operation - Check Overall Operation, Leaks (Repair or Replace Components as Needed)			
87	Rear Defogger/Defroster - Check Overall Operation (Repair or Replace Components as Needed)			
88	Front Defogger/Defroster - Check Overall Operation (Repair or Replace Components as Needed)			

MECHANICAL

Engine Mechanical Condition:

89	Fluid Leakage - Record where and what is leaking _____ - (Repair all leaks)			
90	Check for Oil in Air Cleaner (can indicate excessive blow by or faulty PCV system) - (Repair as Needed)			
91	Check the underside of the oil filler cap for water - (If water in oil, refuse vehicle for certification)			
92	Timing Chain - Check for Abnormal Noise (Repair, Adjust or Replace as Needed)			
93	Cylinder power balance - run diagnostics (if error code/s present, compression check is required)			
94	Engine Oil - Check Condition (could be an indicator or other issues) and Level (Change Oil)			
95	Oil change/scheduled maintenance performed. Date: _____			
96	Belts - Check for Overall Condition, Cracks, Glazed, Frayed, Adjustment (Adjust or Replace as Needed)			
97	Wiring - Check for Damage or Tampering (Repair or Replace as Needed)			
98	Engine Mounts - Check for Cracking or Dryness - If electronic, check operation. (Replace as Needed)			
99	Hoses - Check for Cracking or Dryness - (Replace as Needed)			
100	Turbocharger/Supercharger - Check operation, belts and for excessive noise - (Repair or Replace as Needed)			

Cooling System:

101	Coolant - Check Condition, Level, Leaks and Record Freeze point _____. (Replace as Needed)			
102	Coolant Hoses - Check for Cracking or Dryness (Replace as Needed)			
103	Radiator - Check Condition, Tubes and Fins (Repair or Replace as Needed).			
104	Cooling Fan's/Fan clutch/Fan Motor - Check Condition, Operation (Repair or Replace as Needed)			
105	Water Pump - Check for Noise or Leaks (Repair or Replace as Needed)			
106	Pressure Test Cooling System and Cap (Repair or Replace If Pressure Drop)			
107	Recovery Tank/Antifreeze Overflow Bottle - Check for Cracks or Leaks - Top up Fluid Level - (Replace Tank as Needed)			
108	Check Operation of Block Heater (Repair or Replace as Needed)			

Fuel System:

109	Fuel Pump - Check for Abnormal Noise/Leakage (Repair or replace as Needed)			
110	Fuel Lines/Hoses - Check Condition or Signs of Leakage - Repair or Replace as Needed			
111	Fuel Filter - Check Condition (Replace per Maintenance Schedule)			
112	Air Filter - Check Condition (Replace per Maintenance Schedule)			

Exhaust System:

113	Entire Exhaust System - Check Condition, Leaks, Hangers, Damage, Noise (Repair or Replace as Needed)			
114	Catalytic Converter(s) and Heat Shield(s) - Check Condition and Noise (Replace as Needed)			
115	Perform Emission Control Tests and Record Readings on Work Order			

Electrical System:

116	Starter Operation - Check Draw and Amperage (Repair or Replace as Needed)			
117	Alternator Charging - Check Voltage and Amperage Output - Attach Test printouts to work order (Repair or Replace as Needed)			
118	Ignition System Operation - Check Operation as per Service Manual (Repair as Needed)			
119	Battery Cables - Check Cables and Mounts (Repair or Replace as Needed)			
120	Battery Condition - Check for Corrosion, Check Voltage, Perform Load Test (Replace as Needed)

Transmission/Differential/Transaxle:

121	Automatic Transmission/Transaxle Fluids - Check Condition, Level, Leaks (Fill or Change Fluid and Filters as Needed)			
122	Manual Transmission/Drive Axle/Transfer Case Fluids - Check Condition, Level, Leaks (Fill or Change Oil as Needed)			
123	Transmission Mounts - Check for Cracks or Broken (Replace as Needed)			

Transmission/Differential/Transaxle (Continued):

124	Universal Joints/CV Joints/Boots - Check Overall Condition, Cracks, Dryness, Oil Soaked, Damage - (Repair or Replace as Needed)			
125	Differential/Drive Axles - Check Overall Condition, Leaks, Damage (Repair or Replace as Needed)			
126	AWD System - Check Operation, Overall Condition, Leaks, Damage (Repair or Replace as Needed)			
127	4WD System - Check Operation, Overall Condition, Leaks, Damage (Repair or Replace as Needed)			
128	Clutch - Check Operation, Slippage and Freeplay (Adjust, Replace or Repair as Needed)			
129	Clutch Hydraulic System - Check for Leakage and Proper Operation (Adjust or Replace as Needed)			

Suspension/Steering:

130	Rack and Pinion - Check Overall Condition, Leaks, Boots, noise (Repair or Replace as Needed)			
131	Steering System Linkage front (and rear), Control Arms/Ball Joints/Bushings - Check if Damaged, Check Boots (Repair or Replace as Needed)			
132	Power Steering Pump and Hoses - Check Overall Condition, Leaks, Fluid Level, Noise (Repair or Replace as Needed)			
133	Sway Bars/Links/Bushings - Check Overall Condition (Repair or Replace as Needed)			
134	Springs - Check Overall Condition and Ride Height (Repair or Replace as Needed)			
135	Struts/Shocks - Check for Leakage and Perform Bounce Test (Replace as Needed)			

Brakes:

136	Calipers/Cylinders - Check Operation, Condition, Leaks (Adjust or Replace as Needed)			
137	Brake Fluid - Check and Condition (Top Up or Replace Fluid as Needed)			
138	Pads/Shoes (If less than 40 percent Replace)			
139	Rotors - Check Overall Condition, Wear (Machine or replace as Needed)			
140	Brake System - Lines, Hoses and Fittings for Wear, Leaks, Corrosion or Damage. (Repair, Replace as Needed)			
141	Anti-Lock Braking System - Check Overall Operation, excessive noise (Repair, Replace Components as Needed)			
142	Parking Brake - Check Operation (Adjust, Repair or Replace as Needed)			
143	Master Cylinder and Booster - Check Operation and Leaks (Repair or Replace as Needed)			

Air Bags/Seat Belts/Head Restraints

144	Seat Belts - Check Overall Condition and Operation (Repair or Replace as Needed)			
145	Driver & Front Passenger Active Head Restraints - Check Condition and Operation. (Repair or Replace Components as Needed)			
146	Driver & Front Passenger Supplemental Air Bags - Check Exterior Condition, Consult Codes, Dash Light Operation Note: When inspecting the air bag system, look carefully at the steering wheel for abnormal wear. Wear could indicate vehicle has been repaired and a used steering wheel/used air bag installed. (Repair or Replace as Needed)			
147	Front Seat Side Supplemental Air Bags - Check appearance, Consult Codes, Dash Light Operation (Repair or Replace as Needed)			
148	Side Curtain Supplemental Air Bags - Check appearance, Consult Codes, Dash Light Operation (Repair or Replace as Needed)			

Wheels and Tires

149	OEM Size Correct - Replace if not original size			
150	Tires - Ensure OEM speed rating, same brand and model all around (Replace as Needed)			
151	Tire Tread Depth (Replace if below 50 percent)			
152	Tire Condition/Abnormal Wear - Check Sidewalls, Vibration, Alignment Problems - (Replace as Needed)			
153	Pressure - Set Tire Pressure to OEM Specification (Ensure Tire Pressure Monitoring system is working correctly)			
154	Spare Tire, Retaining Cable and Mechanism - Check Condition, Tread, Pressure (Repair or Replace as Needed)			
155	Wheels - Check for visual runout, curb damage, marks, scratches, gouges, corrosion or pitting (Repair or Replace if damage is larger then 5mm)

2013 Nissan Juke Review

What's New for 2013

The 2013 Nissan Juke gains a Nismo edition with increased performance and updated styling. The Juke also receives a revised Navigation package on SV models that now includes a rearview camera and a Rockford Fosgate premium audio system. A new Midnight Edition package, with special exterior styling details, also debuts.

Introduction

Like the teenager wandering around the mall with the bright orange hair and the nose ring, the 2013 Nissan Juke practically screams "Hey, look at me!" Whether that's a good thing is a matter of personal opinion. That said, there's no denying the fact that this small crossover stands out in a sea of competitors.

There's also little argument over the Juke's performance credentials. Its turbocharged four-cylinder engine produces brisk acceleration, while the precise steering and sport-tuned suspension deliver better handling than you might expect of a vehicle of this type. Fuel economy is even decent, at least when driven conservatively.

The Juke has several significant downsides, however, including a couple that may well be deal-breakers for a lot of folks. First there's the, *ahem*, exuberant exterior styling, which is one of those polarizing love-it-or-loathe-it designs. Inside, there's a cramped backseat and a positively tiny cargo area.

If these shortcomings are enough to put you off, we suggest having a look at some of the Juke's slightly more sensible competitors. In the stylish-yet-practical crossover realm, the [Kia Soul](#),

Mini Cooper Countryman and [Scion xB](#) deserve consideration. There are also a number of more traditional small hatchbacks that are worth a look, including the [Chevrolet Sonic](#), Ford Fiesta and Volkswagen Golf.

Ultimately, though, buyers who are less concerned with practicality than having fun may well find the Nissan Juke an affordable way to turn a few heads.

Body Styles, Trim Levels, and Options

The 2013 Nissan Juke is offered in four trim levels: base S, well-equipped SV and SL and the top-of-the-line Nismo.

Standard equipment on the entry-level S model includes 17-inch alloy wheels, air-conditioning, cloth upholstery, 60/40-split-folding rear seats, keyless entry, full power accessories, cruise control, a tilt-only steering wheel, a trip computer, Bluetooth phone connectivity and a six-speaker sound system with a CD player and an auxiliary audio input jack.

The midrange SV adds a sunroof, rear privacy glass, keyless entry/ignition, automatic climate control, upgraded upholstery, a leather-wrapped steering wheel, satellite radio and the Integrated Control (I-Con) system that allows you to select Normal, Sport and Eco (Economy) settings for throttle, steering and transmission (with the CVT) response. The optional Navigation package gets you a touchscreen navigation system (based on an SD card) with a new rearview camera and real-time traffic info, plus an upgraded Rockford Fosgate audio system with a subwoofer and a USB/iPod interface.

The SL comes standard with all of the above plus automatic headlights, foglights, leather upholstery and heated front seats.

The Juke Nismo is slightly more powerful and also has a sport-tuned suspension, 18-inch alloy wheels with summer tires, unique exterior and interior styling details, and front sport seats.

Other options include a Sport package (rear spoiler, stainless-steel exhaust outlet and unique wheels), a Chrome package (door handles, mirrors and side molding), a Midnight Edition package (black-painted wheels, spoiler and mirror covers) and an Interior Illumination package (accent lighting and illuminated door sill plates).

Powertrains and Performance

Under the hood, the 2013 Nissan Juke gets a turbocharged 1.6-liter inline-4 engine that sends 188 horsepower and 177 pound-feet of torque to the front wheels. The Juke Nismo is equipped with the same engine, but here it has been tuned to produce 197 hp and 184 lb-ft of torque.

A continuously variable automatic transmission (CVT) is standard on the S trim. The SV and SL offer a choice of a six-speed manual gearbox or the CVT. The front-wheel-drive Nismo comes standard with the same six-speed manual. All four trims can also be had with all-wheel drive, in which case the CVT is the only transmission offered.

In Edmunds testing, a front-wheel-drive Juke with a CVT went from zero to 60 mph in 7.3 seconds, an impressively quick time for this category. An all-wheel-drive model was essentially

just as quick. Curiously, though, a Juke Nismo we tested with the manual transmission was slower, with an 8.1-second 0-60-mph time.

EPA-estimated fuel economy stands at 27 mpg city/32 mpg highway and 29 mpg combined with front-wheel drive and the CVT. Opting for the manual transmission or AWD will drop those numbers down a couple of mpg.

Safety

The 2013 Nissan Juke comes with a long list of standard safety features including antilock disc brakes, stability and traction control, active front head restraints, front-seat side airbags and side curtain airbags. In Edmunds brake testing, the Juke stopped from 60 mph in 123 feet, an average distance for a small car. The Nismo, with its summer-rated tires, was better at 114 feet.

In government crash tests, the Juke received four out of five stars for overall crash protection, with three stars for frontal-impact protection (four stars driver, three stars front passenger) and five stars for side-impact protection. In testing by the Insurance Institute for Highway Safety, the Juke scored a "Good" rating -- the highest possible -- in frontal-offset, side-impact and roof-strength crash tests.

Interior Design and Special Features

The 2013 Nissan Juke offers a passenger cabin that's nearly as ambitious-looking as its exterior. There are a lot of organic curves and body-colored surfaces, and silver accents add cheerful ambience. But there's no shortage of hard surfaces, since this is meant to be a sporty sort of environment. To its credit, the Juke's controls are large and easy to navigate, and the cabin features lots of thoughtful storage compartments.

The front seats are comfortable, with substantial side bolsters well suited to enthusiastic driving. A steering wheel that tilts but doesn't telescope may make it harder for some drivers to get comfortable, though. A shortage of headroom makes the rear seats best for shorter adults and kids.

The Juke's cargo area offers just 10 cubic feet behind the rear seats and 36 cubic feet with those seatbacks folded down. To put these numbers in perspective, the Scion xB's cargo capacity numbers are 21 and 70 cubic feet respectively.

Driving Impressions

When it comes to performance, the 2013 Nissan Juke has multiple personalities. With the I-Con settings on the Eco mode, acceleration is leisurely while fuel economy is maximized. In the Sport mode the driving experience is noticeably more lively, though gas mileage naturally suffers.

The rest of the Juke's hardware shines on a winding stretch of two-lane asphalt, where the nicely weighted steering feel and firm suspension work together to deliver surprisingly engaging handling. The ride quality is passable over smooth pavement, though this utility feels a little stiff-legged compared to its family-oriented rivals. The cabin also fills with a fair amount of wind and road noise, though most buyers should find it tolerable enough.

The Juke Nismo offers an extremely similar driving experience. With an increase of only 9 hp, acceleration feels almost exactly the same. The sport suspension, paired with grippier summer tires, makes the Juke Nismo slightly more entertaining to drive through turns, but again, the differences are slight.

2013 Nissan Juke Consumer Review

Awesome car!

By **lianamcl** on 04/08/13 12:56 PM (PDT)

Vehicle

2013 Nissan Juke SL 4dr Hatchback AWD (1.6L 4cyl Turbo CVT)

Review

I've had my 2012 Juke for 16 months and have 26,000 miles already! It's cute, sexy, and outperforms anything I've owned to date. Traded in a 2000 Wrangler and was really afraid I'd be disappointed... NO WAY!! I love it!

Favorite Features

Black leather seats with red piping, Rockford Fosgate speakers, turbo!,

Suggested Improvements

Better job with the paint, if possible. Tends to chip fairly easily.

CARFAX Price Adjustment™

Accidents, service records, number of owners and many other history factors can affect a vehicle's value. The CARFAX Price Adjustment is a tool that analyzes millions of used car transactions to measure how the combination of all the information reported to CARFAX affects the value of a particular vehicle. The vehicle's retail book value plus the CARFAX Price Adjustment will give you a more accurate measure of the vehicle's value. Use this tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

CARFAX Well Maintained - Regular Oil Changes

CARFAX identifies a "Well Maintained - Regular Oil Change" vehicle as having a regular oil change history when all its recommended oil changes, based on the vehicle's maintenance schedule, have been reported to CARFAX. CARFAX uses the manufacturer's schedule and assumes normal driving conditions. When an oil change schedule is not available, CARFAX may analyze reported service events to determine what is typical for the same make and model vehicle. Dealers and service shops may publish different recommended service schedules.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1994 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

CARFAX DEPENDS ON ITS SOURCES FOR THE ACCURACY AND RELIABILITY OF ITS INFORMATION. THEREFORE, NO RESPONSIBILITY IS ASSUMED BY CARFAX OR ITS AGENTS FOR ERRORS OR OMISSIONS IN THIS REPORT. CARFAX FURTHER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CARFAX® SYSTEMATIC RETRIEVAL OF THE CONTENT OR OTHER DATA FROM THIS SITE TO CREATE OR COMPILE, DIRECTLY OR INDIRECTLY, IN WHOLE OR IN PART, A COLLECTION, COMPILATION, DATABASE OR DIRECTORY WITHOUT THE EXPRESS WRITTEN PERMISSION OF CARFAX IS STRICTLY PROHIBITED. A DIFFERENT WAY TO BUY A CAR

NO Haggling

NO "Make an Offer"

NO Pressure

NO Back and Forth

NO Surprises

NO Need to Wait for the Next Sale

Peters of Nashua believes that car buying should be
Open, Honest and Stress-Free.

Since all of our vehicles are always offered at our "Best Price", our Product Specialists primary focus is on answering your questions and ensuring that the vehicle you choose is perfect for you.

It's Just That Simple.

DRIVE FOREVER

worry free

- A Limited Warranty -

Drive Forever covers the engine and transmission on each of our eligible thoroughly-inspected pre-owned vehicles forever.

That's right... FOREVER!

- Complimentary with ALL new car purchases
- Available on all eligible used vehicles under 100,000 miles
- Coverage begins immediately and runs as long as you own the vehicle
- Additional protection available specifically designed to "wrap around" this exclusive coverage

Covers all internally lubricated parts within the engine and transmission (excludes seals and gaskets).

Engine: Cylinder block and cylinder head and all internally lubricated parts, turbocharger, supercharger, harmonic balancer, timing gear, chain and belt, timing cover, intake and exhaust manifolds, valve covers, oil pan, and engine mounts.

Transmission: Transmission case and all internally lubricated parts, torque converter, flywheel / flex plate, vacuum modulator and transmission mounts.

Don't Take Our Word For it... See What Our Customers are Saying

My husband and I were looking for a new car and went to several different dealerships. Stephen was easy to work with and got us a great deal with no hassles and no pressure. We always find ourselves back at Peter's of Nashua. This was our third vehicle purchased there and we've always been happy buying and servicing our vehicles at peter's. Thank you Stephen and all the staff!

Thank you so much to Emma Tolland at Nissan of Nashua for making my purchase of a 2014 Nissan Frontier such a good experience. She was pleasant, very informative and made things so easy. I would recommend anyone to stop in to talk to her if you are in the market for a new vehicle. Thanks again Emma.

**I wish all dealerships were this friendly and honest! This was my first purchase at Peter's Nissan and I was so pleasantly surprised with how easy Rick Trottier and Jim Jackson were to work with. They both made this purchase so easy and fun! Hagglng? NONE! no BS! They were up front from the beginning. I have to say that I feel that I got a great deal and I would come back again and again! I cant wait for my husband to get a new car so I can work with Rick and Jim again! Thanks Guys!
I love my new ride!**

**Great customer service, very patient and helpful!
Introduced every detail and function of the car and explained all my questions with patience. Excellent buying experience! Thank you so much Art!**

**Art Otremba made leasing my car a wonderful, relaxing, no pressure experience. Found me a great car with everything I asked for and more within my price range! Already started recommending Art and this dealership to friends and family.
As long as he's there I'll be keeping my business there. What a great team!**

Our Service Department offers the very best in automotive service to our customers. We serviced this vehicle before it was yours and we hope to continue servicing it for you. We have the most current diagnostic and repair equipment available, and we are capable of servicing all makes and models.

Our highly trained technicians share in the sentiment that you and your vehicle deserve only the best of care.

We look forward to serving your vehicle needs.
