

FLIPPIN' BRILLIANT.

MOTOROLA BACKFLIP with MOTOBLUR syncs contact posts, feeds, messages, email, photos and much more—from sources like Facebook®, Twitter, MySpace, Gmail™, Yahoo, your work email, Picasa™, Photobucket®, LastFM, Bebo™, and Skyrock—and serves them up just the way you want them.

Your phone =

Most of what you need is in the touchscreen and three simple kevs on the front:

- Home: Go to the home screen, then open the app
- Menu: Open menu options.
- Back: Go back one screen.

If you want a full keyboard (good for texting, or searching in your Contacts list), just flip open your phone—the screen spins to stay right-side up.

> With your phone open, you can also flick and double-tap the touch pad on the back of the display!

Let's get you up and running

Tip: Your phone comes with a microSD memory card already installed. It's right next to your SIM card.

Caution: Before assembling, charging or using your phone for the first time, please read the important Safety, Regulatory & Legal information provided with

Create or log into a MOTOBLUR account. Enter your name, your email address (for account information), and a new MOTOBLUR password. Registration is secure, and should only take a few minutes.

Note: This phone supports data-intensive apps and services. It is strongly recommended that you purchase a data plan that meets your needs. Contact your service provider for details.

- It's all in the touch:
- Touch: Choose an icon or option.
- Touch & Hold: Open options.
- Drag: Scroll or move slowly.
- Flick: Scroll or move quickly. **Tip:** If your screen goes to sleep, press Power **1** to wake
