

# Arctic Air Commercial Glass Top Merchandisers

Made in  
USA

*Shown front to back ST20G, ST05G, ST13G. Six models available in all,  
from 5 to 20 cubic feet. See back page for specifications.*

ANSI/NSF Standard 7 certification for pre-packaged food storage. They deliver temperatures down to  $-18^{\circ}\text{F}$ , making them ideal for frozen ice cream and yogurt, other frozen novelties and prepackaged frozen products.

Some units shown with extra baskets. (1 basket included per unit.)

# It's not only easy to see what's inside— it's easy to see why these are such a great buy.

White textured-steel exterior and poly-coated steel interior are bright, durable and easy to clean.

Convenient temperature control with 7 setting adjustments.

Environmentally friendly 134A refrigerant.

Four easy-to-install heavy-duty casters are standard with all models.

Tempered glass sliding doors are safe and tough. Designed for thousands of operations.

Sliding glass doors have standard heavy-duty metal locks for situations where security is needed.

Quiet, energy-efficient operation.

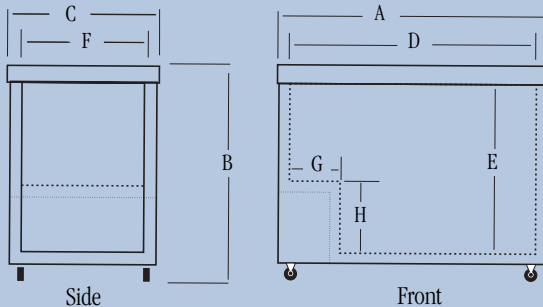

Simple, manual defrost. Water drain port makes defrosting easy and efficient.

These quiet, economical Arctic Air bunkers are made in USA and come with a full warranty: 5 years on compressor, 1 year parts and labor. All models are tested and certified to ANSI/NSF Standard 7 for pre-packaged foods.
