10 sec zap of emotions	10 sec treatment	Test>Programs>NLP Emotional Growth>Mental Factors and Emotional Chart
10 sec zap of neurotransmitters	10 sec treatment	Test>Programs>NLP Emotional Growth>Emotional and Biological Flow
20 sec Rx of item below	Treats item typed in homeopathy box	Test>Programs>Reflexology
20 sec Rx of items below	Energetic treatment of a previously selected item.	Programs>cranialsacral/Reflexology/Anima l>Animal Reactions>General tab
30 sec zap	Zaps item 30 secs	Test>Individual Reaction
3D Body Viewer Activate	Program access/activates bodyviewer facility for SCIO	Test>-SCIO
3D Bodyviewer deactivate	Deactivates bodyviewer facility on SCIO	Test>-SCIO
5 min blood pressure stabilization	Therapy for 5 mins	Test>Programs>EEG ECG Freq>ECG Fast Fourier Transform
Abdominal	Biofeedback therapy	Biofeedback>Additional
About	Opens about panel, prayer..	Main Screen
About the Software	About.. screen/ Access to prayer program	Test>Information
Accension Stimulation	Initiates a 2 min therapy	Test>Programs>NLP Emotional Growth
Access Biorythms	Accesses Biorythms facility: see Biorthyms	Main Screen> Demographics> Demographics drop down
Access Dosage Scan	Will indicate dosage regime as or variation on the listing at panel bottom	Enter name, select a delivery method, and then start Px unconscious interface
Access Nelson's Impairment Book	Opens wordpad text	Demographics>Report Set Up Drop down
Access orthopaedic reports	Opens orhtopaedic reports window	Programs>Spinal and Sarcodes
Access red panel with vital signs	Returns the red panel that displays during calibration	Test>Order of Remedies

Item	Function	Route
Access Reports and texts	Opens orthopaedic reports and others	Programs>Nutrition and homeopathy
Access scan for potency	Opens potency window	Programs>Homeopathic activation
Access Varhope screen	Shows graphical analysis	Test>Programs>NLP Emotional Growth>Programs
Accuracy	This is a redundant attempt and can be safely ignored.	Risk profile>select a name>click virtual doctor test
Activate Virtual	Activate Virtual for subspace/radionic treatment	Programs>Homeopathic activation
Activate 7 minute electrohypnosis	Main function. Runs suggestion for 7 mins	Test>programs>electrohypnosis
Activate All	Activate All- Tray, harness and Virtual	Programs>Homeopathic activation
Activate All (outputs)	Activates virtual, test tray, harness NOT Point probe	Test>Order of Remedies
Activate all, tray, harness, subspace	Choose mode of energetic delivery	Test>programs>therapy
Activate CD	Activate CD	Test>Programs>Voice tests
Activate frequency modulation program	Opens EEG ECG screen at ECG fat fourrier	Test>programs>therapy
Activate Harness	Activate Harness for patient treatment	Programs>Homeopathic activation
Activate orgone field	Choose type and activate bio-orgone field	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments>ELF Magnetic Field
Activate Positive Consciousness Field	Not sure	Test>Order of Remedies
Activate Q2 Interface Boost	An interface with the Q2/BEFE Footbath system	Test>Order of Remedies
Activate QIF	Activates QIF	Test>Programs>NLP Emotional Growth>Mental Factors and Emotional Chart>Unconscious Reactivity>Click on the atom ++
Activate QXCI device pulse	Set magnetic field and pulse.	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments>ELF Magnetic Field
Activate sound recorder	Opens windows sound recorder to record sound file to save	Test>Programs>Voice tests
Activate Speech Program	Enables the speech aspect present in certain panels.	Test>Information Main>Password
Activate Test Tray	Activates only Test tray	Test>Order of Remedies
Activate Tray Output	Activate Tray Output for remedy making	Programs>Homeopathic activation
Activate virtual	?As virtual test	Test>Order of Remedies
Acu pt rx	Opens reflexology	Test>programs>therapy> Automeridian therapy
Acu symptom profile	Set of questions according to acupuncture on Digestion, Tongue, nails, Pulses, pain etc.	Main Screen> Demographics
Acudiag	Panel of various acupuncture diagnostics	Test>programs>therapy> Automeridian therapy
Acup picture program	Opens acup picture - Correct specific points using displayed diagram	Test>programs>therapy> Automeridian therapy> Acupoint
Acupic	Opens acu pictures panel	Test>programs>therapy
Acupoint	Displays uncorrected points	Test>programs>therapy> Automeridian therapy

Item	Function	Route
Acupoint test and treat	Opens acupoint screen	Test>programs>reference
Acupuncture	Access to Acupuncture info	Opening Screen
Acupuncture	Loads acupuncture	Test > Information > Load Chartmaker Colour Reports
Acupuncture Pictures access	Program Access: for treating specific acupuncture points	Test>Programs Drop Down
Acupuncture Pictures Program	Program Access: for treating specific acupuncture points	Test>Order of Remedies
Acupuncture Points Balance	Treats..	Test>Prog>Unattended Quick therapy
Acupuncture Test + Therapy	Program Access	Test>Programs Drop Down
Add Acu 5 System	Adds Acu 5	Test>Information
Add additional option boxes	Add additional option boxes	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments
Add additional therapy	Add additional therapy	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments
Add additional therapy to treatment	Add further therapies	Test>Programs>Dental>Therapies
Add Allergy Report	Adds Allergy Groups reactivity scores	Test>Information
Add allergy report to report	Pastes allergy data into report	Test>Information>Report>AddInformation
Add Auditory Prayers	Store a sound recording of a prayer	Main screen>about>prayer program
Add Body Fat and Risk Profile	Body fat and Explore Risk Information.	Test>Information
Add cancer scan report	Pastes cancer scan report into report	Test>Information>Report>AddInformation
Add data to hard drive not print file	As 'Diagnosis/Notes not for print'	Test>Information>Report>AddInformation
Add Diagnosis Report	ICD disease classifications for the client	Test>Information
Add Dr information from table	As 'Table On'	Test>Information>Report>AddInformation
Add faculty	Accesses facility to enlist higher dimensional support	Main>Password
Add Homeopathy Report	Homeopathy Information if visited	Test>Information
Add Impairment	Adds information from the impairment etc. options in demographics	Test>Information
Add info report	Adds solutions display/dialogue lines/suggestions to info	Test > Information > Load Chartmaker Colour Reports>Solutions
Add Isode and Nosode Report	Lists whole body reactivity scores for the Homotoxicology isodes (materials) and Isodes (pathogens)	Test>Information
Add item to matrix	Displays edit table to add the name of the new item	Test> Treatments>Stimulate Reaction / Duplicate Remedy
Add Larger Report from Demographics	Adds information from the impairment etc. options in demographics	Test>Information
Add more data to report	Opens screens for body parts missing/dysfunctional, foci etc.	Main Screen> Demographics
Add more patients to subspace treatment	Opens box to type text on far right of screen to type other patients' names in	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments>Drop Down>Phase Rx
Add notes file to report	Add notes file to report	Test>Information>Report>AddInformation

Item	Function	Route
Add Piggy back therapies ?NEW 02-22-05	Opens input screen	Biofeedback>Miscellaneous
Add Prayer to File	Opens pray001.txt to type in your prayers. Then save.	Main screen>about>prayer program
Add remedy to Test Matrix	Accesses facility to import remedy pattern from test tray	Test>Order of Remedies
Add risks to report	Red items will be added.	Programs>Risks Profile
ADD Rx Report	Opens ADDtxt in wordpad (to copy and paste?)	Test>Programs>EEG ECG Freq>Brainwave tab
Add Sarcode Report	Adds sarcodes of concern	Test>Information
ADD screen checkboxes	Checkboxes to answer ICD questions	Test>Programs>EEG ECG Freq>Brainwave tab>ADD
Add SOC to report	Adds SOC table information to INFO	Test>Information
Add suggestions to report	Add suggestions to report	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments>QXCI Interrupt panel
Add suggestions to report	Adds suggestions to info	Test > Information > Load Chartmaker Colour Reports>Solutions
Add super bill Biofeedback	Some typical Charges versus American CPT codes	Test>Information
Add Therapy Report	Information according to auto therapies	Test>Information
Add to Info	Adds data from sarcode box into Info	Test>Programs>Homotoxicology
Add to report	Adds data to patient info	Test>Prog>Unattended Quick therapy
Add to report	Adds data to report	Biorythms> Medical Astrology
Add to report	Sends to info	Programs>Spinal and Sarcodes>NEC
Add top significant items to	Opens Wellness Panel.	Test>Information
Add VINDICATE	Adds information from the impairment etc. options in demographics	Test>Information
Add your own prayers	Opens notepad prayer doc in which to type own prayers	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments>ELF Magnetic Field
Add1	Clears reds progressively	Programs>Risks Profile
Addiction Release and Relaxation training Video	Plays past.mpg	Test>Programs>NLP Emotional Growth>Multimedia
Addiction Release Therapy	Addiction Release Therapy	Biofeedback>biofeedback
Addiction Release, stop addictive behaviours	SCIO interrupt and treatment	Test>Programs>NLP Emotional Growth>Therapies drop down
Additional tests on depression and alcohol	Opens test.txt wordpad doc	Programs > Wellness > Continue
Adipose Dissolve Treatment	To assist movement of fat through cell walls. Lymphatics and diet also	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments
Adipose homework	Appears after Adipose Dissolve Treatment - adipose.txt file	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments
Adipose tissue treatment	Treatment of adipose tissue	Test>Programs>EEG ECG Freq>organ electrical balance
Adjust Calibration	For use if Interface below 85 and to access Geopathic Stress Correction	Main screen > calibration

Item	Function	Route
Adjust Cranial Bones	Biofeedback therapy	Biofeedback>Organ Systems
Adrenal balance	Initates balancing of adrenals	Test>Risk Profile>Homeopathy and nutrition>stress and cortisol
Adrenal dysfunction Stim	Rx of this area	Programs>Spinal and Sarcodes>Timed Therapies
Adrenal Stim	Biofeedback therapy	Biofeedback>Organ Systems
Advanced Help Manual	Opens report screen with advanced help manual button,	Test>HELP
Advice/affirmation	Advice/affirmation	Biorythm>Children Talk
Affirmation	Gives a relevant affirmation	Test>Programs>NLP Emotional Growth>Unconscious reactivity
Affirmation	Opens Affirmation word file	Test > Information > Load Chartmaker Colour Reports>Psychological
Affirmations	Opens word doc	Test>Programs>NLP Emotional Growth>Information drop down
Affirmations for file addition	Opens affirmations txt file	Test>Information>Report>AddInformation
Aggression Release	Display, Movie a1.avi	Biofeedback>Relaxation
Aging	Opens prog	Test>Programs>Timed Treatments, Music, Superlearning
Aging	Displays list of values for a set of given aging parameters	Programs>Aging
Alarm Connection/ use only When an Alarm has occurred	Correct an alarm	Test>Retest
Alcohol or aldehide	homeopathic treatment given	Test>Programs>Homotoxicology
Alcoholism	Opens Alcoholism word file	Test > Information > Load Chartmaker Colour Reports>Psychological
Alcoholism test	Opens document	Programs>Spinal and Sarcodes>orthopaedic reports
Alcoholism Test	Opens word doc	Test>Programs>NLP Emotional Growth>Information drop down
Alien detection pulse	Initiates alien detection pulse	Programs>Aging
All	Displays complete list	Programs>Homeopathic activation> load homeopathic remedy list
Allergy	Biofeedback therapy	Biofeedback>Additional
Allergy	Displays allergies and reactivities in table forms	Test>Prog>Allergy Test and Treatment
Allergy	homeopathic treatment given	Test>Programs>Homotoxicology
Allergy chart	Loads allergy bar chart from spinal	Test > Information > Load Chartmaker Colour Reports>Programs Drop Down
Allergy Chart	Opens Charts	Test>Information
Allergy Chart	Shows the allergies added to the Allergy Info Grid only	Test>Prog>Allergy Test and Treatment
Allergy document	Opens allergy doc in worpad	Test>Prog>Allergy Test and Treatment
Allergy info	Opens allergy doc in worpad	Test>Prog>Allergy Test and Treatment>Allergy therapy
Allergy Info report view	Displays allergy info grid	Test>Prog>Allergy Test and Treatment
Allergy items	Filters potential allergens into table above	Test>Risk Profile>Homeopathy and nutrition>Good Foods
Allergy movie	Opens Allergy Movie	Test>Prog>Allergy Test and Treatment

Item	Function	Route
Allergy notes	Accesses a wordpad document on allergy treatment	Test>Prog>Allergy Test and Treatment
Allergy panel	Opens allergies	Test>programs>therapy
Allergy report	Loads the allergy data into the patient report	Test>Prog>Allergy Test and Treatment
Allergy report	Opens allergy screen (under spinal) – chart	Test>Information>Report> Report access
Allergy Rx	Opens allergy treatment panel	Test>programs>therapy> Automeridian therapy
Allergy Test and Treatment	Program access	Test>Programs Drop Down
Allergy therapy	Opens allergy desensitization screen	Test>Prog>Allergy Test and Treatment
Allersodes	Opens allergy screen	Programs>Spinal and Sarcodes
Allersodes	Produces filter of main test matrix to display only subgroup.	Test>Colour Test Matrix Filter Buttons
Allopathic drug detox	Detoxes allopathic drugs	Test>Programs>Homotoxicology > Phase and Tissue Type >Detox access
Allow change in timeline	Allow change in timeline	Test>Programs>NLP Emotional Growth>Mental Factors and Emotional Chart>Unconscious Reactivity>Click on the atom ++>Time message
Allow change in timeline	Allow change in timeline	Test>Programs>NLP Emotional Growth>Mental Factors and Emotional Chart>Unconscious Reactivity>Click on the atom ++>Prepare communication>Atom
Amalgam dental	homeopathic treatment given	Test>Programs>Homotoxicology
American	Changes units	Programs > Wellness > Continue
American	Changes units of measurement	Demographics>Anthropomorphic measurement
Amino Acid	Produces filter of main test matrix to display only subgroup.	Test>Colour Test Matrix Filter Buttons
Amino acids	Calculates and opens Amino acids	Programs>Risks Profile
Amoeba	homeopathic treatment given	Test>Programs>Homotoxicology
Amount of kg overweight Dr opinion	Input box	Main Screen> Demographics
Amount of negativity input box	Input box	Main Screen> Demographics
Amplify allergen on test tray	Gives a very small amount of the energy of the substance client has shown a problem to probably increases the pharmaceutical effectiveness in test tray	Test>Prog>Allergy Test and Treatment> Allergy therapy
Amplify from matrix	probably increases the pharmaceutical effectiveness in test tray	Test> Treatments>Stimulate Reaction / Duplicate Remedy
Amplify from test tray	probably increases the pharmaceutical effectiveness of substance in test tray	Test> Treatments>Stimulate Reaction / Duplicate Remedy
Amplify Pattern	Use for normal treatments	Programs>Homeopathic activation
Analyse urine	Opens a subscreen to input urine test scores	Test>Prog>Blood analysis
Analysis parts I-IV	Moves to next data entry subscreen	Test>Prog>Blood analysis
Anger and Aggression control 2, for excessive conditions	SCIO interrupt and treatment	Test>Programs>NLP Emotional Growth>Therapies drop down
Anger Control 1, for slight disorders of impulse control	SCIO interrupt and treatment	Test>Programs>NLP Emotional Growth>Therapies drop down

Item	Function	Route
Animal testing	Facility to select Animal type	Main Screen> Demographics
Animate	Animates chart – available if pie chart	Test > Information > Load Chartmaker Colour Reports
Animate	Makes graph rotate continually	Test>Programs>NLP Emotional Growth>Stress Reduction
ANS	Information and Rx facility Balance Function Treatment	Test>Research and Library Reports>Biopictures
Anthro standards	Standard human frame measurements and wieghts	Main Screen> Demographics> Demographics drop down
Anthropomorphic measurement American	Entry table in imperial for fat calculate, results display after calibration	Main Screen> Demographics
Anthropomorphic measurement Metric	Entry table in metric for fat calculate, results display after calibration	Main Screen> Demographics
Anti aging	Opens anti aging screen	Test>Programs>EEG ECG
Anti Aging Agents	Initates anti-aging agents	Programs>Aging
Anti-Aging	Biofeedback therapy	Biofeedback>Additional
Anti-aging	Plays spiral.avi and sound	Test>Programs>NLP Emotional Growth>Therapies drop down
Anti-aging belief therapy	Plays therapeutic video	Programs>Aging
Antiaging therapy	Initiates anti-aging therapy	Programs>Aging
Anti-Inflammation, Allergy Therapy	Anti-Inflammation, Allergy Therapy	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments
Apply radio ablation	Button appears after stabilize heartbeat	Test>Programs>EEG ECG Freq>ECG Fast Fourier Transform
Arm Therapy	Biofeedback therapy	Biofeedback>Organ Systems
Aromatherapy	Calculates and opens Aromatherapy	Programs>Risks Profile
Arteries And Veins	Biofeedback therapy	Biofeedback>Additional
Asbestos	homeopathic treatment given	Test>Programs>Homotoxicology
Ascension Stimulate, accelerate spiritual growth	SCIO interrupt and treatment	Test>Programs>NLP Emotional Growth>Therapies drop down
Ask questions about allergy	Generates a sequence of message box questions and subsequent hints	Test>Prog>Allergy Test and Treatment
Asociation to spinal	Opens spinal screen	Test>Programs>NLP Emotional Growth>Unconscious reactivity
Association to Homotox	Opens homotox screen	Test>Programs>NLP Emotional Growth>Unconscious reactivity
Atom	Opens timetravel	Test>Programs>NLP Emotional Growth>Mental Factors and Emotional Chart>Unconscious Reactivity>Click on the atom ++>Time message
ATP Active Transport	Biofeedback therapy	Biofeedback>Organ Systems
Attempt Short Electrical repair	Performs Short electrical repair	Test>programs>therapy> Automeridian therapy> autotrivector>double click DNA
Attention Deficit Remedy	Biofeedback therapy	Biofeedback>Organ Systems
Attention deficit, brain fatigue, LEAP	Click to display the standard ICD9 dialogue for ADD	Test>Programs>EEG ECG Freq>Brainwave tab
Audio Test	Program Access	Test>Programs Drop Down

Item	Function	Route
Audio Visuals (pregnancy)	Shows after test if pregnancy data entered in demographics	Test
Auditory Callosum Repair	Biofeedback therapy	Biofeedback>Organ Systems
Auditory Callosum repair Burst	Displays eyestim1 and plays sound file	Test>Programs>NLP Emotional Growth>Multimedia
Aura Scan>Scan All	Indicate energetic foci	Test>Programs>Body Scan & Face Therapy
Aura Scan>Scan All	Treat Foci Shows continue till red and purple are minimal in all views	Test>Programs>Body Scan & Face Therapy
Aura Scan>Scan All	Retest	Test>Programs>Body Scan & Face Therapy
Aura Scan>Scan All	Scan all again	Test>Programs>Body Scan & Face Therapy
Aura Scan>Scan All	Screen Messages	Test>Programs>Body Scan & Face Therapy
Auryvedic	Produces filter of main test matrix to display only subgroup.	Test>Colour Test Matrix Filter Buttons
Auscult Cardiogram	Program Access	Test>Programs Drop Down
Auscult cardiogram	Tests babies heart using attachment	Test>Programs>Auscultcardiogram>Recording>Baby
Autism + Dyslexia Repair	Biofeedback therapy	Biofeedback>Additional
Auto Aggressive Disorders	Biofeedback therapy	Biofeedback>Organ Systems
Auto Freq Balance	Treats..	Test>Prog>Unattended Quick therapy
Auto Trivector	Treats..	Test>Prog>Unattended Quick therapy
Auto VARHOPE	Treats..	Test>Prog>Unattended Quick therapy
Auto Zap all top Pathogens (12min)	Treats the top 12 items (3from each group) from virus, worms, bacteria, fungus for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Allergy relief	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Ameoba	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Auto Aggressive dysfunction	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Candidas	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Cavities	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Celllite	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Chronic Fatigue Virus	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap CoQ10	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Cranial Bones	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Dental Disease	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Emotions	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode

Item	Function	Route
Auto Zap Flu virus	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Food Poisoning	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap From Filter	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Gingivitis	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Hepatitis	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Herpes	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Infection general 3 mins	Auto Zap Infection general 3 mins	Test>Auto Focus Zap Mode
Auto Zap Kidney Stones	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Lactose intolerance	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Liquefy Cholesterol	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Miasms	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Prions	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Psych Disorders	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Pyrogenium (food poisoning)	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Sex transmitted disease	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Solvents	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap top Bacteria (5min)	Treats the top items from bacteria for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap top Fungus (5min)	Treats the top items from fungus for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap top Virus (5min)	Treats the top items from virus for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap top worms (5min) Auto	Treats the top items from worms for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Vaccines	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Auto Zap Various Enzyme Intolerance	Treats the top items from group for 1 minute each	Test>Auto Focus Zap Mode
Autocolour	Opens autocolour panel	Test>programs>therapy
Autofocus emphasis SCIO	Use to start and stop AFE therapy	Test>-SCIO
Autofreq	Detects and treats organs and polarity disturbances of the patient – brings up autrife screen	Test>programs>therapy
Automeridian therapy/allergy	Opens electroacupuncture screen	Test>programs>therapy
Autotrivector	Opens autotrivector panel	Test>programs>therapy
AutoVarhope	Electrical repair of any energetic terrain disturbance	Test>programs>therap

Item	Function	Route
Ayurvedic	Lists ayurvedic reactivities, symptoms and treatments	<i>Test > Information > Load Chartmaker Colour Reports</i>
Babylon Pro access internet access	Opens www.babylon.com to download translation software	Test>Help
Babylon Pro Install	Runs Babylon pro install	Test>Help
Bach	Filters bach flower essences in table	Programs>Homeopathic activation> load homeopathic remedy list
BACH FLOWERS	Produces filter of main test matrix to display only subgroup.	Test>Colour Test Matrix Filter Buttons
Back to main page	At end of test, returns to start	Programs > Wellness TEST
Bacteria	homeopathic treatment given	Test>Programs>Homotoxicology
BACTERIA	Produces filter of main test matrix to display only subgroup.	Test>Colour Test Matrix Filter Buttons
Bad Behavior In Children	Graphicon	Biofeedback>Relaxation
Bad Behaviour in Children	Bad Behaviour in Children	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments
Balance life force	Treatment	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments>Drop Down>Additional
Balance muscle Rx	Balance muscle Rx	Test>Programs>Dental>Therapies
Balance Unconscious With Conscious	Display, Movie silver.mpg	Biofeedback>Relaxation
Basic homeopathy from test scan	Displays homeopathy reactivities	Programs>Nutrition and homeopathy
Battery Save Option	Disconnects power when running on batteries to save power.	Main>Password
Beauty shop toxins	homeopathic treatment given	Test>Programs>Homotoxicology
Best biophysical similar	Highlights Best biophysical similar in white	Test>Risk Profile>Homeopathy and nutrition>Basic homeopathy from test scan
Best mental emotional similar	Highlights Best mental emotional similar in blue	Test>Risk Profile>Homeopathy and nutrition>Basic homeopathy from test scan
Bi Face Hemispheric Program	Program Access	Test>Programs Drop Down
Bicom Like	Treats..	Test>Prog>Unattended Quick therapy
Biface	Opens Biface window	Calibration
Biochemicals	Filters biochemicals in table	Programs>Homeopathic activation> load homeopathic remedy list
Biofeedback	Opens biofeedback	Main Screen Test>Programs Drop Down
Biofeedback Report	Opens a notepad facility to type in notes	Biofeedback>Miscellaneous
Bio-Pictures	Opens Biopictures	Test>Research and (Library) Reports
Biorhythms	Opens biorhythms screen	Programs>Spinal and Sarcodes
Biorythm Treat Concern	Treats Biorythm concern	Biorythms> Treat Biorythm Concern
Biorythms	Takes to Biorythm screen	Test>Information
Biorythm partner Compatibility	Calculates various compatibility factors	Biorythms> multiple clicks on atom>Data entry>Calculate Compatibility
Biorythms basic	Calculates and displays today's Biorythms	Biorythms>Start
Bioterrain results	Displays results graphic	Test>Programs>Homotoxicology
BioWarfare	Produces filter of main test matrix to display only subgroup.	Test>Colour Test Matrix Filter Buttons

Item	Function	Route
Bipolar Depression	Biofeedback therapy	Biofeedback>Organ Systems
Bipolar Depression, stabilize unbalanced chemistry	SCIO interrupt and treatment	Test>Programs>NLP Emotional Growth>Therapies drop down
Birth time and place	Displays birth time and place window	Patient data > Birth Time and Place
Bi-Visual System Stimulate 1	Biofeedback therapy	Biofeedback>EYE Programs
Bi-Visual System Stimulate 2	Biofeedback therapy	Biofeedback>EYE Programs
Bi-Visual System Stimulate 3	Biofeedback therapy	Biofeedback>EYE Programs
Bi-Visual System Stimulate 4	Biofeedback therapy	Biofeedback>EYE Programs
BLOOD	Produces filter of main test matrix to display only subgroup.	Test>Colour Test Matrix Filter Buttons
Blood analysis	Accesses Blood Analysis program: see Blood Analysis Chapter.	Main Screen> Demographics> Demographics drop down Test>Programs Drop Down
Blood Balancing	Treats..	Test>Prog>Unattended Quick therapy
Blood Pressure and water control	Information and Rx facility Balance Function Treatment	Test>Research and Library Reports>Biopictures

Blood pressure right leg	Input number by typing or up/down arrows	Programs > Wellness
Blood pressure right leg standing	Input number by typing or up/down arrows	Programs > Wellness
Blood pressure stabilization	Biofeedback therapy	Biofeedback>Additional
Blood Pressure stabilization via emotions	SCIO interrupt and treatment	Test>Programs>NLP Emotional Growth>Therapies drop down
Blood reactivity	Displays list of reactivity score s for certain test matrix items	Test>Prog>Blood analysis
Blood Sugar Disorders	Unravels in stages to give options for Insulin quantity and quality stim, diabetes virus	Test>Programs>Timed Treatments, Music, Superlearning>Timed Treatments
Blood text	Opens wordpad to display information	Test>Prog>Dark field
Blood treatments	Opens blood treatment screen	Test>Prog>Dark field
Blood type	Select type using option boxes and blood type nutrition button is displayed. On click opens diagnostic notebook with nutritional suggestions on page 4.	Test>Prog>Blood analysis
Body and face scan	Opens body and face	Test>programs>body and face scan
Body Electric Stress Parameters	Body parameters	Main screen > calibration
Body Scan & Face Therapy	Accesses Skin Rejuvenation and Aura Programs.	Test>Programs>Body Scan & Face Therapy
Body Scan And Face Therapy	Program Access	Test>Programs Drop Down
Body To Soul Connection	Body To Soul Connection	Biofeedback>biofeedback
Bone Stim	Rx of this area	Programs>Spinal and Sarcodes>Timed

Item	Function	Route
		Therapies
Bones	Produces filter of main test matrix to display only subgroup.	Test>Colour Test Matrix Filter Buttons
Bones	Specialist Bones Sarcode treatment panel	Programs>Spinal and Sarcodes
Both	Opens new window with all 3 views displayed	Calibration> Biface
Bowel Flora Balance	Bowel Flora Balance	Biofeedback>biofeedback
Brain Introspection	Biofeedback therapy	Biofeedback>Organ Systems
Brain scan	Opens brain scan for nutrition	Test>Programs>NLP Emotional Growth
Brain scan for nutrition	Scans brain and gives reactivity, diagnosis and nutrition hints	Test>Programs>NLP Emotional Growth>Brain Scan
Brain Stim	Rx of this area	Programs>Spinal and Sarcodes>Timed Therapies
Brain Wave balance	Treats..	Test>Prog>Unattended Quick therapy
Brain wave tune for emotional stress	Brain wave tune for emotional stress. Click if yellow panel appears until ok Or double click to remove	Test>Programs>EEG ECG Freq>Brainwave tab
Breathing (ventilation)	Information and Rx facility Balance Function Treatment	Test>Research and Library Reports>Biopictures
Bubbles	Bubbles	Biofeedback
Bubbles	Display, Movie 2bubbles.avi	Biofeedback>Relaxation
Bubbles or Mask Release	Displays 2bubbles	Test>Programs>NLP Emotional Growth>Multimedia
Build up Self Image, release negativity	SCIO interrupt and treatment	Test>Programs>NLP Emotional Growth>Therapies drop down
By value/number	Toggles between these two ways of ordering matrix items	Programs>Risks Profile
Caffeine/stimulants	homeopathic treatment given	Test>Programs>Homotoxicology
Calcium in Tissues	Treatment of Calcium in Tissues	Programs>Aging
Calculate	Calculate body fat. The answer will show on the referrals panel after calibration and on the info grid.	Demographics>Anthropomorphic measurement
Calculate	Opens solutions and suggestions based on responses	Test > Information > Load Chartmaker Colour Reports>Solutions
Calculate blood	Opens 'diagnostic notebook'	Test>Prog>Blood analysis
Calculate urine	Opens diagnostic notebook	Test>Prog>Blood analysis
Calculate wellness	Calculates wellness	Programs > Wellness > Continue
Calibrate	Program Access	Test>Programs Drop Down
Calibration	Calibrate system	Main screen > calibration
Calibration	Calibration of client's movements prior to testing	Programs>muscle testing
Cancel	Cancels entry of a new patient's details	Demographics>Patient Data
Cancel	Deletes report data	Test>Information>Report
Cancer	Cancer	Test>Programs>Timed Treatments, Music, Superlearning>Cancer Scan
Cancer	Homeopathic treatment given	Test>Programs>Homotoxicology(>Xenobiotics) >Miasms
Cancer assignement text	Opens cancerdiet.rtf in Word	Test>Information>Report>AddInformation
