### **Union Jurisdictions**

### **Exhibit Labor Jurisdictions**

Union exhibit labor claims jurisdiction for the installing, dismantling, and cleaning of prefabricated exhibits and displays when this work is done by persons other than fulltime company personnel. Labor may be employed by completion of labor forms enclosed in the exhibitor kit. They are not required to put your products on display, to open cartons containing your products, nor to perform testing, maintenance, or repairs on your products. If, however, you hire any laborer to assist you, it should be through the Official Contractor.

### Freight Handling Jurisdiction

Vista Convention Services South has the responsibility of receiving and handling all exhibits material and empty crates for a fee as published on the enclosed Material Handling page. It is their responsibility to manage docks and schedule vehicles for the smooth and efficient move in and move out of the exhibition. Vista Convention Services South will not be responsible, however, for any materials, they do not handle. Vista Convention Services South will have complete control of the loading dock at all times. If you wish to unload or load you must report to the Vista Convention Services South Service Desk. Do not proceed to the docks until told to do so.

Vehicle must not be left to unattended at the loading areas. Any unattended vehicles will be towed away at owner's expense.

The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements are available with Vista Convention Services South to store empty crates. Please refer to the Material Handling and Shipping Information pages for more information.

### Gratuities

Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Do not give coffee breaks other than mid-morning and mid-afternoon, when the union has a paid break. Any attempt to solicit a gratuity by an employee for any service should be reported immediately to the Exhibit Manager and Vista Convention Services South.

### In General

Craftsmen at all levels must be instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed only to Vista Convention Services South and/or the Exhibit Manager. Exhibitors are asked to refrain from voicing labor complaints directly to craft personnel. Any questions regarding contract labor should be directed to the Exhibit Manager or Vista Convention Services South.

### **Shipping Information**

### What you should know:

- \* As an exhibitor, you are responsible for providing your carrier with proper delivery and pickup information for your materials, both in advance and at showsite.
- \* Please prepay all shipping charges. Vista Convention Services South cannot accept or be responsible for collect shipments. All shipments must be accompanied by a Bill-of-Lading. Shipments received without receipts, freight bills or specified unit counts (UPS, Federal Express, personal vehicles, etc.) will be delivered to the exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Vista Convention Services South for such shipments. Shipments without certified weight documents will be estimated by Vista Convention Services South. This estimate will be binding on both parties and no adjustments will be made after the show closes.
- \* Do not ship uncrated materials to the warehouse! Loose, uncrated or unskidded materials will be accepted at showsite only. Uncrated shipments received at showsite are charged at higher handling rates than crated, skidded or otherwise self -contained shipments.
- \* Separate mixed van shipments between crated and uncrated. Clearly identify the weights of each on the Bill-of-Lading. Otherwise, Vista Convention Services South will invoice the entire load at the uncrated rate and will be unable to adjust the charges later.
- \* Select your carrier carefully. Shipments received on vehicles that cannot be unloaded at the dock are considered "special handling" and are charged at higher rates.
- \* All shipments for the show received either in advance or at showsite will be charged material handling by Vista Convention Services South. Refer to the *Material Handling Service and Rates Form*.
- \* All material handling rates are roundtrip and are based on incoming weights only. Overtime charges may apply under some circumstances. Please refer to the *Material Handling Service and Rates Form*.
- \* If granted permission for early move-in (off-target move-in) by show management and Vista Convention Services South, the exhibitor is required to use Vista Convention Services South labor for booth installation.

### **Material Handling includes:**

- \* Storing your booth in our warehouse for up to 30 days in advance of the show. (Advance shipments only)
- \* Delivering materials to your booth at showsite.
- \* Removing empty containers from your booth, storing them for the duration of the show, then returning them to your booth at close of the show.
- \* Moving packed and labeled materials from your booth to the dock area at close of show and reloading them on designated vehicles based on information provided on your showsite Bill-of-Lading.

### Material Handling does not include:

\* Labor and/or equipment for uncrating, unskidding, assembling, position, leveling, dismantling, recrating and reskidding machinery and/or equipment for exhibitors. Additional labor to accomplish these tasks may be ordered from the various labor order forms enclosed. Scheduling any carrier for pick up or delivery of your materials, if other than the official show carrier(s).

### **Important Freight Information**

Definition of Special Handling:
"Shipments that are loaded in such a manner as to require additional labor to unload, sort and deliver."

# Vista Convention Services South uses the following definitions in assessing Special Handling surcharges for material handling:

- ⇒ **Ground Load/Unload** Vehicles that are not dock height preventing the use of loading docks, such as U-Hauls, flat bed trailers, double drops, etc. Situations where dock utilization is not possible will result in a Special Handling assessment.
- ⇒ **Side Door Load/Unload** Shipments that cannot be accessed from the rear of the trailer.
- ⇒ **Constricted Space Load/Unload** Trailers loaded "high and tight", shipments that are loaded in such a manner as to not be readily available (freight down one side of a trailer that must be bypassed to reach targeted freight).
- ⇒ **Designated Piece Load** Driver with tape measure who requires loading crew to bring multiple pieces of freight to rear of trailer to select next piece; having to unload and reload to fit, etc.
- ⇒ **Stacked Shipments** Shipments loaded in such a manner as to require items to be removed to ground level for delivery to booth. Loose items stacked on top of crates and/ or pallets constitute special handling.
- ⇒ **Mixed Shipments** Multiple shipments delivered together without shipment integrity; pieces for separate shipments that are loaded mixed throughout the delivery vehicle, such as UPS, FedEx, DHL, USPS.
- ⇒ **Improper delivery receipts** Shipments that arrive without individual bills of lading, such as UPS, FedEx, DHL and USPS.
