

WELCOME NOTE

Dear Exhibitor,

Welcome to the 9th edition of **THAIFEX – World of Food Asia 2012**

This is your personal copy of the Exhibitor Service Manual, which has been compiled to assist you in your preparation for the event. We recommend a careful study of its content to ensure that your participation will be a successful experience for your company. The manual will provide you with information required for the preparation of your exhibition stand. General guidelines, marketing aides and useful addresses are also included in the manual.

The “Index of Forms” lists every individual form included in the manual and shows you which forms are compulsory to return. The other forms are for your attention and completion where necessary. **Please complete and return the “Order Form Checklist” on Page 22** in order for us to ensure that the services/forms you require are duly received.

Please return the order forms on or prior to the stipulated dates stated to ensure that the services required are arranged before the exhibition. Do remember to make a copy for your own reference.

We would like to highlight that the move-in and build-up period has reduced to 2 days only for exhibitors located at Challenger Hall 1 and 2. Please see below for the Nominated Contractor Move-In schedule (for Raw Space Exhibitors) and Exhibits Move-In and Stand Decoration schedule (for Shell Scheme Package Booths).

B) TECHNICAL REGULATIONS

*** Please contact the Organizer for entitlements for booth sizes which are not specified above.**

**** Booth designs are subjected to change without prior notice.**

Booth facilities listed above are subject to change at the discretion of the Organizers without prior notice.

All entitlements provided are not interchangeable or refundable.

Additional furniture and electrical items can be rented from the Official Stand Contractor. Please place your order by completing the respective forms and returning these by the stipulated deadline. Any additional orders or changes made will be charged according to rates stated in the manual.

No drill, screw, paint, nail or fixture of any kind are allowed to be affixed onto the partitions, floor or ceiling. Exhibitors are liable for any damages to their booths, fixtures & fittings and the Exhibition venue, whether caused by themselves or by any person or persons employed or engaged on their behalf.

The cost of repair of any damages will be assessed by the Official Stand Contractor and charged accordingly to the exhibitor. The Organizer, together with the venue owners, will inspect the hall before and after the event.

Exhibitors are not allowed to replace existing fascia with self-made fascia for Standard and Display Shell Booths. Please refer to Figure 1.0 for an example.

Figure 1.0

It is also important to note any form of balloons or hanging banners from ceiling (above exhibitor stand) are NOT allowed.

1.3 Individual Stand Construction / Raw Space Exhibitors

Exhibitors having Special Design booths are advised to use the service of the Official Stand Contractor appointed by the Organizer to undertake the job as this will facilitate convenient installation. Alternatively, exhibitors are required to obtain consent from the Organizer before any of their own contractors are allowed to work onsite. **The Organizer reserves the right to reject any contractor and design they deem inappropriate.**

Exhibitors may appoint a contractor of his choice to construct and install their booth by submitting **Form 9** for the Organizers' approval. Failure to obtain written approval can result in costly alterations on-site such as when designs or installations violate fire and safety, stand height and boundary or any space contract rules and regulations.

When the Exhibitors appointed contractor is not the Official Stand Contractor, this contractor will be required to lodge with the Organizer a refundable deposit based on the contracted space. Exhibitors and their appointed stand contractor are required to comply with ALL the rules and regulations stated in **Form 9**.

This is to ensure that the rules and regulations are abided by and to cover any damages arising directly from any infringement. This is without prejudice to any additional claims the Organizer may have on the contractor if the damages exceed the deposit.

B) TECHNICAL REGULATIONS

Each booth must have its own panels on all sides which do not face an aisle and it is not permitted to use the neighbour's panels. If any panel is **higher than the 2.5m**, it is **restricted to a distance of 1m away from the dividing wall** of neighbouring stands and reasonable decoration or material must cover the back of that panel. Please refer to Figure 1.1 for an example.

Figure 1.1

Island booths (4-side open booths) are not allowed to construct a full wall. **All open sides can only be one-third (1/3) closed at a maximum** (i.e. two-third of the open side must be open). Booths with special design must have their exposed back wall covered with suitable material, i.e. white wooden panels.

Booth designs; including overview layouts, schematic diagrams and at least 3 different 3D perspectives are to be submitted based on the stipulated deadline for the approval of the Organizer. **Late submissions will not be guaranteed approval.**

Please also refer to **Form 9** of this manual.

1.3.1 Construction Height

The ceiling height is 16m throughout. The **maximum permitted stand height is 7m**.

Special structures above 2.5m are restricted to a distance of 1m away from the dividing walls of the neighbouring stands. Any stand construction has to be approved by the Organizer. Please refer to area circled in red in Figure 1.2 for an example.

Figure 1.2

B) TECHNICAL REGULATIONS

1.3.2 Building Material / Dangerous Materials

Materials for the construction of the exhibition booths shall have a minimum flame spread rating. No false ceiling will be approved, unless the material used will allow water to flow through freely.

No temporary gas, petrol or highly inflammable substances are allowed in the halls. All pressure vessels or equipment must conform to safety standards and regulations. Prior approval for its use is required.

Any stand of more than 60m² has to be equipped with a fire extinguisher.

1.3.3 Double Storey Stands

Apart from the mentioned rules & regulations, exhibitors and their appointed contractors who plan to build double storey stands must comply with the following:

1. The exhibiting company of the lower tier of a particular booth must be same as that of the upper tier.
2. The space rental rates for the contracted floor area at the upper tier shall be one third (1/3) that of the lower tier. That is, if the rental rate for the lower tier floor area is US\$ 180 per square meter, the space rental rate for the upper tier floor area is US\$ 60.
3. Double storey booths will only be allowed provided the minimum contracted floor area for the lower tier of the particular booth is **60 square meters** and that the minimum length of any dimension of that area is **6 meters**.
4. The contracted floor area of the upper tier shall not exceed 30% of the contracted floor area of the lower tier of the particular booth.
5. All booth designs and stand construction must be approved in advance by the organizers and the hall proprietor in writing. Detailed designs (including technical & structural plans) have to be submitted before the stipulated deadline for the relevant authorities' review and approval. Special structures are restricted to a distance of 1m away from the dividing walls of the neighbouring stands.
6. The design, construction and tear-down of double storey stands are to comply with the guidelines, rules and regulations laid down by the relevant authorities including the Fire Safety Bureau, the Organizer and the Venue Owner.
7. Exhibitors having Special Design booths are advised to use the service of the Official Stand Contractor appointed by the Organizer to undertake the job as this will facilitate convenient installation. Otherwise, exhibitors are required to obtain consent from the Organizer before any of their own contractors are allowed to work onsite. The Organizer reserves the right to reject any contractor and design they deem inappropriate.
8. Each booth must have its own panels and it is not permitted to use the neighbour's panels. If any panel is higher than the one behind it, acceptable decoration or material must cover the back of that panel.
9. The Exhibitor may appoint a contractor of his choice to construct and install any stands they may require. The name of the contractor must be given to the Organizer by completing **Form 9**. Failure to obtain written approval can result in costly alterations onsite such as when designs or installations violate fire and safety, stand height and boundary or any space contract rules and regulations. When the Exhibitors appointed contractor is not the Official Stand Contractor, this contractor will be required to lodge with the Organizer a refundable deposit based on the contracted space.
10. This is to ensure that the rules and regulations are abided by and to cover any damages arising directly from any infringement. This is without prejudice to any additional claims the Organizer may have on the contractor if the damages exceed the deposit.

B) TECHNICAL REGULATIONS

B 2. Hall Specifications

IMPACT is strategically located just 30 mins from Bangkok International Airport and 15 mins from downtown. It has direct entry and exit ramps connected to the expressway system, extensive parking for 10,000 cars, public bus service and a shuttle bus to and from major hotels arranged by the Organizer.

2.1 Floor Loading Capacity

Challenger 1-3 : 2,000 kilograms per square meter.

Floor Material : Concrete sealed material (hardened concrete)

Special arrangements including the provision of a steel base plate may be required for any exhibit exceeding these limits. The Organizer must be informed of any such exhibit. The Organizer's delivery schedule for heavy and large exhibits must be strictly adhered to.

2.2 Power Supply and Lighting

The organizer will provide general lighting in the exhibition hall during show time only.

The standard electrical current supply available for use are Single-Phase Alternating Current at 230V, 50Hz., and Three-Phase with Neutral Alternating Current at 400V, 50Hz. Exhibitors requiring different voltages/frequency or special connections to equipment must arrange directly with the appointed Contractor.

All electrical installation and equipment must comply with Thai Government Regulations.

For safety reasons, all electrical installation work at the exhibition must be carried out solely by the Organizer's appointed Contractor. The Organizer reserves the rights to cut off power supply in case of improper connections.

Multi Plugs are not allowed. All sockets are for machine use only and not for lighting. For safety reasons, please use one socket for one machine only.

2.3 Water and Compressed Air

For operational safety reasons, only the Official Contractor is permitted to carry out the installation work required. For orders please use **Form 15**.

B 3. Freight and Exhibits

3.1 Official Freight Forwarder

The Organizer has appointed **Agility – Fairs & Events** as the Official Freight Forwarder, site handling and customs clearance agent for **THAIFEX – World of Food Asia 2012**. Please refer to Page 78 – 89 for detailed guidelines on freight forwarding services.

- a) Exhibitors who do not wish to exhibit during public days are requested to obtain Move-out clearance forms with their business cards at the Information Desk after **1800hrs on 25 May 2012**.
- b) Without special approval from the Organizer, no additional exhibits are allowed to enter the exhibition hall once the fair has opened. No exhibits are allowed to be taken away from the hall before the fair ends.
- c) Exhibitors may use light trolleys to deliver hand-carried items, light exhibits or displays to the exhibition stand(s) during the Move-in period.
- d) For heavy exhibits, exhibitors are not allowed to use their own mechanical transportation equipment (e.g. hoist, crane, forklift, truck, jack lift, trolley etc.) to deliver their exhibits to the stand. They have to make arrangements with the Official Freight Forwarder appointed by the Organizer to make delivery to their stands. For details, please contact the Official Freight Forwarder.

B) TECHNICAL REGULATIONS

Delivery of exhibits and other exhibition stocks will not be permitted during the show period.

Please address all correspondence concerning exhibition freight forwarding matters directly to the respective Agility – Fairs & Events offices listed below.

Exhibitors are required to make arrangements with the Official Freight Forwarder with regards to storage of boxes or cases. Otherwise, exhibitors must arrange for their boxes and cases to be transported back to their own premises. Exhibitors are not to store such items within the exhibition hall. The Organizer reserves the right to remove/dispose of any boxes, cases and/or packing materials left in the exhibition halls. Any cost incurred will be borne by the exhibitor.

B) RULES & REGULATIONS

C 1. Film, Audio / Visual and Product Demonstration

Audio visual equipment may be provided by the exhibitor or hired from the official AV supplier using **Form 11**. All audio visual equipment should be kept to a **maximum level of 70dB**. Sound levels will be measured using a noise meter at each booth. When in operation, audio visual equipment must not cause nuisance to visitors or other exhibitors with excessive sound / noise. **The Organizers reserve the rights to discontinue any audio visual presentation that exceed the maximum allowable sound level or which in their opinion is detrimental to the event.**

All installed speakers are to be placed facing inwards to the booth and not towards the aisle or other exhibitors.

Where a high level of noise or other objectionable factors are involved, demonstrations may only take place at timing stipulated by the Organizers, who reserve the rights to disallow a demonstration at any time.

No photography or video recording is allowed in the exhibition hall unless approval is obtained from the Organizers.

C 2. General Cleaning

The Organizers will provide general cleaning of the common areas in the exhibition premises and stands (excluding Raw Space exhibitor booths) prior to the opening of the exhibition and daily thereafter. This only includes cleaning of carpet, flooring and rubbish disposal before the exhibition opens in the morning or after the exhibition closes in the evening. Cleaning does not include exhibits and displays. It is the responsibility of the exhibitors to maintain the cleanliness of their booths at all times.

However, all exhibitors can engage the services of the official cleaning contractor using **Form 18** should they need additional cleaning services.

C 3. Removal of Waste

During the set-up and tear-down period, passageways in the exhibition hall must not be obstructed with packing materials, construction materials or debris. Contractors building Special Design booths or booth interiors are responsible for removing their own debris from the site at the end of each day. At the end of the exhibition, contractor must remove from the site all the materials from their client's booth. Organizers reserve the rights to deduct the deposit paid as payment for removal by the official cleaning contractor.

Shell and Display stand exhibitors are requested to place their wastepaper baskets in the aisle, from where it will be removed by the cleaners at the end of each show day. The Organizers reserve the rights to charge exhibitors for the cost of removal of excessive packing materials and discarded crates or cartons.

C 4. Industrial Gas Demonstration and Fire Precaution

Exhibitors, who, because of the nature of their exhibits, require specific fire precaution, must make arrangements at their own cost for provision of such equipment / service.

Exhibitors must not bring in or use at the exhibition site any dangerous or hazardous goods and equipment such as poisonous gas, fuel, kerosene, noxious materials, inflammables, and equipment using such inflammable materials as gas stoves and electric stoves without prior written consent of the organizer. Even when consent is given, adequate precautionary measures must be taken by exhibitors at all times. Exhibitors are also not allowed to carry out any fire hazardous operation / work.

All safety precautions must be taken by the contractor or the exhibitor to protect the public against any danger of fire outbreak. IMPACT may require on-site inspection to ensure maximum fire safety.

Smoking is not permitted in the exhibition hall and conference rooms at all times.

B) RULES & REGULATIONS

C 5. Insurance and Liabilities

It is the responsibility of each exhibitor to arrange insurance coverage for their own exhibits and staff during the exhibition. Exhibitors must ensure that they are fully covered by insurance and take up public liability and comprehensive protection. They should also provide an insurance coverage for their own staff against injury.

All exhibitors must arrange at their own cost “all-risk” insurance coverage from origin country up to their exhibition booth including exhibition period and return to domicile.

Exhibitors are also responsible for making good any loss or damage to any item which they have rented or hired from the official contractors/suppliers.

Though the Organizers maintain security surveillance at all times, exhibitors are reminded that goods / exhibits will, nevertheless, be at risk, especially during the move in period and the final day of the show. Please ensure your stand, especially personal and valuable property, portable and rented items, are not left unattended at any time before, during and after the show. Exhibitors are reminded that small, portable and valuable items are more at risk after the exhibition closes each day. Therefore, exhibitors are advised to keep these safely stored each day before leaving the exhibition area.

If you wish to hire security personnel to attend to your stand exclusively after show hours, please contact the Organizers. Please be advised that exhibitors are not allowed to hire staff or personnel from other security agencies without prior approval from the Organizers.

The Organizers reserve the rights for cancellation, partial opening or postponement of the exhibition.

C 6. General Security

Organizers will provide general security round the clock. Exhibitors and their staff will not be allowed to enter the exhibition area after official hours. All personnel in the exhibition area must wear identification badges. Exhibitor badges and temporary passes are available from the organizer’s office on-site.

For security and safety reasons, exhibits movement in and out of the exhibition area during show opening hours is not permitted.

If your exhibits are very valuable or sensitive and you wish to hire security personnel to attend to your stand exclusively for off show hours, please refer to **Form 19**. Please note that you are not allowed to hire staff or personnel from other security agency.

C 7. Booth Operation

No business activity shall be conducted by the exhibitor and his co-participant outside their booth boundaries such as, distribution of promotional material, placing of banners, signages etc, outside/above their designated booth area. Please refer to Figure 1.3 for an example.

B) RULES & REGULATIONS

Figure 1.3

Activities which will inconvenience or disturb the conduct of the business session, will not be allowed, i.e. promotional gimmicks, raffles, picture taking, musical entertainment, and use of animation and sound equipment. Stage shows are also not permitted.

Without special permission from Organizers, delivery of exhibits cannot be taken into the booth once the show has officially opened, nor removed from the booth before closure of the event. If exhibitors wish to remove any display item from the show area, a written request must be submitted to the Organizers for approval.

Exhibitors must give proper consideration to the conditions under which their equipment will be demonstrated. Precautions must be taken for protection of the public.

Exhibitors are strongly encouraged to remove valuable and portable exhibits from the exhibition hall as soon as possible after 8pm on the final day of the show.

Fire and Safety regulations require that no goods or packing materials may be stored in access areas behind or between booths. Exhibitors should design proper storage areas with adequate access within their own booth or approach the Official Freight Forwarder for storage.

The Exhibitor and his staff shall be responsible for any damages to the structure, floor, walls, pillars and any part of the Exhibition Hall, the Property of the Organizers, and other Exhibitors due to the transport, removal of exhibits, refuse and / or decoration works.

Aisle ways indicated on the floor plan must be kept clear of all exhibition goods or decoration materials in order to facilitate flow of traffic. Any items left outside of the booth will be cleared away by the venue/Organizers. Placing of cupboards/tables onto gangway is strictly prohibited as it will obstruct fire escape routes.

Exhibitors and Contractors must clear items not for display purpose (e.g. containers, packing items) the day before the show period according to the schedule. The Exhibitors will have to pay the Organizers for the cost of removing such articles from their booth if they fail to do so.

Cleaning of paint containers or any other dirty items in the washroom is prohibited.

C 8. Use of Dangerous Materials

Hazardous Materials

- No naked flame nor temporary gas lamps
- No explosive, petrol and highly flammable toxic or corrosive substances

B) RULES & REGULATIONS

Pressure Tanks

- The exhibitor will be responsible and liable for the proper transportation and storage of all pressure tanks containing helium, compressed air, argon, carbon dioxide and any other pressure medium
- Pressure tanks improperly secured will be immediately removed
- All pressure vessels and equipment under pressure brought into the exhibition hall must conform to all relevant safety standard and regulations

Water and Drains

- Polluting substances such as chemicals, lubricants, acids and petroleum products cannot be discarded through the standard drains
- Special drains can be arranged for the disposal of polluting waste upon request

B) RULES & REGULATIONS

C 9. Instructions for Product Demonstration

If product demonstration and introduction of machines/exhibits are needed on-site, exhibitors must abide the following instructions strictly:

- a) Exhibitors are required to submit detailed description of product demonstrations in writing, including operational parts, flammable materials, laser, any dangerous articles etc. in order to get approval from the Organizers prior to the opening of the event.
- b) Exhibitors are required to ensure all working machines are equipped with protecting devices, and such devices can only be removed when the power is shut down.
- c) Exhibitors are required to ensure all working machines are operated by professionals. Any working machine without professional control is strictly prohibited.
- d) All machines must be installed safely. They must be fixed to a safe position to avoid possible sliding. The position of the exhibits must not post any threat to the safety of visitors, staff or other people nearby.
- e) All machines must be equipped with separate start-up facilities, and must not be operated by visitors or any other non-professionals without permission.
- f) To avoid emitting poisonous & waste gas or other irritations in the exhibition halls, any product demonstration that may result in the above situation must seek approval from the relevant supervisory department.
- g) Any display involving gas cylinders, open fire flames or welding must be equipped with protection devices. Such display should be reported to Organizers in advance and approval must be sought from the Fire Safety Bureau at least 2 months before the event.

C 10. Sales of Exhibits & Storage

- a) Retail of exhibits at the fair is not allowed at all times.
- b) No spare storage area will be provided for empty cartons, wooden crates, etc. at the venue. Exhibitors should make prior arrangement with their freight forwarders or the official freight forwarder for storage of their properties and packing cases.

C 11. Failure to Exhibit

Any organization which has signed and submitted a valid contract for space reservation, and fails to exhibit or turn up for the exhibition, and has not been released from the contract by the Organizer, shall be held liable for the full cost as stated in the contract, plus any additional cost incurred by the Organizer.

C 12. Groups and National Pavilions

Organizers of group and national pavilions are responsible for ensuring that all exhibitors and/or co-exhibitors on their stand are fully aware of and agree to, and abide with all the rules and regulations stated herein.

C 13. Intellectual Property Rights

Koelnmesse Pte Ltd (hereinafter referred to as “Koelnmesse”), as a professional Organizer for international exhibition, respects and expects our Exhibitors to respect the lawful rights of the owners of intellectual property rights (hereinafter referred to as “IPR”). For the purpose of protecting the lawful rights of the owners of intellectual property rights and facilitating the handling of intellectual property infringement complaints (hereinafter referred to as “Complaint”) at the exhibition held by Koelnmesse, Koelnmesse hereby sets out the intellectual property protection rules (“Rules”) to be complied with at the exhibition as follows according to the relevant Singapore laws and regulations.

In these Rules the following expressions shall have the following meaning respectively:

B) RULES & REGULATIONS

“**Exhibition**” shall mean **THAIFEX – World of food ASIA 2012**.

“**Exhibition Items**” shall mean any goods or products, exhibition boards and relevant promotion materials to be exhibited, used, distributed, sold or provided at or in relation to the Exhibition.

“**Relevant Activities**” shall mean the display, promotion, advertising, reproduction, publication, distribution, circulation, use, and offer to sell, sale and provision of the Exhibition Items, either individually or collectively.

“**Complaint Office**” shall mean the office designated in the exhibition venue and composed of staffs of Koelnmesse, the competent administration authorities of the Exhibition and the local intellectual property authorities (hereinafter referred to as “Local IP authorities”).

1. Exhibitor’s representation and warranty

a) The Exhibitor who participates in the Exhibition (hereinafter referred to as “Exhibitor”) represents and warrants that its Exhibition Items and activities during the Exhibition do not and shall not:

(1) Infringe any intellectual property right or any other right of a third party including but not limited to any other Exhibitors at the Exhibition; or

(2) Violate any Law.

b) The Exhibitor shall undertake to indemnify and hold Koelnmesse and other Exhibitors harmless against all claims of third parties in connection with the improper use of the IPR of the Exhibition Items displayed and Relevant Activities performed by the Exhibitor which are not in accordance with the stipulations of this Rules or the Law.

c) The Exhibitor agrees that Koelnmesse shall not be responsible or liable for any actual or alleged infringement of any of its intellectual property rights arising from or in connection with Exhibition Items of any other Exhibitor at the Exhibition. In addition, the Exhibitor agrees that Koelnmesse shall not be responsible or liable for any and all liabilities arising from or in connection with any decision made, or any action taken or omitted, or any advice, recommendation or statement provided, by or on behalf of Koelnmesse pursuant to, or in relation to, the Complaint and/or this Rules.

2. Procedures for handling Infringement Complaints

a) In the case that an Exhibitor receives a Complaint

In the event you receive an Infringement Complaint, please refer the complainant directly to Koelnmesse and/or the Complaint Office, at the designated office located in the exhibition venue.

Koelnmesse and/or the Complaint Office shall then handle the Complaint in accordance with the procedure set out in section 3.3 below.

b) If an IPR owner has a Complaint against any Exhibitor(s), it may contact Koelnmesse and/or the Complaint Office at the designated office located in the exhibition venue or contact the competent local IP administrative authorities directly.

c) When lodging a complaint, the complainant shall provide the following materials:

(1) Valid Certificate of the IPR in disputes:

(a) In case of patents, this shall be the patent registration certificate, the patent publication documents, the identification certification of the patent right owner, the legal status certification of the patent.

B) RULES & REGULATIONS

- (b) In case of trademarks, this shall be the trademark registration certification affixed with the seal of the complainant and the identification certification of the trademark right owner.
- (c) In case of copyrights, this shall be the certification of the copyright and the identification of the copyright owner.
- (d) In case of any other types of IPR, we shall have the right to determine what shall constitute appropriate evidence of ownership.
- (e) In case that the registrant in an IPR registration certificate is different from the complainant, the complainant shall provide supporting documents proving that the ownership of the IPR has been assigned to the Complainant or the Complainant has been appointed by the IPR owner to handle the Complaint.
- (2) Basic information of the complainant, such as name, address, contact person of the complainant and the products or photos of the products which are claimed to be infringed if possible, etc.;
- (3) Basic information of the suspected infringement and infringers, such as the name of the suspected infringer, exhibition counter of the Exhibition Items in question, photos, samples, brochures etc. of the Exhibition Items in question, etc.;
- (4) Reasons and evidence of the suspected infringement, e.g. the copy of the suspected Items;
- (5) Power of Attorney in the event that the complaint was filed by any one who is entrusted by the owner of the IPR.
- d) Upon receiving an Infringement Complaint, Koelnmesse and/or the Complaint Office may require the complainant to provide us with the relevant identity certificate and complete a complaint form. Koelnmesse and/or the Complaint Office will then check completeness of the complaint materials and act as follows:
 - (1) If the complaint materials are complete, Koelnmesse and/or the Complaint Office will inform the Exhibitor in question and forward the complaint to the relevant local IP administrative authorities within 24 hours after we have received the complaint.

The Exhibitor in question will be required to provide Koelnmesse and/or the Complaint Office with either one of the following:

- (a) A written undertaking declaring that it has already removed or intends to remove the Exhibition Items in question, has stopped or intends to stop Relevant Activities and that it shall stop conducting any further infringing activities in connection with the Exhibition Items in questions. The exact date when the Exhibition Items in questions are removed or will be removed and when the Relevant Activities are stopped or will be stopped shall be clearly stated in such written undertaking.

In this case, Koelnmesse and/or the Complaint Office shall have the right to forward a copy of such undertaking to the relevant local IP administrative authorities and the complainant.

- (b) A written declaration together with supporting documents claiming that the Complaint is unjustified and Koelnmesse and/or the Complaint Office will, at our own discretion, review the declaration.

If Koelnmesse and/or the Complaint Office believe the declaration is not satisfactory and sufficient to prove that the Complaint is unjustified, the Exhibitor in question will be required to remove the Exhibition Items in question and stop Relevant Activities immediately. Koelnmesse and/or the Complaint Office will further require the Exhibitor in question to sign a written undertaking stating that it shall stop conducting any further infringing activities in connection with the Exhibition Items in

B) RULES & REGULATIONS

questions. Koelnmesse and/or the Complaint Office shall have the right to forward a copy of such undertaking to the relevant local IP administrative authorities and the complainant.

- (2) If the complaint materials are not complete, Koelnmesse and/or the Complaint Office will require the complainant to provide us with the supplementary materials and the complaint will not be accepted if the supplementary materials are not provided.
- (3) In case of repeated Complaints, if the repeated Complaint is against the same Exhibition Items of a previous exhibition organized by Koelnmesse Ltd., Koelnmesse and/or the Complaint Office reserve the right to reject the Complaint if it was rejected under reasonable grounds and the repeated Complaint does not provide supplementary document to support its statement.

B) RULES & REGULATIONS

e) Timetable

Due to the time limit of the Exhibition, the following schedule shall be complied with in order to facilitate the timely handling of any Complaint and Koelnmesse and/or the Complaint Office reserve the rights to adjust the schedule when necessary.

- (1) Any Complaint shall be provided to Koelnmesse and/or the Complaint Office one day before the Exhibition is closed;
- (2) Koelnmesse and/or the Complaint Office will have at least half a day during the term of the Exhibition to review the completeness of the complaint materials of any Complaint and to require and receive supplementary materials from a complainant;
- (3) The Exhibitor in question will have at least half a day during the term of the Exhibition to provide the undertaking and declaration mentioned in the above item 3 lit d);
- (4) Koelnmesse and/or the Complaint Office will inform the complainant of the response from the Exhibitor in question and the status or outcome of the Complaint either before or after the end of the Exhibition.

Koelnmesse, as the Organizer of the Exhibition, reserves the right to reject, or to suspend or stop the handling of any Complaint, if the above schedules are not complied with or if Koelnmesse, at its own discretion, is of the opinion that there is insufficient time for us to complete the handling of the Complaint. In such case, Koelnmesse shall not be liable or responsible for such rejection, suspension or stop.

3. Cooperation of Exhibitors

- a) During the Exhibition, for the purpose of investigating the Complaint, Koelnmesse and/or the Complaint Office shall have the right to take samples or photos of the Exhibition Items in question.
- b) Both the complainant and the Exhibitor in question shall cooperate and assist Koelnmesse and/or the Complaint Office and relevant local IP authorities for the purpose of investigation of any Complaint.
- c) Upon request by Koelnmesse and/or the Complaint Office both before and during the Exhibition, the Exhibitor shall provide us with the documentations and evidence which can prove the proper use of the IPR of the Exhibition Items or can be used to against any actual or potential Complaint.

4. Non Compliance by Exhibitors

In case that the Exhibitors of the Exhibition Items of any alleged infringements refuse to cooperate, assist or provide any necessary information upon request or refuse to comply with the above item 4 lit c), Koelnmesse and/or the Complaint Office shall have the right to:

- a) Refuse to allow Relevant Activities of the Exhibition Items in question or remove the Exhibition Items in question and take appropriate measures to prevent the commencement or continuance of all Relevant Activities;
- b) Suspend or even terminate the right of the Exhibitor to participate in the current exhibition without refunding any payment that has already been made by such Exhibitor;
- c) Prohibit the Exhibitor concerned from participating in future exhibitions organized by us or our affiliates.

B) RULES & REGULATIONS

C 14. Unforeseen Occurrences

In the event of any unforeseen occurrences or not stated, the decision of the Organizer shall be final.

* IMPORTANT TO NOTE *

C 15. Security

- a) The Organizers will provide general security round the clock. Exhibitors and their staff will not be allowed to enter the exhibition area after official hours.
- b) All booths must be vigilant attended by the personnel wearing badges at any time during the opening hours of the fair. Exhibitors are obligated to the safety of their own exhibits during the Move-in/Move-out period. To avoid any loss or damages, exhibitors may hire a security guard for the show hours. Please refer to **Form 19** for more information.
- c) For security and safety reasons, exhibits movement in and out of the exhibition area during show opening hours is not permitted.
- d) All valuable and portable exhibits should be properly locked at all times.
- e) Exhibitors are strongly encouraged to remove valuable and portable exhibits from the exhibition hall as soon as possible after 8.00pm on the final day of the fair.
- f) If suspects are found, please contact the Organizers or the security guard in the exhibition hall immediately.

PACKING

Exhibitors are advised to provide strong packing cases for the transportation of the exhibits which can withstand unpacking and repackaging operations. For main exhibits, we recommend bolted returnable type of cases to be used. This is to avoid unnecessary repair and reconstruction of cases in the event of damages due to handling whilst in transit.

20.1 Freight Instructions - continued

STORAGE OF EMPTY CASES

Empty cases will be stored within the exhibition site if space is available. Your cases will be marked and stored systematically under shelter during the exhibition period in order to facilitate quick and early retrieval for the re-packaging at the end of the exhibition.

Note for freight forwarders:

Container detention fee will be levied by shipping lines for containers kept in use for an extended period of time. Free days allowed by shipping lines are usually up to 3 days after the discharge of containers at the port. Should you require us to keep the container within the exhibition site for storage purposes and subsequent re-export, you are to inform us of the container detention fee that has been negotiated with the shipping line.

CUSTOMS REGULATIONS

The Thai Customs are strict and thorough in their examination of goods. All packages can be expected to be opened and contents checked against the Combined Commercial Invoice & Packing List.

HEAVY FINES will be imposed on the exhibitor in cases of **'UNDERVALUATION'**, **'NON-DECLARATION'**, and **'ERRONEOUS DECLARATION'**. In such cases, Agility Co.,Ltd. shall not be responsible for any delay in clearance. Customs fines and extra expenses incurred shall have to be borne by the exhibitor. Exhibitors are therefore strongly reminded to declare the **true market value of** their goods and be extremely careful in their preparation of documents.

To assist the Thai Customs in their examination, please attach 2 (two) copies of descriptive/illustrative brochures on the underside of the case lid. If possible, please indicate on these brochures, the model number and serial number of the exhibits.

CONTROLLED ITEMS

Exhibitors are requested to note that all Foodstuff, Beverage, Communication equipment (such as radio, radar, etc), Cosmetics, Medicines & Medical equipment, Glass, Light & sound equipment, toy, are subject to Import License prior to their importation into Thailand for exhibition purpose.

For a list of controlled items, please visit the Thai Industrial Standards Institute at:
http://www.tisi.go.th/standard/cat_eng.html

For Food & Drinks items, we do not recommend that you ship foodstuff or beverages to the exhibition if you are not exhibiting the food products. We would suggest you buy them in Thailand. If it is essential that you bring your own, please ensure they are packed, documented and shipped on a separate HBL or HAWB from the main exhibits to avoid delays in the customs clearance. All foodstuff and beverages are subject to an Import License by Food & Drug Administration of Thailand. Shipment must not be effected until such license is obtained / approved, otherwise, high customs penalty will be incurred by the exhibitor's account.

20.1 Freight Instructions - continued

All controlled items shall be packed and shipped separately from non-controlled items, to avoid delay on customs clearance. Exhibitors are required to furnish us the full specification/details of such controlled items that you intend to import into Thailand, at least **30 days** prior to the arrival of shipment in Thailand.

*****Duty & tax calculation for printed matter*****

Customs duty & tax will be calculated, based on the weight of the exhibits and mode of transport. The different ways to calculate duty & tax are as follows:-

- **Airfreight** : Thai Customs will assess the FOB value of printed matter at Bht 100/kg (**(C)**), plus all cost of airfreight charges which are declared in AWB (IATA rate) as the cost of freight charge (**(F)**), plus insurance premium (**(I)**), then the duty rate of printed matter is 10% of CIF Value plus Value Added Tax (VAT) 7% of CIF Value plus Duty.

- **Seafreight** : Thai Customs will assess CIF value of printed matter at US\$ 4.252/kg and Customs duty & tax will be applied in the same rate as above at 10% and 7% respectively.

Note : Customs will use your declared value in your invoice & packing list or their assess value, whichever is greater

INSURANCE

We would like to advise that it is the responsibility of each exhibitor to arrange Marine (Transport) Insurance covering transport to the exhibition, during the exhibition, and the return of the exhibits to domicile, including the period the exhibits are handled by Agility, and also ensure that Transport Insurance is arranged for exhibits sold locally.

Our tariff is computed on the basis of volume and weight and has no correlation with the value of exhibits, it follows that the cost of insurance cover is not included in our charges.

Our maximum liability is USD 1.00 per kg, so we highly recommend you to take out adequate Marine, (Transport) insurance separately.

Upon written instructions, AGILITY CO. LTD can offer the exhibitor insurance coverage at competitive premiums

FOODSTUFF

We do not recommend that you ship foodstuff or beverages to the exhibition if you are not exhibiting food products, and would suggest you buy them in Thailand. If it is essential that you bring your own, please ensure they are packed, documented and shipped on a separate HBL or HAWB from the main exhibits to avoid delays in the customs clearance. 13.2. Electrical Rules and Regulations

Exposition Technology Co., Ltd will be responsible for the electrical service system. By following:

1. General Service

- 1.1. There are 2 main power supply circuits “Lighting Power Circuit” and “Exhibit Power Circuit”
- 1.2. Single phase AC 220 V/ 50 Hz, and three phases with neutral AC 380 V/ 50 Hz with a fluctuation of approximately 10%. Exhibitor whose equipment is particularly sensitive should arrange for stabilizers.
- 1.3. Electrical power such as single phase 110 V 50 Hz or three phases 220 V / 50 Hz will be specially arranged if requested to Exposition Technology staff.
- 1.4. All electrical motors must have independent protection against excessive current surges. The following starter system should therefore be used
 - 1.4.1.1. Direct online – not over 5 Hp
 - 1.4.1.2. Star-deltas – 5 to 25 Hp
 - 1.4.1.3. Auto transformers – above 25 Hp

2. Standard Booth Service

- 2.1. Electrical system in the standard booth (based on 3m x 3m) :
 - 3 x standard 100W spotlight and
 - 1 x 5 amp socket (cannot be used for lighting)Both items are inclusive of electrical consumption.
- 2.2. For additional services, exhibitor has to specify the position of spotlights and water connection on the floor plan. Please indicate position in form ⇒ See **Form 10**.
- 2.3. Raw Space Exhibitors **MUST** complete section C and D.
- 2.4. Exposition Technology reserves the right to disconnect the electrical supply to any installations by other contractors which, in the opinion of the electrical contractor, are dangerous or likely to cause annoyance to others.
- 2.5. Power supplies to stands will be switched off 30 minutes after the exhibition closes and 60 minutes after the end of the exhibition on the last show day except the 24 hrs service only.
- 2.6. Any illegal connections/ adapters will be disconnected without notice. This includes multi-outlet adapters. Extensions from the socket point are strictly prohibited.

3. Special Booth Service

- 3.1. Exhibitors who apply for “Space Only” specially designed stands should submit their electrical order together with their layout plan before the deadline. An inspection will be carried out before turning on the power supply.

13.2. Electrical Rules and Regulations - continue

- 3.2. Exhibitors must submit the names of the electrical engineers, technicians, and electricians who carry out their electrical installations or set up their exhibits in order for them to be authorized by Exposition Technology. Exhibitors should submit an electrical power supplies form to Exposition Technology Co., Ltd. Payment should be made before due date. For safety, exhibitors are not allowed to input any equipment and electrical installation to the main terminal. In case of any illegal connection, the contractor reserves the right to disconnect the electrical supply.
- 3.3. Exhibitors or their contractors who wish to bring in special lights to be used in their stands should receive prior approval from the organizer before the deadline. Applicants should submit the following requirements when applying:
 - 3.3.1 Contractor Name.
 - 3.3.2 Names and identity card/ passport number of the attending electrical personnel.
 - 3.3.3 Specifications and rating in watts/ unit of the light fitting.
 - 3.3.4 Layout line drawings of the electrical installations.
 - 3.3.5 Order form
- 3.4. Approved electricians can collect their personal entry working passes during the official moving in period from the organizers show management office in the exhibition hall.
- 3.5. A proper power input terminal should be installed by exhibitors or their contractors before the official electrical contractor can connect the electrical supply line. Once the installation is inspected by Exposition Company, the power will be turned on.
- 3.6. All socket points must be ordered through Exposition Technology, otherwise no socket points are allowed in the exhibitor's booths / stands.
- 3.7. Any illegal connections/adapters will be disconnected without notice. This includes multi-outlet adapters; extensions from the socket point are strictly prohibited.
- 3.8. No flashing lights will be permitted, unless they form as integral part of exhibit. Sequence-lit displays may be used.
- 3.9. Exposition Technology Co., Ltd. reserves the rights to disconnect the electrical supply to any installations that are dangerous or likely to cause annoyance to others.
- 3.10. All electrical power supplies must be installed by the following safety and regulations, without exception.

Electrical inspector will disconnect the power supply immediately in case of rule violation.
The company will be fined accordingly by the rules and regulations.

9.1 Raw Space Exhibitors

Exhibitors having Special Design booths are advised to use the service of the Official Stand Contractor appointed by the Organizer to undertake the job as this will facilitate convenient installation. Otherwise, Exhibitors are required to obtain consent from the Organizer before any of their own contractors are allowed to work onsite. The Organizer reserves the right to reject any contractor and design they deem inappropriate.

If the exhibitor construct a booth by himself or his own contractor, he is required to abide by the following regulations and to return **Forms 13 & 15** to the Organizer in by the respective stipulated deadlines.

- The booth constructed must comply with the dimensions of the space allocated. Each booth must have its own panels and is not permitted to use the neighbour's panels. If any panel is higher than 2.5m, reasonable decoration or material must cover the back of that panel.
- The ceiling height is 16m throughout. The **maximum permitted stand height is 7m.**
- Each booth must have its own panels on all sides which do not face an aisle and it is not permitted to use the neighbour's panels. If any panel is **higher than the 2.5m, it is restricted to a distance of 1m away from the dividing wall** of neighbouring stands and reasonable decoration or material must cover the back of that panel. Please refer to below for an example.

- Standard carpet tape must be used for the booth construction. Exhibitors are forbidden to use materials which are difficult to clean; otherwise extra cleaning expenses will be paid by the exhibitor. Only none-leftover, single-faced or dual-faced cloth adhesive should be permitted to fasten carpet or other covering to the cement floor.
No adhesive is permitted to be used on stone floorings or walls. Posters or other promotional materials shall not be affixed to any part of the hall. The exhibitor shall be charged with consequent cleaning fees upon violation of this specification.
- No roof covering is permitted. The top of the construction must be at least 50 cm away from the ceiling of the hall. Please refer to Page 9 regarding booth height limit.

9.1 Raw Space Exhibitors (Cont.)

- f) All material (including electricity facilities) used in construction must be properly fire-proofed in accordance with the local regulations.
- g) Island booths (4-side open booths) are not allowed to construct a full wall. **All open sides can only be one-third (1/3) closed at a maximum** (i.e. two-third of the open side must be open).
- h) Booths with special design must have their exposed back wall covered with suitable material, i.e. white wooden panels.
- i) The use of naked flame is strictly prohibited. If the exhibitor or his contractor wishes to use electrical welding or gas welding, he must apply for permission from the Fire Safety Bureau through the Official Stand Contractor.
- j) All electrical works must be approved by and carried out under the supervision of the Official Stand Contractor. Exhibitor using own power distribution boxes should take precautions against leakage of electricity with leakage-proofed sockets.
- k) Detailed booth construction plans should be submitted to the Organizer before **25 March 2012**.
- l) The Organizer(s) and the Official Stand Contractor reserve the right to reject the construction plan or require the exhibitor or his own contractor to make modifications.
- m) All construction materials and exhibits must be moved out of the fairground and disposed of properly **before 1800hrs on 28 May 2012**.
- n) The floor, walls, doors and windows, or any other parts of the hall are not to be altered in any way. Nailing, screwing and drilling of holes are not allowed onto any parts of the hall. Any consequent loss occurred thereof shall be charged upon the party responsible.
- o) It is also important to note any form of balloons or hanging banners from ceiling (above exhibitor stand) are NOT allowed.
