

Competition Commission acceptance of undertakings No. 2 of 2004

IN THE MATTER of a reference relating to the proposed acquisition of certain assets representing the Air-Shields business of Hill-Rom, Inc., a subsidiary of Hillenbrand Industries, Inc.

Whereas a report of the Competition Commission (the Commission) entitled *Dräger Medical AG & Co and Hillenbrand Industries, Inc. A report on the proposed acquisition of certain assets representing the Air-Shields business of Hill-Rom, Inc., a subsidiary of Hillenbrand Industries, Inc* (the Report) was prepared and published under section 38 of the Enterprise Act 2002 (the Act) and was published on 19 May 2004.

And whereas the Commission concluded in its report that Dräger Medical AG & Co's (Dräger) acquisition through its American subsidiary, Dräger Medical Infant Care Inc., of certain assets of Hill-Rom, Inc. (which comprise the Air-Shields neonatal warming therapy business) would result in the creation of a relevant merger situation in accordance with section 23 of the Act.

And whereas the Report contains the decision that there would be an anti-competitive outcome (as defined in section 35(2) of the Act) in relation to the proposed acquisition by Dräger of the assets representing the Air-Shields business of Hill-Rom, Inc.

And whereas Dräger and Dräger Medical UK Limited have agreed to give undertakings to the Commission for the purpose of remedying the anti-competitive outcome identified.

And whereas the Commission:

- (a) gave notice of the proposed undertakings in accordance with Schedule 10 to the Act on 27 May 2004; and
- (b) did not receive any representations in accordance with the notice referred to in paragraph (a).

Now the Commission pursuant to section 82(1) of the Act hereby accepts the undertakings, a copy of which is set out in the attached Appendix A (see note) below, and accordingly the undertakings come into force in accordance with section 82(2) of the Act.

Signed by authority of the Competition Commission

(signed) Sir Derek Morris
21 June 2004

Note:

The Commission has excluded from the undertakings information which it considers should be excluded having regard to the three considerations set out in section 244 of the Act. The omission is indicated by [<].

Competition Commission undertaking No. 2 of 2004

Undertakings given to the Competition Commission by Dräger Medical AG & CO. KGaA and Dräger Medical UK Limited

Whereas:

- (a) On 18 December 2003 the Office of Fair Trading (the OFT) referred the proposed acquisition by Dräger Medical AG & Co. KGaA (Dräger) of certain assets representing the Air-Shields neonatal warming therapy business of Hill-Rom, Inc. a subsidiary of Hillenbrand Industries, Inc. (Hillenbrand) to the Competition Commission (the Commission) for investigation and report under section 33 of the Enterprise Act 2002 (the Act).
- (b) A report of the Commission entitled *Dräger Medical AG & Co and Hillenbrand Industries, Inc. A report on the proposed acquisition of certain assets representing the Air-Shields business of Hill-Rom, Inc., a subsidiary of Hillenbrand Industries, Inc.* (the Report) under s38 of the Act was prepared and published on 19 May 2004.
- (c) The Commission concluded (and Dräger and Hillenbrand accepted) that Dräger's acquisition through its American subsidiary, Dräger Medical Infant Care Inc., of certain assets of Hill-Rom, Inc. (which comprise the Air-Shields business) in accordance with the purchase agreement between Hill-Rom Inc., Hill-Rom Manufacturing Inc., Hill-Rom Services Inc., Dräger Medical Infant Care Inc. and Dräger dated 15 September 2003 would result in two or more enterprises ceasing to be distinct in accordance with section 26 of the Act.
- (d) The Commission concluded that the relevant product markets were Closed Care Incubators, Open Care Warming Beds, and Transport Incubators and phototherapy products. The Commission also concluded that the share of supply test as set out in section 23 of the Act was satisfied.
- (e) The Report contains the decision that the merger may be expected to give rise to a substantial lessening of competition (SLC) in the markets for Closed Care Incubators, Open Care Warming Beds and Transport Incubators.
- (f) For the purpose of remedying mitigating or preventing the adverse effects of the SLC in the markets set out in (e) above the Commission concluded that Dräger and Dräger Medical UK Limited (Dräger UK) should give undertakings in relation to:
 - (i) the range of Products and Accessories to be made available to the UK market;
 - (ii) Servicing, Training and Spare Parts to be provided to Customers; and
 - (iii) retail price control of Products, Accessories, Spare Parts, Training and Servicing supplied to Customers.
- (g) For the purpose of remedying mitigating or preventing the adverse effects of the SLC in the markets set out in (e) above the Commission also made recommendations to the Department of Health, the Scottish Executive, the Welsh Assembly and the Northern Ireland Assembly and their procurement agencies, the NHS Purchasing and

Supply Agency, Scottish Healthcare Supplies, Welsh Healthcare Supplies and the Northern Ireland Regional Supplies Service in relation to the exercise of buyer power and the facilitation of market entry by new suppliers.

Now Therefore Dräger and Dräger UK hereby give to the Commission the following undertakings (the Dräger Undertakings) under section 82 of the Act for the purpose of remedying mitigating or preventing the adverse effects of the SLC identified in the Report.

1 Interpretation

- 1.1 The Interpretation Act 1978 shall apply to the Dräger Undertakings as it does to Acts of Parliament.
- 1.2 In the Dräger Undertakings the word ‘including’ shall mean including without limitation or prejudice to the generality of any description, definition, term or phrase preceding that word and the word ‘include’ and its derivatives shall be construed accordingly.
- 1.3 For the purposes of the Dräger Undertakings given in relation to the markets identified in (e) above the following terms have the meaning ascribed to them below:

Ambulance Trust	means a NHS Trust that provides ambulance services.
Accessories	means the items listed in Annex 2 or any substitutes as provided for in paragraph 9 and the term ‘relevant accessories’ shall mean those Accessories as are supplied with a particular Product.
Actual Customer Sales Revenue	means in relation to any individual Customer, the actual revenue due from that Customer to Dräger and Dräger UK for Products, Accessories, Spare Parts, Training and Servicing supplied to that Customer in any given Year. For the avoidance of doubt this must be calculated separately for each Customer for each Year.
Actual Overall Sales Revenue	means the revenue due in that Year from all Customers of Dräger and Dräger UK for Products, Accessories, Spare Parts, Training and Servicing supplied to those Customers in that Year. For the avoidance of doubt this must be calculated for all Customers for each relevant Year.
the Air-Shields business	means the assets that represent the neonatal warming therapy products business of Hillenbrand to be purchased by Dräger from Hillenbrand under the purchase agreement.
Base Year	means the calendar year 2003.
Base Year Overall Discount	is [3] per cent and is calculated as follows: $(LPOR_B - AOSR_B)/(LPOR_B)$ where: LPOR _B means the List Price Overall Revenue for the Base Year; and

AOSR means the Actual Overall Sales Revenue for the Base Year.

Closed Care Incubator means an enclosed incubator which provides a controlled environment for the baby within which temperature, humidity and oxygen levels in the air can be closely controlled.

Customers include past and present customers of Dräger UK and Air-Shields in the United Kingdom and any future or potential customers in the United Kingdom of any company owned or controlled by Dräger or Dräger UK.

Dräger Neonatal Warming Therapy Product means any Closed Care Incubator, Open Care Warming Bed or Transport Incubator that is supplied by any company owned or controlled by Dräger or Dräger UK.

Discontinued Item means any Closed Care Incubators, Open Care Warming Beds or Transport Incubators together with any accessories for any such product supplied by Dräger or Air-Shields in the United Kingdom on 1 January 1999 but subsequently discontinued prior to 19 May 2004.

the Individual Cap means in relation to any individual Customer the sum of the List Prices of all Products, Accessories, Spare Parts, Training and Servicing supplied to each individual Customer in the relevant Year For the avoidance of doubt this must be calculated separately for each Customer for each relevant Year.

the Individual Cap Excess means the difference between the Actual Customer Sales Revenue and the Individual Cap where the Actual Customer Sales Revenue exceeds the Individual Cap.

For the avoidance of doubt the Individual Cap Excess shall be expressed as an absolute sum.

In Service Application Training means the training provided by Dräger or Dräger UK when supplying a Product or Accessory for sale or User Evaluation to the Customer in order to familiarize the Customer's staff with the functioning of such Product or Accessory.

List Price means:
the prices set out in the Dräger Product list, Dräger Accessory list, Dräger Spare Parts list, Dräger Training list and the Dräger Servicing list produced by the Commission and agreed by Dräger UK on 27 May 2004 as an accurate reflection of the Dräger UK list price for Products, Accessories, Spare Parts, Training and Servicing in 2003; and
the prices set out in the Hillenbrand Product list, Hillenbrand Accessory list, Hillenbrand Spare Parts list, Hillenbrand Training list and the Hillenbrand Servicing list produced by the Commission and agreed by Hill-Rom, Inc. on 27 May 2004 as an accurate reflection of the Air-Shields UK list price for Products, Accessories, Spare Parts, Training and

Servicing in 2003.

List Price Overall Revenue

means the revenue that would be due from all Customers to Dräger and Dräger UK for Products, Accessories, Spare Parts, Training and Servicing supplied in any given Year at the List Price.

For the avoidance of doubt the List Price Overall Revenue shall be expressed as an absolute sum.

Maximum Overall Sales Revenue

is $MOSR_{(year\ n)} = LPOR_{(year\ n)} - (LPOR_{(year\ n)} * BYOD) - OCE_{(year\ n-1)}$
where:

MOSR means Maximum Overall Sales Revenue;
 $_{year\ n}$ means in any given Year;
LPOR means the List Price Overall Revenue;
BYOD means the Base Year Overall Discount;
OCE means the Overall Cap Excess; and
 $_{year\ n-1}$ means the Year prior to the given Year.

For the avoidance of doubt $MOSR_{(year\ n)}$ shall be expressed as an absolute sum.

the Monitoring Trustee

means a person appointed in accordance with paragraph 6.

NHS Trusts

includes National Health Service trusts in England, Scotland and Wales and Health and Social Services trusts in Northern Ireland.

Open Care Warming Bed

means a neonatal open cot warmed by an overhead radiant warmer, or by a warmed mattress.

the Overall Cap

means the limit on Actual Overall Sales Revenue that Dräger and Dräger UK shall receive in any one Year set out in paragraph 5.4.

Overall Cap Excess

is $AOSR - MOSR - ICE_A$
where:

AOSR means Actual Overall Sales Revenue for the relevant Year;
MOSR means Maximum Overall Sales Revenue for the relevant Year; and
 ICE_A means the aggregate total of the Individual Cap Excesses for all Customers for the relevant Year.

For the avoidance of doubt the Overall Cap Excess shall be expressed as an absolute sum.

Procurement Agencies

means the Department of Health, the Scottish Executive, the Welsh Assembly and the Northern Ireland Assembly and their procurement agencies, the NHS Purchasing and Supply Agency, Scottish Healthcare Supplies, Welsh Healthcare Supplies and the Northern Ireland Regional Supplies Service.

Products	means the items listed in Annex 1 or any substitutes as provided for in paragraph 10.
Preventative Service	means the regular servicing and repair of any Product or Accessory by Dräger or Dräger UK including: (i) planned preventative maintenance which entitles the Customer to biannual visits by a technician to maintain the Product or Accessory but does not include the cost of replacement or consumable parts; and (ii) fully comprehensive maintenance which entitles the Customer to biannual visits by a technician to maintain the Product or Accessory and includes the cost of replacement parts but does not include the cost of consumable parts.
Servicing	includes both Preventative Service and Technical Service.
Spare Part	means any component used in the production of any Product or Accessory and listed in Annex 3 or any substitutes as provided for in paragraph 9.
Technical Service	means the provision by Dräger or Dräger UK of Servicing specialists to maintain or repair Products or Accessories.
Training	means training provided by Dräger or Dräger UK for the use, care or maintenance of any Product or Accessory supplied to a Customer including: (i) full engineering training to any nominee of the Customer to enable such nominee to maintain and repair any Product or Accessory; (ii) first line maintenance training to any nominee of the Customer to enable such nominee to effect basic maintenance and repair in relation to any Product or Accessory; (iii) advanced education training with the use of formal workbooks produced by Dräger or Dräger UK which provides a structured approach to training and detailed information on the workings of Products and Accessories; and (iv) advanced education training days offered by Dräger or Dräger UK for study of neonatal warming therapy products.
Transport Incubator	means a self-contained incubator attached to a trolley and is primarily used for moving babies between or within hospitals.
User Evaluation	means the on-site evaluation by Customers of Products or Accessories prior to purchasing such Products or Accessories for a period of not less than two (2) weeks or such shorter period as may from time to time be requested in writing by the Customer.
Year	means the calendar year or part thereof as the case may be.

2 Commencement and duration

- 2.1 The Dräger Undertakings shall commence on the date that, having been signed by Dräger and Dräger UK, they are accepted by the Commission.
- 2.2 Subject to paragraph 4 below, the Dräger Undertakings shall continue in force until 31 December 2007 or for a period of three Years from the date of commencement, whichever is the later.

3 Preservation of range of Products and Accessories

- 3.1 Dräger and Dräger UK shall:
 - 3.1.1. ensure that the Products and the Accessories continue to be supplied to Customers;
 - 3.1.2. ensure that sufficient Products and Accessories are made available for supply to meet Customer demand other than where a public health emergency increases Customer demand in excess of one hundred per cent (100%) of the demand for such Product or Accessory in the Base Year, when Dräger or Dräger UK shall use all reasonable endeavours to meet Customer demand;
 - 3.1.3. ensure that the Products, and relevant accessories (as may in each case be appropriate), are made available and provided within a reasonable time (together with In Service Application Training (at no additional cost)) to Customers for User Evaluation on the reasonable request of such Customers;
 - 3.1.4. ensure that when responding to a request from a Customer, to include in any written communication such as a bid, offer, proposal or quotation, the most appropriate Product along with any relevant accessories in response to that Customer's required specifications;
 - 3.1.5. when supplying any Product or Accessory provide shipping on-site testing and In Service Application Training when necessary (at no additional cost) for such Product or Accessory. For the avoidance of doubt Dräger or Dräger UK shall be entitled to levy a reasonable shipping charge where the value of a particular order of Products or Accessories does not exceed one thousand (1,000) pounds.
- 3.2 Dräger and Dräger UK may cease to supply the Air-Shields Versalet (part numbers 84A1A1B, 84A2A1B, 84A2A1C, 84A2A1D, 84A1A1A and 84A2A1A) and any relevant accessories (the Versalet) after they have satisfied the OFT that the Versalet is no longer supplied to any other customer in the European Economic Area.

4 Spare Parts, Training and Servicing requirements

- 4.1 Dräger and Dräger UK shall provide:
 - 4.1.1. on the request of any Customer, either at the time of the supply of Products or Accessories or thereafter, a contract in relation to Preventative Service for a period of up to seven (7) Years as such Customer may require provided that nothing in these undertakings shall require that the period of time that such Preventative Service is provided for exceeds seven (7) Years from the date of supply to that Customer of the Products or Accessories.

4.1.2. on the request of any Customer, a contract for Preventative Service for Discontinued Items provided that nothing in these undertakings shall require that the period of time that such Preventative Service is provided for exceeds seven (7) Years from the date of supply to that Customer of the Discontinued Item.

4.2 Dräger and Dräger UK shall provide Training and Technical Service for:

4.2.1. any Product or Accessory; or

4.2.2. any Discontinued Item;

when requested to do so by a Customer at any time within seven (7) Years after the date of supply to that Customer of such Product, Accessory or Discontinued Item.

4.3 Dräger and Dräger UK shall supply Spare Parts for:

4.3.1. any Products or Accessories; or

4.3.2. any Discontinued Items;

when requested to do so by a Customer at any time within seven (7) Years after the date of supply to that Customer of such Product, Accessory or Discontinued Item.

4.4 In the event that Dräger or Dräger UK are unable to supply a Spare Part for any Product or Accessory in accordance with paragraph 4.3 or an appropriate product as a substitute as provided for in paragraph 9 below, Dräger or Dräger UK shall purchase back from the relevant Customer such Product or Accessory. For the purposes of this paragraph Dräger or Dräger UK shall reimburse the relevant Customer with the net book value that would apply if that Product or Accessory had been depreciated at a daily rate on a straight line basis over a period of seven (7) Years.

5 Retail price cap

5.1 Dräger and Dräger UK shall observe the provisions of this paragraph so as to comply with the Individual Cap and the Overall Cap.

5.2 Dräger and Dräger UK shall use best endeavours to ensure that the Actual Customer Sales Revenue in any given Year in relation to individual Customers does not exceed the Individual Cap.

5.3 In the event that the Actual Customer Sales Revenue exceeds the Individual Cap at the end of the Year, the Individual Cap Excess as notified to Dräger and Dräger UK by the Monitoring Trustee shall be refunded to each relevant individual Customer within one (1) month of receipt of such notification. In the event that a Customer who is entitled to a refund of the Individual Cap Excess has not paid the full amount of its invoice, Dräger or Dräger UK will issue such Customer with a credit note for the amount of the refund.

5.4 Dräger and Dräger UK shall use best endeavours to ensure that Actual Overall Sales Revenue in the Year does not exceed the Maximum Overall Sales Revenue. For the avoidance of doubt, no adjustments shall be made to the Maximum Overall Sales Revenue for any given Year where the Actual Overall Sales Revenue does not exceed the Maximum Overall Sales Revenue.

- 5.5 In the final Year of the Dräger Undertakings the amount of the Overall Cap Excess as notified to Dräger and Dräger UK by the Monitoring Trustee shall be paid by Dräger UK to a neonatal charity nominated by the OFT within one (1) month of receipt of such notification.
- 5.6 Dräger and Dräger UK shall ensure that they promptly provide the Monitoring Trustee with the information required in paragraph 6 below and any other information that the Monitoring Trustee may reasonably require.
- 5.7 For the avoidance of doubt, the Individual Cap and the Overall Cap shall only apply for the duration of the Dräger Undertakings as set out in paragraph 2.2.

6 Monitoring of retail price cap provisions

- 6.1 Dräger and Dräger UK shall appoint a Monitoring Trustee to carry out the functions specified in this paragraph.
- 6.2 The Monitoring Trustee shall be independent of Dräger and Dräger UK and possess the necessary qualifications to carry out its functions. The Trustee shall be remunerated by Dräger and Dräger UK in a way that does not impede the independent and effective fulfilment of its functions.
- 6.3 No later than two (2) weeks after the commencement of the Dräger Undertakings, Dräger and Dräger UK shall submit a list of one or more persons that Dräger and Dräger UK propose to appoint as the Monitoring Trustee, and the terms and conditions of appointment of the Monitoring Trustee to the OFT for its approval. The list shall contain sufficient information for the OFT to verify that the proposed Monitoring Trustee(s) fulfil the requirements set out in paragraph 6.2.
- 6.4 The OFT shall have the discretion to approve or reject the proposed Monitoring Trustees and to approve the terms and conditions of appointment of the Monitoring Trustee subject to any modifications it deems necessary for the Monitoring Trustee to effectively fulfil its obligations.
- 6.5 If only one name is approved, Dräger and Dräger UK shall appoint or cause to be appointed, the individual or institution concerned as Monitoring Trustee, in accordance with the terms and conditions of appointment approved by the OFT. If more than one name is approved, Dräger and Dräger UK shall be free to choose the Monitoring Trustee to be appointed from among the names approved. The Monitoring Trustee shall be appointed within one (1) week of the OFT's approval, in accordance with the terms and conditions of appointment approved by the OFT.
- 6.6 If all the proposed Monitoring Trustees are rejected by the OFT, the OFT shall nominate a Monitoring Trustee, whom Dräger and Dräger UK shall appoint, or cause to be appointed, in accordance with the terms and conditions of appointment approved by the OFT.
- 6.7 The Monitoring Trustee shall assume the duties specified in paragraphs 6.11 and 6.12. in order to ensure compliance by Dräger and Dräger UK with the Individual Cap and the Overall Cap.
- 6.8 The Monitoring Trustee's appointment shall continue until the final report is compiled and submitted to the OFT at the end of the Dräger Undertakings, and the OFT have indicated in writing that they are satisfied with it.

- 6.9 As soon as practicable, but in any event no later than one (1) month after the appointment of the Monitoring Trustee Dräger and Dräger UK shall provide the Monitoring Trustee and the OFT with:
- 6.9.1. the List Price; and
 - 6.9.2. details of all the Products, Accessories, Spare Parts, Training and Servicing supplied to Customers in the Base Year and in addition any other products supplied to Customers by Dräger UK or Air-Shields in the markets for Closed Care Incubators, Open Care Warming Beds and Transport Incubators and the prices at which each were supplied.
- 6.10 Dräger and Dräger UK shall provide the Monitoring Trustee and the OFT with:
- 6.10.1. details of each Customer for each relevant Year of the Dräger Undertakings,
 - 6.10.2. the Products, Accessories, Spare Parts, Servicing and Training supplied to that Customer; and
 - 6.10.3. the revenue due from such Customer to Dräger and Dräger UK for Products, Accessories, Spare Parts, Training and Servicing.
- such information to be provided no later than one (1) month after the end of each relevant Year.
- 6.11 The terms of the Monitoring Trustee's appointment shall provide that the Monitoring Trustee shall:
- 6.11.1. verify whether or not the Actual Customer Sales Revenue for any Customers in the relevant Year exceeded the Individual Cap and, if so, calculate the amount of the Individual Cap Excess for each such Customer;
 - 6.11.2. notify Dräger and Dräger UK in writing of the identity of such Customers and the amount of the Individual Cap Excess to be refunded to each individual Customer;
 - 6.11.3. verify whether the Actual Overall Sales Revenue exceeds the Maximum Overall Sales Revenue;
 - 6.11.4. other than in the final Year of the Dräger Undertakings notify Dräger and Dräger UK in writing of the amount of Overall Cap Excess to be used to calculate the Maximum Overall Sales Revenue for the following Year;
 - 6.11.5. in respect of the final Year of the Dräger Undertakings, notify Dräger and Dräger UK in writing of the amount of the Overall Cap Excess; and
 - 6.11.6. in the event of any change in the identity of any Customer (for instance due to the merger or reorganization of any NHS Trusts) apply these provisions as the Monitoring Trustee sees fit.
- 6.12 The terms of the Monitoring Trustee's appointment shall further provide that the Monitoring Trustee shall no later than two (2) months after the end of the Year compile and submit a written report to the OFT setting out:
- 6.12.1. the Actual Customer Sales Revenue for that Year;

- 6.12.2. the amount of each Individual Cap Excess and the identity of each individual Customer to whom such excess relates;
 - 6.12.3. the Actual Overall Sales Revenue for that Year;
 - 6.12.4. the Maximum Overall Sales Revenue for that Year;
 - 6.12.5. other than in the final Year the amount of the Overall Cap Excess which is to be used to calculate the Maximum Overall Sales Revenue for the following Year;
 - 6.12.6. in the final Year the amount of the Overall Cap Excess which is payable to a neonatal charity nominated by the OFT;
 - 6.12.7. whether Dräger and Dräger UK have complied with the Individual Cap and the Overall Cap; and
 - 6.12.8. copies of all notifications sent to Dräger and Dräger UK.
- 6.13 Dräger and Dräger UK shall provide the Monitoring Trustee with all such co-operation, assistance and information as the Monitoring Trustee may reasonably require to perform its tasks. Dräger and Dräger UK shall ensure that the Monitoring Trustee shall have full and complete access to any of Dräger and Dräger UK's books, records, documents, sites and information necessary for fulfilling its duties.

7 Publishing requirements

- 7.1 Within one (1) month of the commencement of the Dräger Undertakings Dräger or Dräger UK shall write to all NHS Trusts, Ambulance Trusts, in clear terms informing them:
- 7.1.1. of the range of Products and Accessories that Dräger and Dräger UK are required to supply in the United Kingdom;
 - 7.1.2. of the length of time Dräger and Dräger UK will continue to provide such Products and Accessories;
 - 7.1.3. of the Product, Accessories and Discontinued Items for which Dräger and Dräger UK will continue to provide Spare Parts and the length of time such Spare Parts will be provided for;
 - 7.1.4. of the Product, Accessories and Discontinued Items for which Dräger and Dräger UK will continue to provide Training and Servicing and the length of time such Training and Servicing will be provided for;
 - 7.1.5. of the workings of the retail price cap provisions (that should make clear that although Dräger and Dräger UK are subject to a retail price cap their ability to price below the retail price cap is not restricted);
 - 7.1.6. that a copy of the List Price for the Products, Accessories, Spare Parts, Training or Servicing is available on request. For avoidance of doubt only the List Price should be made available and not the level of discount used in the calculation of the Overall Cap;
 - 7.1.7. that other than price and, in relation to Training and Servicing duration, the terms and conditions of supply for Products, Accessories, Spare Parts,

Training and Servicing shall be on no less favourable terms to those written terms and conditions they previously enjoyed; and

7.1.8. of the monitoring functions of the OFT in relation to the Dräger Undertakings and that any complaints in relation to any breach of any of the provisions of the Dräger Undertaking should be sent to Dräger UK at its registered office and copied to the OFT.

7.2 Within one (1) month of the commencement of the Dräger Undertakings Dräger or Dräger UK shall provide the Procurement Agencies with a copy of the letter sent to all NHS Trusts and Ambulance Trusts and the List Price for Products, Accessories, Spare Parts, Training and Servicing.

7.3 For the duration of the Dräger Undertakings, Dräger or Dräger UK shall by the end of January each Year send to all NHS Trusts and Ambulance Trusts a letter informing them that the Dräger Undertakings are still in force and that a copy of the letter sent in accordance with 7.1 is available on request.

7.4 Dräger or Dräger UK shall send drafts of the letters referred to in 7.1 and 7.2 to the OFT for its approval and any amendments suggested by the OFT shall be incorporated into the letters.

8 Terms and conditions of supply

8.1 The supply of Products, Accessories, Spare Parts, Training and Servicing by Dräger and Dräger UK shall be on no less favourable written terms and conditions than those that would have been provided for that Product, Accessory, Spare Part, Training or Servicing prior to 15 September 2003 other than any amendments that may be made to the terms and conditions in order for Dräger or Dräger UK to comply with the Dräger Undertakings.

9 Changes to Accessories and Spare Parts

9.1 Dräger or Dräger UK may substitute for any Accessory or Spare Part any other product that provides the equivalent or better functionality than the Accessory or Spare Part supplied in accordance with the Dräger Undertakings.

9.2 Dräger and Dräger UK must inform the OFT, the Monitoring Trustee and the Procurement Agencies of any such substitution within two (2) weeks of such substitution becoming effective.

9.3 For the purposes of the Dräger Undertakings any product substituted for any Accessory or Spare Part in accordance with paragraph 9.1, shall be deemed to be an Accessory or Spare Part and treated as if it were the original Accessory or Spare Part for which it has been substituted.

10 Replacement of Dräger Neonatal Warming Therapy Products

10.1 The Dräger Undertakings will not apply to any new Dräger Neonatal Warming Therapy Product except where Dräger or Dräger UK:

10.1.1. wish to discontinue supplying a certain Product; and

10.1.2. establish that the relevant Dräger Neonatal Warming Therapy Product offers the equivalent or better functionality than the Product supplied in accordance with the Dräger Undertakings; and

- 10.1.3. offer to supply the Dräger Neonatal Warming Therapy Product in place of the Product that is to be withdrawn; and
- 10.1.4. give and the Commission accepts (where required) any amended or varied undertakings from Dräger and Dräger UK in relation to the relevant Dräger Neonatal Warming Therapy Product.
- 10.2 Any Dräger Neonatal Warming Therapy Product which substitutes for any Product shall be treated as if it were the original Product for the purposes of the Dräger Undertakings.
- 10.3 Dräger and Dräger UK must inform the OFT, the Monitoring Trustee, the NHS Trusts, Ambulance Trusts and Procurement Agencies of any such substitution at the earliest opportunity.

11 Restriction of Information

- 11.1 Without prejudice to paragraph 7.1. Dräger and Dräger UK shall permit all NHS Trusts, Ambulance Trusts and Procurement Agencies to exchange information and views with each other subject to the proviso below:
 - 11.1.1 on Products, Accessories, Spare Parts, Training, Servicing and Dräger Neonatal Warming Therapy Products supplied at any time by Dräger UK and in addition any other products supplied to Customers by Dräger, Dräger UK or Air-Shields in the markets for Closed Care Incubators, Open Care Warming Beds and Transport Incubators;
 - 11.1.2 on any price information in relation to paragraph 11.1.1;
 - 11.1.3 on any written terms and conditions of supply;
 - 11.1.4 in any forum and in any manner as they see fit including by publication on a secure web site;provided that such information is not disseminated to competitors of Dräger or Dräger UK.

- 11.2 Neither Dräger nor Dräger UK will include or rely on any confidentiality provisions in any of their agreements with any NHS Trusts or any Ambulance Trusts which conflict with the provisions in paragraph 11.1.

12 Complaints procedure

- 12.1 Any complaints by the NHS Trusts, Ambulance Trusts and Procurement Agencies in relation to any breach of the provisions of the Dräger Undertaking that are sent to Dräger UK at its registered office and copied to the OFT shall be addressed by Dräger or Dräger UK within four (4) weeks of receipt of such complaint.
- 12.2 Dräger or Dräger UK shall within five (5) weeks of receipt of any complaint from the NHS Trusts, Ambulance Trusts and Procurement Agencies inform the OFT in writing whether or not such complaint has been resolved and the manner in which it was resolved.

13 Provision of information to the Commission/OFT

- 13.1 Dräger and Dräger UK shall promptly provide to the Commission such information as the Commission may reasonably require for the purpose of performing any of its functions under sections 82, 83 and 94(7) of the Act.
- 13.2 Dräger and Dräger UK shall promptly provide to the OFT such information as the OFT may reasonably require for the purpose of performing any of its functions under section 92, 93(6) and 94(6) of the Act.

14 Acceptance of service

- 14.1 Dräger hereby authorizes Dräger UK to accept on behalf of Dräger service at Dräger UK's registered office of all documents (including any document of any kind which falls to be served on or sent to Dräger in connection with any proceedings in courts in the United Kingdom) orders, requests, notifications or other communications connected with the Dräger Undertakings.
- 14.2 Any document, orders, requests, notifications or other communication shall be deemed to have been validly served on Dräger if it is served on Dräger UK at its registered office; and service or receipt shall be deemed to be acknowledged by Dräger if it is acknowledged by Dräger UK.
- 14.3 Paragraph 14.2 has effect irrespective of whether, as between Dräger UK and Dräger, Dräger UK has or continues to have, any authority to accept and acknowledge service on Dräger's behalf; and no failure or mistake by Dräger UK (including a failure to notify Dräger of the service of any document, order, request, notification or other communication) shall invalidate any action taken in respect of the Dräger Undertakings including any proceeding or judgement.

15 Compliance

- 15.1 Dräger and Dräger UK shall comply with such written directions as the OFT or Commission may from time to time give to take such steps within their competence for the purpose of carrying out or securing compliance with the Dräger Undertakings.

16 Subsidiaries

- 16.1 Dräger and Dräger UK shall procure that their subsidiaries comply with the Dräger Undertakings as if such subsidiaries had given them.

FOR AND ON BEHALF OF Dräger Medical AG & Co. KGaA

Products

Name	Part Number	Supplier
BT8004 WITH X-RAY TRAY AND 15CM WALLS Including: Intergrated thermo monitoring Warming heater with swivel mechanism Foam mattress Day and night work light 10 skin temperature sensors (core) 10 skin temperature sensors (peripheral) 20 adhesive pads Protective grille Adjustable height Front cupboard Safety walls	3208817	Dräger
BT8004 WITH X-RAY TRAY AND 15CM WALLS WITH INTEGRATED PHOTOTHERAPY Including: Intergrated thermo monitoring Warming heater with swivel mechanism Foam mattress Day and night work light 10 skin temperature sensors (core) 10 skin temperature sensors (peripheral) 20 adhesive pads Protective grille Adjustable height Front cupboard Safety walls	3209081	Dräger
BABYTHERM 8010 IC OC WITH 15CM WALLS AND PHOTOTHERAPY Including: Phototherapy Intergrated thermo monitoring Warming heater with smartswivel tm mechanism Heated bed base with gel mattress Day and night work light 10 skin temperature sensors (core) 10 skin temperature sensors (peripheral) 20 adhesive pads Protective grille Adjustable height Front cupboard Inner safety walls Cot tilt	3208485	Dräger
BABYTHERM 8010 IC OC WITH 15CM WALLS Including: Intergrated thermo monitoring Warming heater with swivel mechanism Heated bed base with gel mattress Day and night work light 10 skin temperature sensors (core) 10 skin temperature sensors (peripheral) 20 adhesive pads Protective grille Adjustable height Front cupboard Inner safety walls	3208482	Dräger
BABYTHERM 8010 IC OC WITH 23CM WALLS AND PHOTOTHERAPY Including: Phototherapy Intergrated thermo monitoring Warming heater with swivel mechanism	3208480	Dräger

Heated bed base with gel mattress
 Day and night work light
 10 skin temperature sensors (core)
 10 skin temperature sensors (peripheral)
 20 adhesive pads
 Protective grille
 Adjustable height
 Front cupboard
 Safety walls
 Cot tilt

BABYTHERM 8010 IC OC WITH 23CM WALLS

3208481

Dräger

Including:

Intergrated thermo monitoring
 Warming heater with swivel mechanism
 Heated bed base with gel mattress
 Day and night work light
 10 skin temperature sensors (core)
 10 skin temperature sensors (peripheral)
 20 adhesive pads
 Protective grille
 Adjustable height
 Front cupboard
 Safety walls
 Cot tilt

**BABYTHERM 8000 COSITHERM, VARIABLE HEIGHT
 CONSISTING OF:**

3208055

Dräger

Bed/mattress/heater and gel mattress
 Variable height
 Inner walls, 7cm set
 Hood
 Cupboard
 Fixing kit
 Side wall, 23cm set

BASIC CALEO CONSITING OF:

3209940

Dräger

Front and rear doors
 6 large handports
 Detachable hood
 Eletronic bed tilt
 Large tubing ports
 Intergrated X-ray tray
 Intergrated 4 socket main box
 Large el display trends and numericals
 Central alarm light
 Variable height
 Storage drawer
 Skin servo
 Core and peripheral temp measurement
 Core and peripheral probe and hydro gel pads

ISOLETTE INCUBATOR C2000

C2000 Isolette Incubator with front and rear access panels, electro-luminescent display on variable height adjustable stand

83 D2A2-10

Air-Shields

C2000 Isolette Incubator with front access panels and a C2000 electro-luminescent display on a fixed height stand

83C 2A1-20

Air-Shields

C2000 Isolette Incubator with front access panels and a C2000 electro-luminescent display on a variable height adjustable stand

83C 2A2-10

Air-Shields

C2000 Isolette Incubator with front and rear access panels, six porthole doors (no iris ports) and a C2000 electro-luminescent display on a variable height adjustable stand

83K 2A2-10

Air-Shields

C2000 Isolette Incubator with front and rear access panels and a C2000 electro-luminescent display on a fixed height stand

83D 2A1-20

Air-Shields

RESUSCITAIRE RADIANT WARMER

Resuscitaire with Standard Resuscitation includes a microprocessor-controlled warming system with built-in Apgar timer, pre-warm, manual and baby servo-controlled modes of

heating. An integrated Resuscitation module includes suction, patient gas supply 0–15 LPM flow control, 0–50cm H₂O adjustable airway pressure relief and manometer, and an auxiliary 0–15 LPM oxygen flow control. Left/right swivelling warmer head, built-in examination light, tilting bassinnet, organizer front and rear panels, pass through storage drawer with organizer tray and swing-out instrument tray complete the unit. All models come with pipe line hoses, disposable 8ml suction collection bottles, re-usable skin temperature probe and user manual and vari-tilt

Resuscitaire with standard resuscitation oxygen only and two oxygen reserve cylinder fittings on a fixed height stand	82A0320CE	Air-Shields
Resuscitaire with standard resuscitation oxygen only and two oxygen reserve cylinder fittings on a variable height adjust version	82A0360CEU	Air-Shields
Resuscitaire with standard resuscitation and integrated precision air oxygen blender and one air and one oxygen reserve cylinder fitting on a fixed height stand	82A0120CE	Air-Shields
Resuscitaire with standard resuscitation and integrated precision air oxygen blender and one air and one oxygen reserve cylinder fitting on a variable height stand	82A0160CEU	Air-Shields
Resuscitaire with standard resuscitation, blender, autobreath ventilator, one air and one oxygen reserve cylinder on a fixed height stand	82A0020CE	Air-Shields
Resuscitaire with standard resuscitation, blender, autobreath ventilator, one air and one oxygen reserve cylinder on a variable height adjustable stand	82A0060CEU	Air-Shields

RESUSCITAIRE WALL-MOUNTED RADIANT WARMER

A wall-mounted micro-processor controlled warming system with built-in digital Apgar timer, automatic pre-warm cycle, manual and baby servo control, a pivoting warmer head (left and right) and built-in examination light. This unit does not have a resuscitation module or bassinnet

8200080CE	Air-Shields
-----------	-------------

RESUSCITAIRE RADIANT WARMER—NO RESUSCITATION

A micro-processor controlled warming system on a variable height adjustable stand. The system incorporates a built-in digital Apgar timer, pre-warm manual and baby servo control modes of heating, vari-tilt, a pivoting warmer head (left and right), built-in examination light, tilting bassinnet, organizer front and rear panels and pass-through storage drawer

82H9960CE	Air-Shields
-----------	-------------

T1500 TRANSPORT INCUBATOR

Features a double wall hood to reduce radiant heat loss, proportional control of air temperature and digital read-out of incubator air and baby temperature. Displays are also provided for battery condition power supply and alarm status. The incubator accepts a wide range of input voltages making it compatible for both ground and air transport. Complete patient access is afforded through the front panel as well as the slide out mattress tray and head door. Supplied with operator manual, mattress and tray, humidity pad, lamp, restraint straps, sealed 12v 24ah lead acid rechargeable battery and temperature probe

6751580CE	Air-Shields
-----------	-------------

T1500 GLOBETROTTER

T1500 Globetrotter—Non-compressor with T1500 Incubator, monitor shelf, Bio Medical Devices MVP-10 Infant Ventilator, Hudson oxygen analyser, blender, variflo controller and facility for one 'E' size oxygen and one air cylinder

6736940 CE	Air-Shields
------------	-------------

T1500 Globetrotter without monitor—With compressor and T1500 Incubator, monitor shelf, Stephan F120 Ventilator, disconnect alarm, oxygen analyser, compressor, variflo controller and facility for two 'E' size oxygen cylinders (230V)

6736941 CE	Air-Shields
------------	-------------

TI500 Globetrotter with patient monitor—ECG, RESP, SpO2- With compressor and TI500 Incubator, monitor shelf, Stephan F120 Ventilator, mobile Atmos Suction Pump, disconnect alarm, oxygen analyser, compressor, variflo controller and facility for two 'E' size oxygen cylinders (230V)	6739941-WM	Air-Shields
--	------------	-------------

VERSALET INCUBATOR

Includes: User/ Service manuals, 1 reusable temperature
probe, dual drawers and variable height stand
