Valley Tool & Manufacturing Limited 12 Month Warranty

For a period of 12 months from date of delivery of product to the original user/owner, Valley Tool & Mfg. warrants each product to be free from manufacturing defects, subject to the limitations contained in this policy.

This warranty does not apply to defect caused, in whole or in part, by unreasonable use while in the possession of the user, including, but not limited to: failure to properly set up product; failure to provide reasonable and necessary maintenance; normal wear; routine tune ups or adjustments; improper handling or accidents; operation at speed or load conditions contrary to published specification; improper or insufficient lubrication; improper storage. This warranty is also not a guarantee that the performance of each product will meet the expectations of the purchaser.

Valley Tool & Mfg. shall not be liable for consequential damages of any kind, including, but not limited to: consequential labor costs or transportation charges in connection with the replacement or repair of defective parts; lost time or expense which may have accrued because of said defects. In no event shall Valley Tool & Mfg. total liability hereunder exceed the product purchase price.

Valley Tool & Mfg. makes no warranty with respect to trade accessories or any components or accessory of the product which was not manufactured by Valley Tool & Mfg., including any purchased components of any kind. These are subject to the warranties of their respective manufacturers. The warranty will be considered void if the product or any part of the product is modified or repaired in any way not expressly authorized by Valley Tool & Mfg., or if closed components are disassembled prior to return. Closed components include, but are not limited to: gearboxes, hydraulic pumps, motors, cylinders, and actuators.

Our obligation under the warranty is expressly limited, at our option, to the replacement or repair at Valley Tool & Mfg., of Hughson CA, or at a service facility designated by us, or such part or parts as inspection shall disclose to have been defective. We are not responsible for unauthorized repairs or replacements. Warranty must be pre approved. Authorized parts will be sent to dealer 2nd day UPS at no charge. Any implied or statutory warranties, including any warranty merchantability or fitness for a particular purpose, are expressly limited to the duration of this written warranty. We make no other express or implied warranty, nor is anyone authorized to make any on our behalf. This warranty cannot be extended, broadened, or changed except in writing by an authorized officer of Valley Tool & Mfg.

Travel time of mechanics and transportation of the product to the authorized service dealer for warranty work are the responsibility of the attachment owner.
