# **Frequently Asked Questions**

#### > WHAT FURNISHINGS ARE PROVIDED WITH MY BOOTH SPACE?

Each event is different. Please see the Event Information page 4, which will specifically list what items, if any, will be included in the booth space

#### **WHAT IF THE BOOTH DOES NOT INCLUDE ITEMS I NEED?**

Items that are provided as part of your booth package have no trade-in value. If you need an item that is not listed with the booth equipment, you must order that item separately at the published rate.

#### **HOW DO I PLACE MY ORDER?**

- Online Ordering Fax in your order with the Credit Card Authorization form to:
  972.271.7888 Attn: Exhibitor Services

Mail in your order forms and full payment to:
 Superior Expo Services
 3366 Miller Park South
 Garland, TX 75042

Orders will not be processed without full payment. Please review our Payment Policies for detailed information. Don't forget to keep a copy of your order for your records. For orders going to other "official suppliers" (i.e. Electrical, Internet, Telephone, Audio Visual, etc.) please follow the payment and mailing instructions indicated on each of the forms located in this manual.

#### WHAT IS THE CANCELLATION POLICY FOR REFUNDS ON FURNISHINGS?

Items cancelled prior to **Thursday, August 29, 2013** will be refunded at 100%. Items cancelled after Friday, August 30, 2013, and prior to delivery will be refunded at 50%. Items cancelled on show site or after delivery are **non-refundable** and billed at 100%. Exceptions to this policy are Luxury Furniture, Graphics and Display Rentals. If these items are cancelled after **Friday, August 30, 2013** they will be billed at 100%.

#### DO I HAVE TO PAY IN ADVANCE FOR SERVICES OR CAN I BRING A CHECK TO THE SHOW?

Full payment must be received for services requested before the order will be processed. If you choose to pay by check, a credit card is still required to be on file.

#### WHAT ARE MY OPTIONS FOR INBOUND SHIPPING?

**Option one: Advance shipping** is sending your materials, up to 30 days prior to the event, to a designated warehouse which will store your freight and then deliver it directly to your booth space during **SES** move in. The advantage of sending your freight in advance is knowing it has arrived and will be delivered to your booth prior to your arrival. **Option two: Direct shipping** is sending your materials directly to show site during the designated move in times. There is some risk with direct shipping because it does not allow for errors by your inbound carrier. If there is a problem and your carrier does not arrive on time, there may not be enough time to resend your materials.

#### WHAT IS THE DIFFERENCE BETWEEN MATERIAL HANDLING & SHIPPING?

- Material handling includes receiving, unloading your exhibit materials, storage for up to 30 days at the advance shipping location, delivery to your booth, handling of empty containers (removal from booth, stored, then returned to the booth at the close of the event) and removal of the material from your exhibit booth for reloading onto outbound carriers. This charge does not include the cost of shipping.
- Shipping is the means by which shipments are transported via carriers to and from the event location.

#### **WHO IS THE PREFERRED CARRIER?**

**UPS Freight** is the preferred carrier for this show. **UPS Freight** offers a convenient, hassle free shipping service. If you would like to arrange for shipping or receive a quote from **UPS Freight** please call 800-988-9889 option 1 or e-mail to tradeshow@upsfreight.com

#### WHAT IS A BILL OF LADING?

A Bill of Lading is a type of document that is used to acknowledge the receipt of a shipment of goods. In addition to acknowledging the receipt of goods, a Bill of Lading indicates the particular vessel on which the goods have been placed, their intended destination, and the terms for transporting the shipment to its final destination. A Bill of Lading is mandatory for **SES** to release your materials to your specified carrier at the close of the event.

#### WHAT ARE MY CHOICES FOR SHIPPING OUT AT THE CLOSE OF THE SHOW?

You may use any carrier of your choice, however we suggest you use the preferred carrier, **UPS Freight**. It is your responsibility to contact and make all arrangements for any carrier other than the preferred carrier. **SES** cannot guarantee that other carriers will show up to pick up your shipment. We do not provide outside carrier shipping documents and/or labels.

#### **WHAT ARE THE MOVE OUT PROCEDURES?**

A SES Bill of Lading is required on ALL outbound shipments. The Bill of Lading is available at the service desk. After your booth is packed, labeled and ready to be shipped please return the completed Bill of Lading form to the service desk. If you are not using UPS Freight, our preferred carrier, you must call your designated carrier with pick up information. If your carrier fails to show up, your shipment will be re-directed through UPS Freight and the discount rate will not apply. A SES representative will be available at show site for further questions.

#### **HOW DO I OBTAIN A COPY OF MY FINAL INVOICE?**

To obtain a final invoice, usually available one week after the event closes, contact our Exhibitor Service Department at **972.271.7444.** 

# **Credit Card Authorization**

Full payment must be received for services requested before the order will be processed.

If you choose to pay by check, a credit card is still required to be on file.

ST/OT or OT/ST: If freight will be handled one way on straight time and one way on overtime, either into the event or out of the

• OT/OT: If freight will be handled on overtime into the event and out of the event.

Overtime charges are assessed when SES has been granted access to the facility during overtime, per the contractual agreement between Show Management and the facility. This includes warehouse shipments.

## **HOW DO I CALCULATE MY MATERIAL HANDLING CHARGES?**

Charges will be based on the weight of your inbound shipment. Each shipment received is considered separate. The shipment weight will be rounded up to the next 100 lbs.. Each 100 lbs. is considered one **cwt** (hundred weight). There is a 200 lbs. minimum charge for each shipment. Please refer to the Material Handling Rate Sheet for event prices.

**Calculate Total CWT** (Enter in increments of 100 lbs. only; make sure to round up to the next 100.)

Example Below is based on the published rate:

**350** lbs. (rounded to the next 100) divided by 100 =\_4 Total CWT

CWT x \$49.00= Material Handling Charge \$196.00

#### WHAT IS THE MOST COST EFFECTIVE WAY TO SEND SHIPMENTS?

The most cost effective way to send your shipment is to consolidate and shrink wrap your shipments into one. If your shipment is broken-up and delivered in multiple shipments, you will be charged per shipment. Please advise your carrier to deliver as one (1) shipment. Below is an example for an advance to warehouse shipment using the published rate: **\$49.00** 

#### If you send 4 Separate Shipments:

1st Shipment @ 41 lbs. = \$98.00 (200 lbs. minimum)

2nd Shipment @ 44 lbs. = \$98.00 (200 lbs. minimum)

3rd Shipment @ 52 lbs. = \$98.00 (200 lbs. minimum)

4th Shipment @ 60 lbs. = \$98.00 (200 lbs. minimum)

#### **If you send 1 Consolidated Shipment:**

1 shipment (4 pieces) @ 197 lbs. (200 lbs. minimum)

197 lbs. charged @ \$98.00

#### **Material Handling Rates**

#### **Material Handling Charges Include:**
