IT PAYS TO READ THE MANUAL

Why?

- ◆ You will save money.
- ◆ You will get what you need, when you need it.
- ◆ Your show experience will be productive.
- ◆ You will reach your show objectives.

If you don't take the time to read the manual now . . .

- ◆ You may encounter higher costs.
- ◆ You may not be able to obtain the services and supplies that you will need.
- ◆ You may encounter frustrating delays and inconvenience.

Life is complicated enough!

It takes less than one hour to read the Exhibitor Manual. Take an hour today to read it. Pay particular attention to **dates and deadlines**. For those services and supplies that do not have printed deadlines, the sooner you place your order, the better your chances of getting exactly what you want.

Share this important information.

Because the Exhibitor Manual contains important information regarding your exhibit, everyone who will be involved in making your show experience a success should take the time to read the Manual.

Questions?

We at Attco, Inc. are committed to your success. Please contact our offices if you have questions about any of the information that is contained in this Exhibitor Manual.

MATERIAL HANDLING

(Formerly referred to as Drayage)

Material handling can be a challenging part of your participation in an exposition. With an understanding of the process and some preplanning, it can be painless.

Material handling is the process of receiving your show materials, either at the warehouse in advance of the show, or at the show site during move-in, delivering them to your booth, removing empty containers for storage during the show, returning the empty containers to your booth after the show, delivering your materials back to the dock and loading for outbound shipping. Charges are determined by weight and ease of handling.

- ◆ Check the service manual for deadline dates. Do not pay unnecessary late charges by missing deadlines or target dates.
- ◆ Always obtain a signed Bill of Lading from your carrier and bring it with you to the show site. Also, send a copy to us, your Service Contractor. Bills of Lading are critical if you need to trace missing freight.
- ◆ Check with the Service Contractor to make sure your materials have arrived. The sooner you know there is a problem, the easier it is to solve.
- ◆ Save money by consolidating your shipments. There is a minimum charge of 200 lbs. for each individual shipment.
- ◆ Make sure containers are really empty before applying an EMPTY sticker. It is expensive and sometimes impossible to retrieve an empty container once it has been removed from your booth.
- ◆ When you are repacked and ready to ship, fill out an Outbound Bill of Lading and leave it with the Service Contractor. Never leave it in the booth with your materials. Take a copy of the bill with you.

- Any exhibitor may bring in his own exhibit material providing that they can be hand carried by one person in one trip, without the use of dollies, hand trucks or any other equipment. If you choose to hand carry your exhibit you would not be permitted access to the loading dock area.
- **ACCESS TO EXHIBITS AREA:** Movement of freight into and out of the exhibits area must be handled by **ATTCO, INC.** As official material handling contractor, **ATTCO, INC.** shall have control of all traffic into and out of the facility to minimize congestion at the loading dock, to keep aisles clear and to insure an efficient and orderly operation.
- **EMPTY CONTAINER STORAGE:** No empty containers will be moved to storage unless same are properly labeled with **EMPTY STICKERS** available without charge at the **ATTCO SERVICE CENTER**. Containers not identified with such stickers may possibly be destroyed.

This condition applies to freight abandoned at show site and at the **ATTCO, INC.** facilities.
- **PROTECT YOUR SHIPMENT:** Exhibitors are advised to carry all-risk "FLOATER" insurance covering their materials against loss, damage and all other hazards from the time shipment is made prior to the show and until shipments are received back after the show. Often this can be done at no extra cost by adding a "RIDER" to existing insurance policies.
