# MOTOROLA SCREEN™ MINI (EX132) Push over Cellular

Your phone supports Push over Cellular (PoC) so you can talk walkie-talkie style with other PoC subscribers.

Note: PoC is network and subscription dependent and is not available in all areas. PoC connectivity requires PoC-compatible phones and the same service provider.
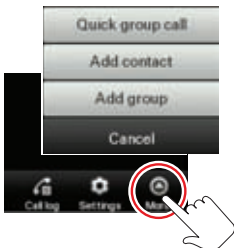

Connect to PoC

➊ Touch Menu 🔡 > **Organiser** > **PoC**.

➋ Touch **Turn on now**.

PoC connected.

Add Contacts

❶ Touch **More** > **Add contact**.
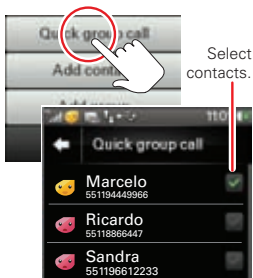

❷ Add contact details and touch **Save**.

Add Groups

❶ Touch **More** > **Add group**.

❷ Enter a group name and touch **Add member** to select contacts.

Make Quick Group Calls

❶ Touch **More** > **Quick group call**.

❷ Select contacts and touch **Call**.

MOTOROLA

Make PoC Calls

❶ In your contacts list, touch the contact or group you want to call.

❷ Press and hold the side volume key and speak after the bip.

Adjust volume.

Send Alerts

❶ In your contacts list, touch and hold the contact or group you want to alert.

❷ Touch **Alert**.

Answer Calls & Alerts

When you receive a call or alert, touch **Answer**.

Or touch **Reject** to ignore the call or alert.

View Call Logs

To view your call logs, from your contact list, touch **Call log** and select the type of calls: **All calls**, **Missed calls**, **Received calls**, and **Dialled calls**.

Change Settings

From your contact list, touch **Settings** for options like **Automatic answer**, **Ringtone**, and more.
