30" Shed Extension Kit w/ Two Windows

MODEL #6425

ASSEMBLY
INSTRUCTIONS AND
OWNER'S MANUAL

Save this instruction in the event that the manufacturer has to be contacted for replacement parts.

INSTRUCTION #1016066

****A MINIMUM OF TWO ADULTS ARE REQUIRED FOR ASSEMBLY****

BEFORE BEGINNING ASSEMBLY

Identify and inventory all parts using the checklist boxes on the Parts List. Keep the hardware bags and their contents separate. If any parts are missing, call our Customer Service Department.

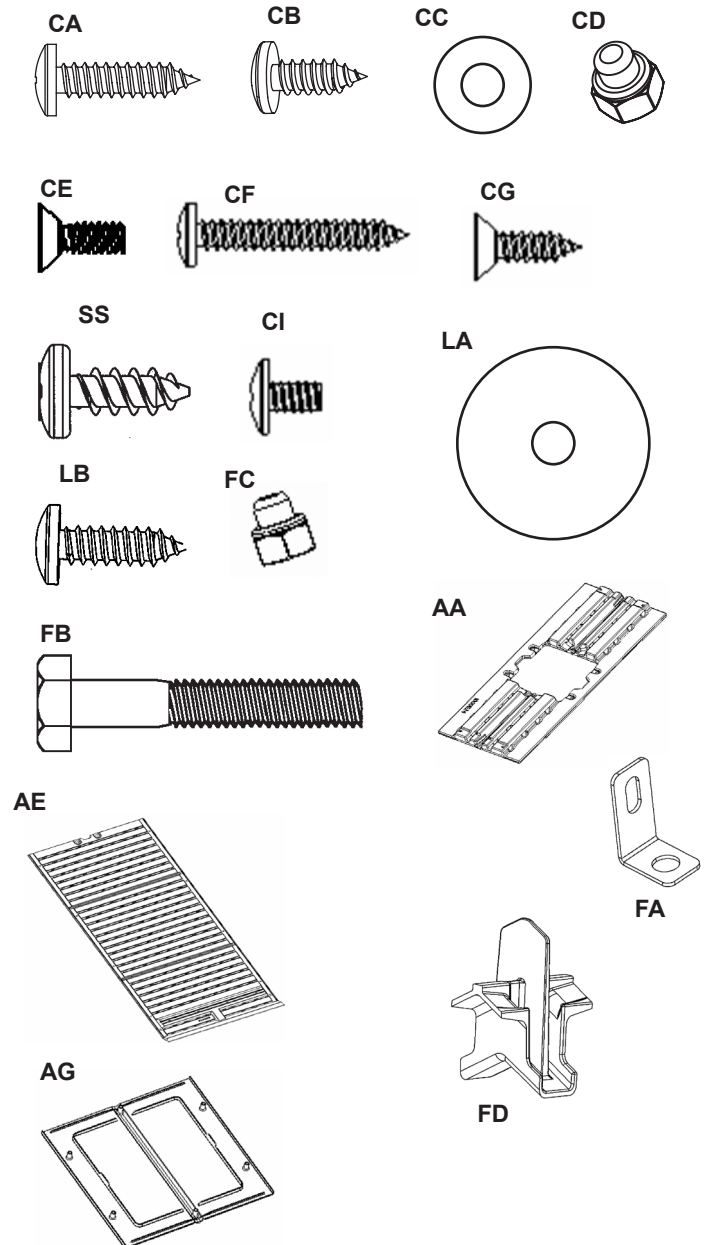

SAFETY INSTRUCTIONS

Failure to follow these safety instructions may result in serious injury or property damage. Proper and complete assembly, use and supervision is essential for proper operation and to reduce the risk of accident or injury. A high probability of serious injury exists if this display is not installed, maintained, or operated properly. • If using a ladder during assembly, use extreme caution. Follow all warnings and cautions on the ladder carefully. • 2 people are required for assembly. • Misuse could result in system failure. • If technical assistance is required, contact the manufacturer.
Most injuries are caused by misuse and/or failure to follow instructions.

If you are Extending an Existing Shed

1. To obtain instructions for extending a shed that has previously been assembled, contact our Customer Service Department. If you have not yet assembled your shed, use the instructions on the following pages.

**To extend a previously assembled shed,
Call Customer Service for Instructions:**

1 (800) 225-3865

Add Extension Kit During Shed Assembly

1. Check contents of boxes and compare to parts listed on the Parts List.
2. Follow instructions that came with your shed, but when you come to the following sections of your Owner's Manual assemble the additional floor, wall, window and truss parts that are included in this kit.

Site Selection

- a. Add 30" to the site or platform length. (width will remain the same). This may require the use of additional lumber or other materials.

Assemble Floor

- a. Follow Owner's Manual instructions to install the additional Inner Floor Panels (AE) included in this kit, along with those that came with your shed.

Assemble Wall (Right or Left)

- a. Add the two Window Wall Panels (AH) from this kit to both sides of the shed. Remember that Window Wall Panels can be inserted into any position on either side of the shed.

Assemble Windows

- a. Follow Owner's Manual instructions to assemble the windows in the Window Wall Panels included in this kit, along with those that came with your shed.

Assemble Truss Frames

- a. Follow Owner's Manual instructions to assemble the Truss Frames included in this kit, along with those that came with your shed.

Install Truss Assemblies

- a. Follow Owner's Manual instructions to install the Truss Frames included in this kit, along with those that came with your shed.

Install Center Roof Sections

- a. Follow Owner's Manual instructions to install the additional Inner Roof Panels, Roof Caps and Skylights included in this kit, along with those that came with your shed.
