

CastExpo and the Cast in North America exhibit is returning to the Heartland. Sponsored solely by the American Foundry Society, CastExpo'13 will be the world's premier metalcasting exposition for 2013. I would like to invite you to take part in the unparalleled excitement and energy of this event by securing your exhibit space in Cast in North America today.

To be held April 6-9, CastExpo'13 will bring the metalcasting supply chain together for four days of tremendous opportunity. From the Exposition and Metalcasting Congress to the Theater and Cast in North America Pavilion on the show floor, this event is a must-attend for metalcasters, casting buyers and designers, and your opportunity to showcase your capabilities to your customers. Cast in North America was developed as a part of CastExpo to not only provide metalcasters a unique exhibiting opportunity but a place for buyers and designers to secure new suppliers.

To make exhibiting easy, we are offering a special turn-key booth package for the Cast in North America Pavilion. Each 10' x 10' booth purchased will include: pipe & drape, carpeting, 6' skirted table, two chairs, wastebasket and identification sign. Also you will receive two complimentary full Congress registrations including the Proceedings on CD; a listing on the official website including a link to your company's homepage; inclusion in the Official Program Guide with a profile of your company's services and a post show registered attendance file.

All applications received by April 24, 2012 will be considered during first space assignments. The location of your booth can be critical to a successful exhibit. The date your application and deposit are received may be a determining factor in securing your selection should duplicate requests be received for the same location. First space assignments will be revealed in early May. All applications received after the April 24<sup>th</sup> deadline for first assignments will then be assigned on a first-come, first-served basis.

We look forward to your participation. Make your plans now for the America's Center in St. Louis and send in your application today.

Sincerely,

# CAST IN NORTH AMERICA PAVILION RULES AND REGULATIONS

All Exhibitors in the Cast in North America Pavilion at CastExpo'13 are required to contract for space and subscribe to the following Official Rules & Regulations as developed by Show Management.

## EXHIBITOR QUALIFICATIONS

To exhibit in the Cast in North America Pavilion at CastExpo'13, firms must be based in North America and either: 1) sell and/or manufacture cast metal components produced in North America or 2) provide casting design, rapid prototyping or other casting development related services to OEMs and other end-users. **Only one company may exhibit in a single booth.**

## ASSIGNMENT AND PAYMENT OF SPACE

All booths within the Cast in North America Pavilion will be \$2,800 per 10' x 10' foot space. The discounted price for AFS Corporate Members in good standing is \$2,000 per 10' x 10'. A \$1,000 (U.S. dollars or equivalent) non-refundable deposit must accompany application to be considered for space assignment.

Space assignments must be accepted within 30 days of receipt of invoice, with payments to be made as follows: Fifty percent (50%) of the space cost, less the \$1,000 deposit, due within 30 days after receipt of space assignment and invoice. Final payment due on or before January 4, 2013. Failure to make timely payments can result in cancellation of space.

Multiple booths may be purchased if maintaining an inline configuration; end caps will not be permitted to ensure good sight lines for all exhibitors.

Show management will provide a standard 8' draped backwall with 4' high side rails, carpeting, one 6' table, two chairs, waste basket and identification sign. Additional furniture, electric and other services may be provided at the expense of the exhibitor.

Booth assignments will be at the discretion of show management, based on date of application and payment receipt along with any location request. Show management reserves the right to reassign booth space and/or alter the floor plan based on the overall good of the show.

## CANCELLATION OF EXHIBIT SPACE-REFUND

In the event of exhibit space cancellation, a 50% refund can be made, providing the cancellation is received in writing by November 1, 2012. **After this date, all payments are non refundable and may not be applied to other services.**

## EXHIBITORS' USE OF SPACE

In compliance with the official contract, Exhibitors agree not to assign, sublet or apportion space, or any part thereof allotted to them. **They agree not to exhibit, advertise or offer for sale goods other than those manufactured in North America.**

A verbal warning by Show Management will be given once to any Exhibitor violating this rule. If the violation continues, Show Management reserves the right to confiscate the objectionable material/item for the remainder of the Show days, or to authorize the removal of the exhibit booth from the Exhibit area at the cost of the Exhibiting company, including forfeiture of all charges and fees.

## USE OF AISLES

The aisles, passageways and overhead spaces remain strictly under the control of CastExpo. No signs, decorations, banners, advertising matter or special exhibits will be permitted in the aisles. Uniformed attendants, models, mascots and other employees must remain in the booth occupied by their employers. All advertising distribution must be made from the Exhibitor's booth space and space must be left within an exhibitor's area to accommodate spectators.

## HEIGHT LIMITATIONS

Exhibits shall be arranged as not to obstruct the general view or hide other exhibits.

The standard In-Line booth height is an 8' high back wall with 4' high division rails. No exhibit construction and/or signage may exceed the maximum 8' overall height. Sidewalls on standard In-Line booths are limited to the 8' height, out to one half the depth of the exhibit space, and from that point to the aisle a maximum height of 4' is permitted.

All exposed parts of Exhibits must be finished so as not to present an unsightly appearance when viewing from adjoining booths or aisles. Show Management may order masking drape at Exhibitor's expense if deemed necessary.

## INSTALLATION AND DISMANTLING

All Exhibits must be completed, manned and ready for business by 8 a.m., Saturday, April 6. No Exhibits shall be dismantled prior to 2 p.m., Tuesday, April 9. No crates will be delivered to Exhibitor booths prior to that hour.

Exhibitors shall be governed by the following periods for installation and dismantling of Exhibits:

**Dismantle:** Tuesday, April 9, 2 p.m. - Wednesday, April 10, 5 p.m.

## FAILURE TO OCCUPY

Any Exhibitor failing to occupy by 4:00 p.m. Friday, April 5 any space contracted for but not cancelled will be obligated for the full cost of the space and is not entitled to any refund or rebate. Show Management shall have the right to use said space to suit its own convenience, including selling the space to another Exhibitor without any refund, rebate allowance to the defaulting Exhibitor and without incurring any obligation of any kind to said defaulting Exhibitor.

## EXHIBITOR'S AUTHORIZED REPRESENTATIVE

Each Exhibitor must name at least one person to be the representative in connection with installation, operation and removal of the exhibit. Such person shall be authorized to enter into service contracts as may be necessary, and for which the Exhibitor shall be responsible.

Exhibitor assumes responsibility for such representative being in attendance throughout all exposition periods: **installation, show days and dismantling.**

Show management disclaims any and all responsibility for Exhibitors booth and/or equipment if the above rule is not adhered to.

## EXHIBITOR SERVICE MANUAL & UNION LABOR CONTRACTORS

All Exhibitors' Services will be available online and on CD to be distributed at the Exhibitors' Meeting. Show Management selects certain firms as Official Contractors for Exhibitor Services, based on proper rates and their ability to meet Exhibitor requirements. The CD will contain names and information pertaining to their services plus order forms for all services. All information from the CD will be posted online after the meeting is held. **Exhibitors planning to use labor provided by a Display House must notify Show Management, in writing, by January 1, 2013. No Exhibitor may permit any act by its employees by reason of which the premises shall in any manner be marred or defaced. Exhibitors must surrender space occupied in the same condition as at the time of occupation. Any damage done to the premises by the Exhibitor shall be made good to either AFS or the building owners, as their interests may appear.

## INSURANCE

All property of an Exhibitor is understood to remain under the Exhibitor's custody and control during transit to and from or within the confines of the Exposition hall and is subject to the rules and regulations of the Exposition. Exhibitors are advised to carry floater insurance to cover Exhibit material against damage and loss, and public liability insurance against injury to the person and property of others.

AFS will carry public liability insurance for injury to Exposition Visitors, Exhibitors, and their agents and employees. **This insurance is not applicable to exhibitors' employees when on space rented by the Exhibitor.**

## PRIZE DRAWINGS/GIVEAWAYS

Exhibitors are allowed to register attendees for prizes and giveaways. **All activity must be within the confines of the Exhibitor's booth.** Crowding of aisles is a safety hazard and Exhibitors may be restricted from doing prize drawings. The American Foundry Society, Inc., hereinafter called the Lessor and the exhibiting company, hereinafter called the Exhibitor, contract for exhibit space at CASTEXPO'13 sponsored by the American Foundry Society Inc. to be held at the America's Center, St. Louis, MO, April 6-9, 2013.

WITNESSETH: That said Lessors, in consideration of the mutual covenants herein set forth, and the faithful performance thereof by the Exhibitor, hereby grants the Exhibitor the right to the use of assigned exhibit space to be equipped by the Lessor, as provided by the Exposition Regulations. **Said premises to be used by the Exhibitor and no other, to wit:** From 8 a.m. Thursday, April 4, 2013 until 5 p.m. Wednesday, April 10, 2013. Goods not removed by this hour will be removed and stored by the Lessor at Exhibitor's own risk and expense.

This agreement is made and entered into upon the following terms and conditions, which are mutually agreed to by both parties:

1. AGREEMENT

Exposition Rules and Regulations shall be and are hereby made a part of this agreement. These Rules and Regulations have been drawn with the single objective of producing a successful Show, both for Exhibitors and the public. The Exhibitor agrees to the terms of this Contract and acknowledges that in emergencies and wherever the foregoing rules do not cover, Show Management reserves the right to have full power in the interpretation and enforcement of all Contract regulations contained herein, and the power to make such amendments thereto, and such further Rules and Regulations as shall be considered necessary for proper conduct of the exhibition.

2. COMPLIANCE

The Exhibitor assumes all responsibility for compliance with all pertinent laws, ordinances, regulations, and codes of duly authorized local, State, and Federal governing bodies concerning fire, safety and health, together with the Rules and Regulations of the operators and/or owners of the property wherein the Exposition is held.

If for any reason Exhibitor does not occupy space contracted for, or fails to comply in any other respect with the terms of this agreement, the Lessor shall have the right, without notice to the Exhibitor, to sell such space or any part thereof and credit the amount received toward any unpaid balance owing on the Exhibitor's contract price.

3. PAYMENT FOR SPACE

The cost of space hereby leased shall be charged at \$2,800 per 10'x10' booth or \$2,000 per 10'x10' booth for American Foundry Society corporate members.

50% of total space cost (less initial \$1,000 required deposit) is to be made within 30 days of notice of booth space assignment and the final 50% is due on or before January 4, 2013.

In the event that the Exhibitor fails to make payment per the terms of the agreement, Lessor may cancel any space assignment at its option and without prior notice to Exhibitor, and Lessor may reassign such space.

**NO REFUNDS WILL BE MADE ON CANCELLATIONS RECEIVED AFTER NOVEMBER 1, 2012. THE \$1,000 INITIAL DEPOSIT IS NOT REFUNDABLE AT ANY TIME.**

Any notice of cancellation or space reduction must be in writing. All payments are non-refundable after November 1, 2012 and may not be applied to other services. Payments due after notice of space reduction is received shall be reduced accordingly, however, all other payments shall remain subject to cancellation policy and show management reserves the right to relocate the exhibitor in the best interest of the show.

4. SPACE ASSIGNMENT

The American Foundry Society, Inc. will make assignments of space guided, insofar as practicable, by expressed requirements and preferences of Exhibitors, but reserves the right to change Official Floor Plans and to assign or reassign Exhibitors for the best interest of the Exposition as a whole.

Exhibit space is assigned based on seniority, exhibit requirements, corporate membership, advertising and date and time contract and deposit are received. No exhibit space will be assigned until deposit is received.

Lessors reserve the right to request modification or relocate or remove any Exhibit that is offensive or objectionable, that does not conform to exhibit specifications without approval, or that in Lessors' sole opinion, detracts from the character of the Exposition. Exhibitor shall make all reasonable changes to the exhibit requested by Lessors at Exhibitor's sole expense.

5. DAMAGE, LOSS OR THEFT

The American Foundry Society, Inc. shall not be liable for loss or damage to property of the Exhibitor, their agents or employees by theft, fire, accident or other cause. Exhibitor further indemnifies and holds harmless the Lessors, their agents and representative for any damage or injury to persons or property from any cause by reason of use or occupancy of exhibit space or participation in CastExpo.

6. SHOW CONTRACTORS

In all cases where an official contractor or contractors have been designated by the Show Management to perform services for the Exhibitors, and the Exhibitor desires to contract for said services with any other contractor, Exhibitor must advise the Show Management 60 days in advance of the installation in writing, and secure written permission for said contractor to work in the exhibit hall. Show Management will control all contractors. Insurance forms provided by display builder must accompany this request.

7. CANCELLATION

Should the Exposition be canceled due to events beyond the control of the Lessor, including but not limited to acts of God, war, labor strikes, governmental emergency, destruction of exhibit facility, terrorist attacks in the city which the event is located, or curtailment of transportation either in the city or in the countries/states of origin of the attendees, which prevents at least 40% of the attendees from arriving for the first scheduled day of the event, make it impracticable, illegal, or impossible to perform as originally contracted under this Agreement, the Lessor may terminate this Agreement, without liability, except to refund monies received less a pro rata share of Exposition expenses incurred, upon written notice.
