To ensure the floor is clear for the next event, shipments not picked up will be forced shipped on the Official Show Carrier. Any charges resulting from a forced shipment will be the responsibility of the archibitor.

ORDER FOR MATERIAL HANDLING SERVICES

We hereby authorize Hale Northeastern Inc. to handle our shipment(s) in accordance with the information set forth above in the "Limits of Liability" section of this form, and we further agree to the following:

- A. We agree to the "limitations of Hale's Liability and Responsibility" as set forth above.
- B. We agree that Hale's liability shall be limited to any loss or damage which results solely from Hale's negligence in the actual physical handling of the items comprising our shipment(s), and not for any other type of loss or damage.
- C. With particular reference to subparagraphs A and B of the above, we agree, in connection with the receipt, handling, storage, and re-loading of our materials at the convention site (as distinct from Hale's warehouse), that Hale will provide its services as our agent, and not as Bailee or shipper. If any employee of Hale shall sign a delivery receipt, bill of lading, or other documents, we agree that Hale will do so as our agent, and we accept the responsibility therefore.
 - 1. Relative to outgoing shipments after the show, we recognize that there will be a lapse of time between the completion of packing and the actual pickup of our materials from our booth for loading into a carrier, and that during such time our shipment will be left unattended in our booth. We agree that Hale shall not be responsible for any loss or damage during such period, and we authorize Hale to adjust the quantities of items on any bill of lading left by us with Hale to conform to the actual count of such items in the booth at the time of pickup.
- D. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.
- E. We agree, in the event of a dispute with Hale relative to any loss or damage to any of our materials or equipment, that we will not withhold payment of any amount due to Hale for drayage or any other services provided by Hale as an offset against the amount of the alleged loss or damage. Instead, we agree to pay Hale within 30 days from the close of the show for all such charges, and we further agree that any claim we may have against Hale shall be pursued independently by us as a completely separate transaction to be resolved on its own merits.
