

# GRACO®

## Stroller

### OWNER'S MANUAL

Model No. \_\_\_\_\_  
Serial No. \_\_\_\_\_

Dear Customer,  
Please fill in the model and serial numbers above from the label on the rear leg of your new stroller.

Models 6600 and 6675

**Congratulations on your purchase of a Graco® stroller!**

Graco is a world leader in strollers and has helped thousands of parents transport their children in comfort. We believe your new Graco® stroller is a wise choice, promising many hours of enjoyment for your baby.

Before using your stroller, please take a few minutes to read this Owner's Manual. The short time you spend reading these instructions will help you assemble and use your stroller properly.

**Please save your Owner's Manual for future use.**

### Customer Satisfaction

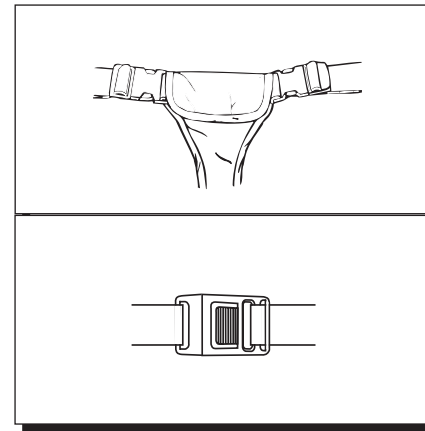

Our goal is to make every product the best it can be! We are also committed to supporting our products after purchase. If you would like to speak to Graco about your product, please contact our **Customer Service Department at 1-800-345-4109** or visit our Internet website, [www.gracobaby.com](http://www.gracobaby.com). Our knowledgeable staff will be ready to answer any questions you may have concerning parts, use or maintenance. When you call, please have the **model and serial numbers** ready so your call may be processed quickly and efficiently.

## ⚠ WARNING

Failure to follow these warnings and the assembly instructions could result in serious injury or death.

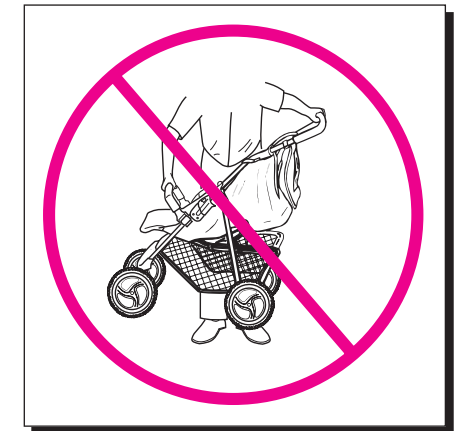

Never leave child unattended. Always keep your child in view.

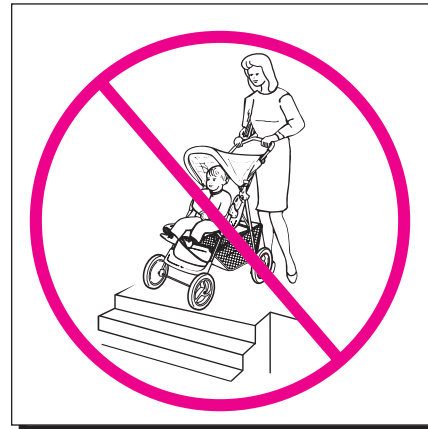

Avoid serious injury from falling or sliding out. Always use seat belt.

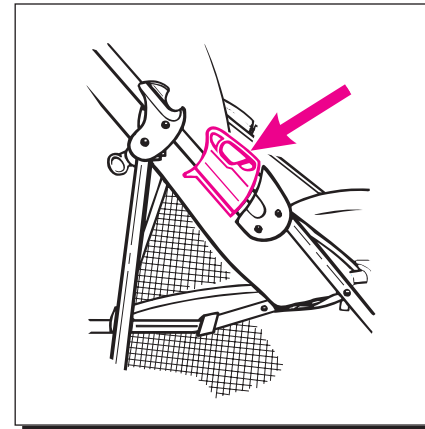

Never place child in the stroller with head toward front of the stroller.

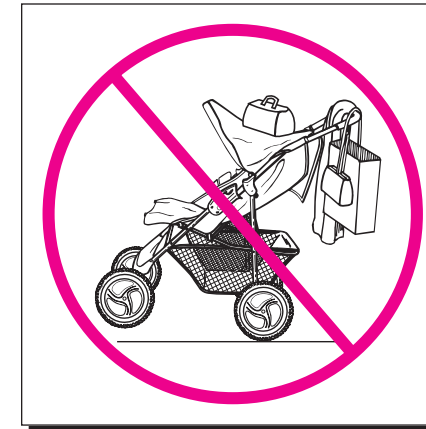

DO NOT lift the stroller by the arm bar or child's tray.

Never use stroller on stairs or escalators. You may suddenly lose control of the stroller or your child may fall out. Also, use extra care when going up or down a step or curb.

Be certain the stroller is fully erected and latched before allowing your child near the stroller.

DO NOT place purses, shopping bags, parcels and accessory items on handle or canopy. They may fall on the child or change the balance of the stroller and make it unstable.

Avoid strangulation. DO NOT place items with a string around your child's neck, suspend strings from this product, or attach strings to toys.

Use of the stroller with a child weighing more than 40 lbs. (18.1 kg) will cause excessive wear and stress on the stroller. Use the stroller with only one child at a time.

**TO PREVENT A HAZARDOUS CONDITION**, do not place more than 10 lbs. (4.5 kg) in the storage basket. DO NOT use storage basket as a child carrier. Do not place more than 2 lbs. (0.9 kg) in the storage pocket.

**DO NOT ALLOW YOUR CHILD** to stand on the basket. It may collapse and cause injury.

**NEVER ALLOW YOUR STROLLER** to be used as a toy.

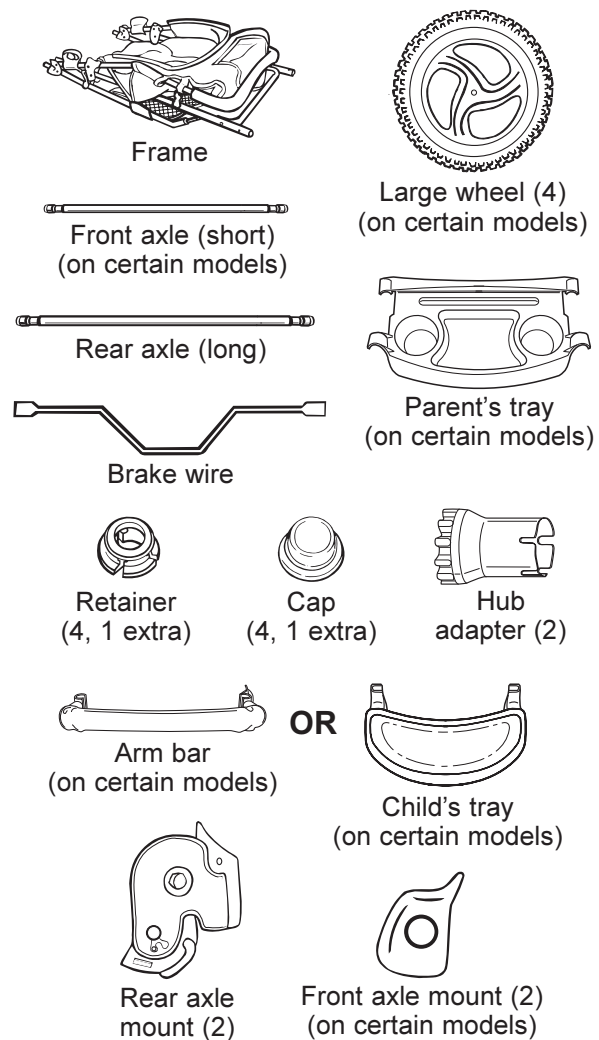

**STROLLER TO BE USED** only at walking speed. Product not intended for use while jogging, skating, etc.

**DISCONTINUE USING YOUR STROLLER** should it become damaged or broken.

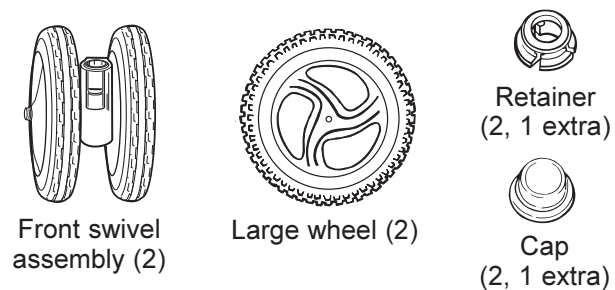

**FOR ADDITIONAL IMPORTANT INFORMATION**, please see the Helpful Hints and Care and Maintenance sections in these instructions.

## PARTS LIST

CHECK that you have all the parts listed below BEFORE assembling your stroller. If any parts are missing, call Customer Service at 1-800-345-4109 or visit our Internet website, www.gracobaby.com. THIS PRODUCT REQUIRES ADULT ASSEMBLY.

The following parts are only included on models with front swivel wheels:

## To Unpack Stroller

### Step 1.

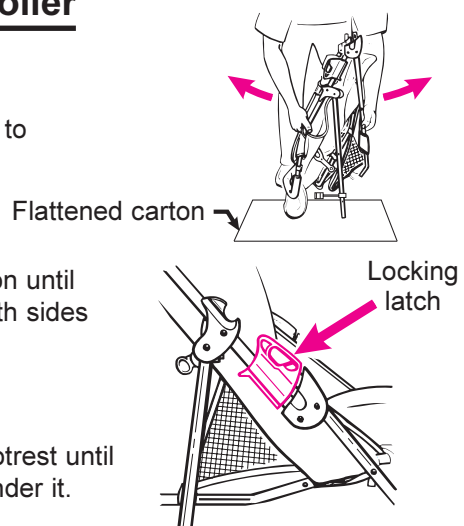

Flatten stroller carton to protect floor.

### Step 2.

Open stroller on carton until locking latches on both sides are locked as shown.

### Step 3.

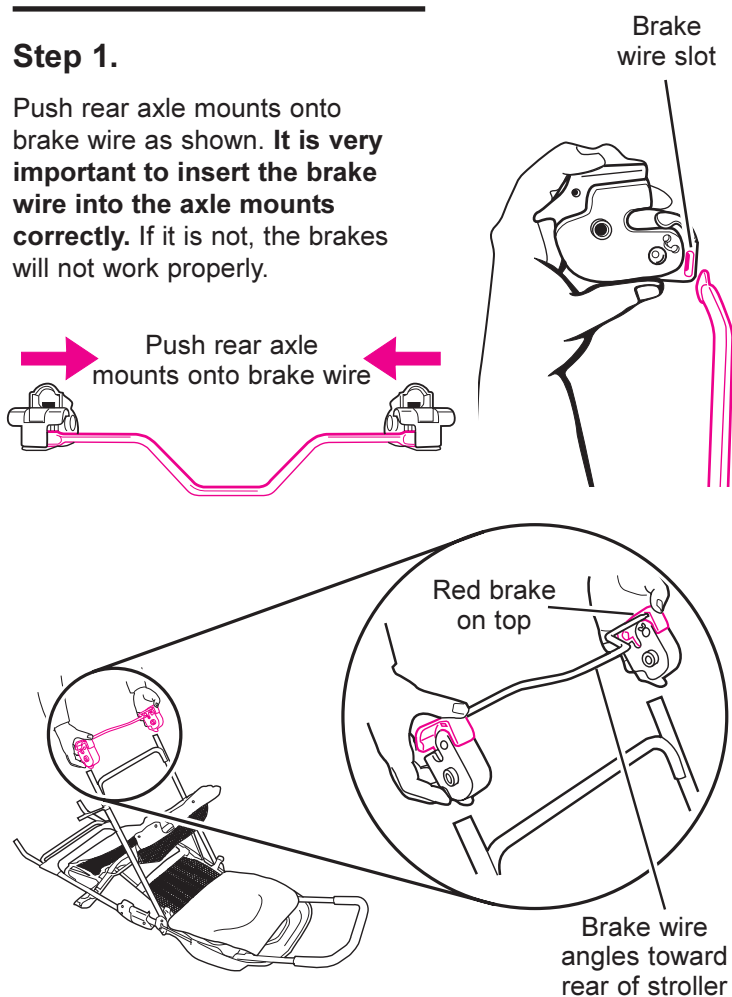

Push down on the footrest until it snaps on the bar under it.

## To Assemble Rear Axle

### Step 1.

Push rear axle mounts onto brake wire as shown. It is very important to insert the brake wire into the axle mounts correctly. If it is not, the brakes will not work properly.

### Step 2.

Turn stroller over as pictured above.

### Step 3.

Position rear axle mount assembly and brake wire as shown. Push assembly onto rear legs until plastic tabs snap into the slots on the legs.

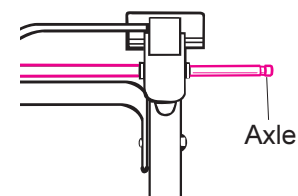

### Step 4.

Pull firmly on each axle mount to be sure it is securely attached.

**HINT: If the axle mounts do not snap on the legs, they may be facing the wrong way. Remove the axle mounts with brake wire and face them the other way.**

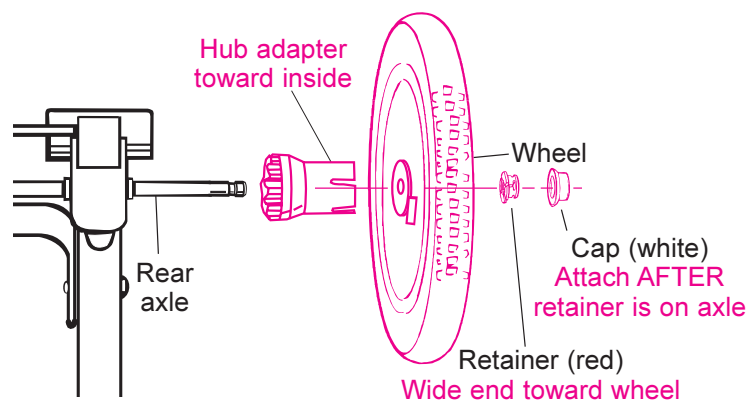

### Step 5.

Insert rear axle (longer axle) through holes in the rear axle mounts. It may be necessary to twist the axle mount slightly to get the axle through the holes.

## To Assemble Rear Wheels

Place parts in order on rear axle as shown. If the hub adapter will not go against the rear axle mount, push the brake wire down and check to make sure the hub adapter is aligned in the wheel correctly.

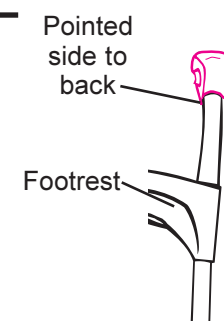

Be sure cap is snapped securely over red retainer.

## To Assemble Front Axle\*

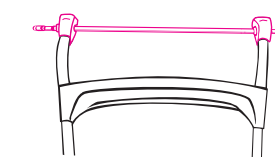

### Step 1.

Put both front axle mounts on the frame. (The pointed side of the axle mount faces the rear of the stroller.)

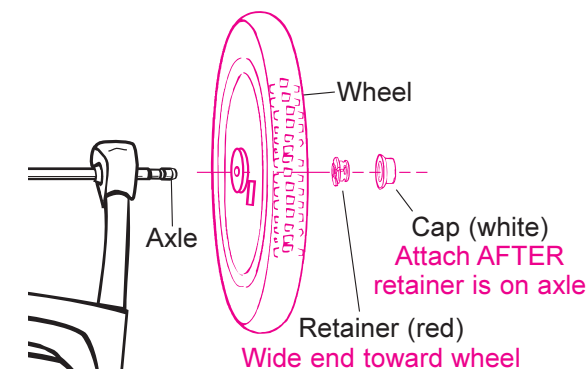

### Step 2.

Put the axle through the hole in the axle mount and frame. It may be necessary to twist the axle mount slightly to get the axle into the hole.

## To Assemble Front Wheels\*

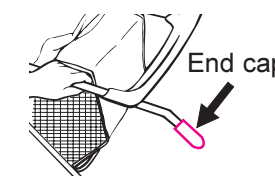

Place parts in order on front axle as shown. Push red retainer onto axle BEFORE attaching white cap. Repeat on other side.

Be sure cap is snapped securely over red retainer.

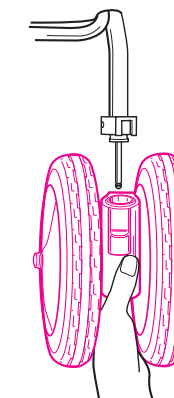

## To Assemble Front Swivel Wheels\*

**WARNING** To prevent serious injury or death from choking, remove and IMMEDIATELY discard the plastic end caps on the front leg pins.

### Step 1.

Line up pin with a wheel assembly as shown.

### Step 2.

Push wheel assembly onto pin until it snaps in place.

### Step 3.

Repeat for other wheel assembly.

**Pull firmly on each wheel assembly to be sure the wheel assemblies are securely attached.**

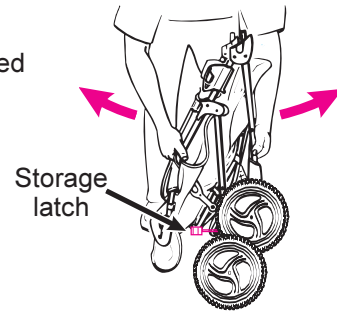

\* On certain models

## To Unfold Stroller

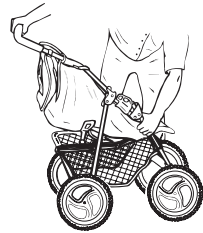

### Step 1.

Release storage latch located by the stroller handle and begin opening stroller.

### Step 2.

Continue unfolding until both latches lock.

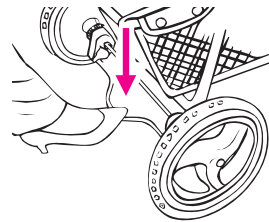

## To Use Brakes

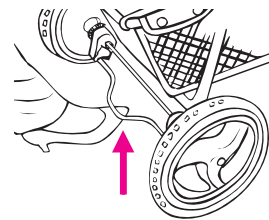

**▲ WARNING** Always apply brakes when parking stroller.

Push **DOWN FIRMLY** to park.

Check to make sure brake is on by trying to push the stroller.

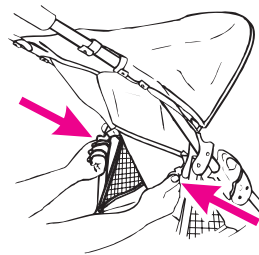

Lift **UP** to stroll.

## To Adjust Back

### Step 1.

Push in the two latches behind the seat to recline it.

### Step 2.

To return seat to upright position, lift the seat back until both latches are locked.

**▲ WARNING** Fabric caught in the latches may prevent them from locking. When returning seat to upright position, do not allow fabric to be pinched in the latches.

## To Secure Your Child

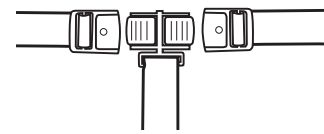

**▲ WARNING** Avoid serious injury from falling or sliding out. Always use seat belt.

Your stroller will have **either** a three-point buckle or a double buckle seat belt. Follow the appropriate instructions below.

### Three-Point Buckle Seat Belt:

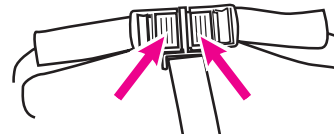

#### Step 1.

Place crotch strap between child's legs. Snap both side buckles to the center buckle. Adjust belt as needed to get a snug fit around your child.

#### Step 2.

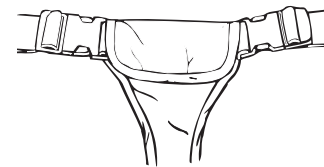

Push in on front of buckle to release.

### Double Buckle Seat Belt:

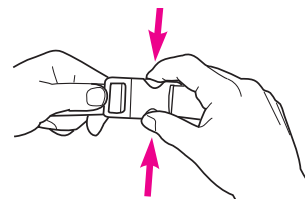

#### Step 1.

Place crotch strap between legs and fasten both belt buckles together. Adjust belt at both buckles as needed to get a snug fit around your child.

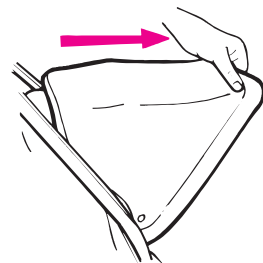

#### Step 2.

Squeeze sides of buckles to release.

## To Adjust Canopy

Push or pull canopy to desired position.

## To Fold Stroller

Before folding the stroller, 1) fold the canopy and 2) lock the front swivels (on certain models).

### Step 1.

Fully recline the seat back.

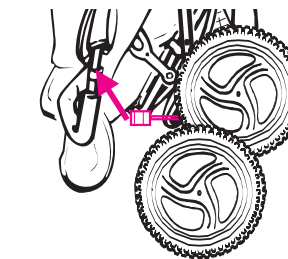

### Step 2.

Pull latches up to release and fold handle down.

### Step 3.

Close completely and fasten the storage latch to the handle.

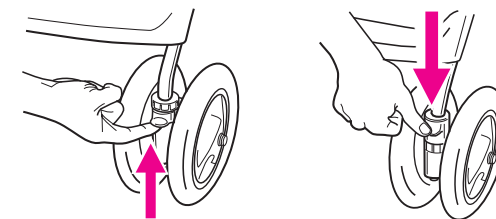

The following optional features are found only on certain models:

## To Change to Swivel or Non-swivel Wheels\*

Front swivel wheels lock for use on uneven surfaces such as grass, stones or gravel.

Before locking swivels, first push stroller forward a few feet to ensure the wheels are correctly positioned.

Push buttons up or down, depending on model, to lock or release swivels. Turn swivel to check that it is locked or released.

## To Use Arm Bar or Child's Tray\*

Your stroller may have **either** a front arm bar or child's tray. Follow the appropriate instructions below.

**▲ WARNING** Always secure your child with the seat belt. The arm bar or child's tray is not a restraint device.

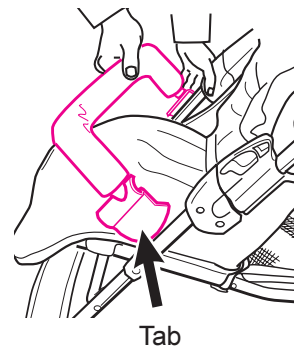

**DO NOT** lift the stroller by the arm bar or child's tray.

Use care when clamping the arm bar or child's tray on the stroller with a child in the stroller.

### Arm Bar:

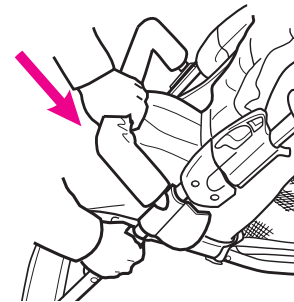

#### Step 1.

Clip the end of the arm bar **without** the plastic tab onto the stroller as shown.

#### Step 2.

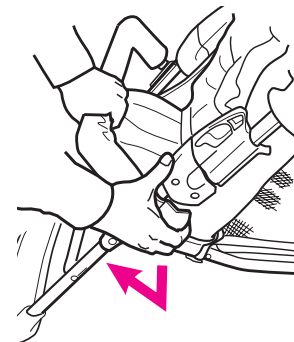

Push on the other side of the arm bar as shown to lock the tab onto the other side tube.

Do not lean downward on the arm bar when it is fastened only at one end. This may damage the arm bar.

#### Step 3.

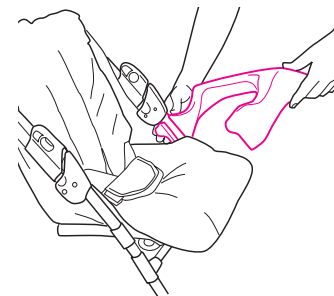

Open the arm bar by pulling the tab outward and away from the stroller. Hold the arm bar with your other hand while opening so the bar does not spring open.

The stroller may be folded and stored with the arm bar attached.

### Child's Tray:

Snap the child's tray under the fold latch on both leg tubes as shown.

\* On certain models

The following optional features are found only on certain models:

### To Attach the Graco® Safety Seat\*

**▲WARNING** Improper use of this stroller with a carrier may result in serious injury or death.

Do not use this stroller with carriers or safety seats other than Graco® Travel System models.

Read the manual provided with your Graco® Travel System Safety Seat before using the Travel System.

If you do not have the owner's manual for the Graco® Travel System Safety Seat, call Graco at 1-888-224-6549.

Make sure the stroller is fully assembled according to the preceding instructions, with the tray attached (the safety seat **CANNOT** be used with the arm bar).

#### Step 1.

If the stroller is folded, unfold it and RECLINE the stroller seat back to its lowest position.

#### Step 2.

Push down on the tray to be sure it is securely attached to the stroller.

#### Step 3.

Unbuckle the stroller seat belt, move the buckles all the way to the loose end of the seat belt webbing, and hang buckles outside of the stroller above the fold release latch.

#### Step 4.

If your child is already in the safety seat because you have been using it as a carrier, make sure child is secured with the harness.

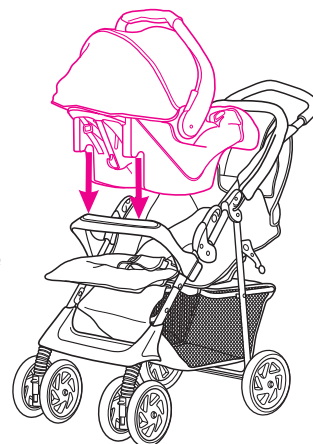

**▲WARNING** Always secure your child with the safety seat harness when using the safety seat in the stroller.

#### Step 5.

Move the safety seat handle into the carrying position.

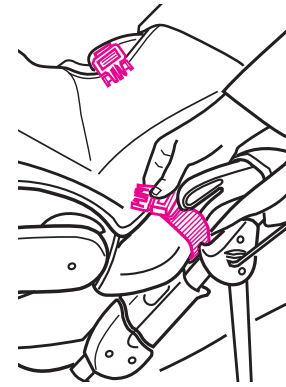

#### Step 6.

Position the safety seat so that the mounting notches fit over the edge of the tray. Push down on safety seat until the attachment latch snaps onto the tray.

#### Step 7.

Slide stroller seat belt webbing through vehicle belt hooks on each side of the safety seat. Tighten stroller seat belt buckles against inside of safety seat.

#### Step 8.

Pull up on safety seat handle to be sure the safety seat is securely attached to the stroller.

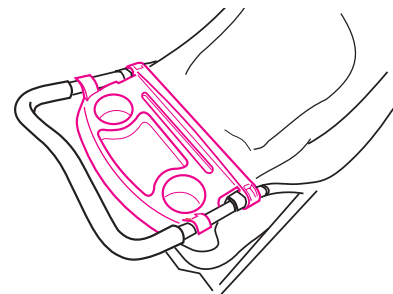

To remove safety seat from the stroller, remove stroller seat belts from vehicle belt hooks, squeeze release handle at back of safety seat, and lift safety seat out of the stroller.

### To Use Parent's Tray\*

**▲WARNING** To avoid burns, never put hot liquids in the parent's tray. To prevent tipping over, do not place more than 3 lbs. (1.4 kg) on the parent's tray.

#### Step 1.

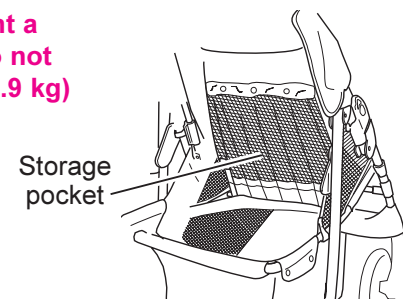

Snap parent's tray to stroller handle as shown.

### To Use Storage Pocket\*

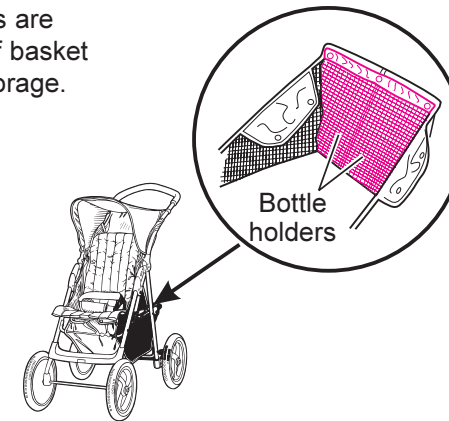

**▲WARNING** To prevent a hazardous condition, do not place more than 2 lbs (0.9 kg) in the storage pocket.

A storage pocket is located behind the seat back.

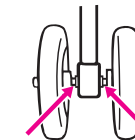

### To Use Bottle Holders\*

Two mesh pockets are provided in rear of basket for infant bottle storage.

### HELPFUL HINTS

**IF WHEEL SQUEAKS**, use a light oil (e.g., WD-40, 3-in-1, or sewing machine oil). It is important to get the oil into the axle and wheel assembly as illustrated.

**WHEN USING YOUR STROLLER AT THE BEACH**, completely clean your stroller afterward to remove sand and salt from mechanisms and wheel assemblies.

### CARE AND MAINTENANCE

**TO CLEAN THE SEAT**, remove the screws and plastic clasps and hand wash in warm water with a mild detergent. Drip dry only—seat contains plastic inserts. Replace seat on frame with screws and clasps when dry.

**REMOVABLE SEAT PAD** (if so equipped) may be machine washed in lukewarm water on delicate cycle and drip-dried. **NO BLEACH.**

**FROM TIME TO TIME CHECK YOUR STROLLER** for loose screws, worn parts, torn material or stitching. Replace or repair the parts as needed. Use only Graco® replacement parts.

**TO CLEAN STROLLER FRAME**, use only household soap or detergent and warm water. **NO BLEACH.**

**EXCESSIVE EXPOSURE TO SUN OR HEAT** could cause fading or warping of parts.

### Replacement Parts
