In the event that Stetson or its subcontractors should be found liable for loss or damage to Exhibitor's equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$.10 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors or from negligence, active or otherwise, by Stetson, its subcontractors or their employees.
- 7. Be sure your freight is insured from the time it leaves your firm until it is returned after the show. It is suggested that Exhibitors arrange all risk coverage. This can usually be done by riders to existing policies. Contact your insurance representative. Be sure your liability insurance is in effect during transit and return of your freight, during storage and at show site.
- 8. Stetson and its subcontractors shall not be liable to any extent whatsoever for indirect, special, incidental, or consequential damages, including but not limited to, delay any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products or any collateral costs that may result from any loss, injury or damage to Exhibitor's materials or exhibitor personnel, which may make it impossible or impractical to exhibit the Exhibitor's materials.
- 9. Claims for loss or damage must be submitted to Stetson immediately at show site, and in any case not later than thirty (30) business days after the conclusion of the event. Any and all claims reported after thirty (30) days will be rejected. No suit or action shall be brought against Stetson or its subcontractors more than one year after the cause of action accrues.
- 10. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that Stetson and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of Stetson or its subcontractors shall sign a delivery receipt, bill of lading or other document, the parties agree that Stetson or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.
- 11. Stetson and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills, such as UPS, FedEx, DHL or van lines. Such shipments will be delivered to booth without guarantee of piece count or condition.
- 12. Empty container labels will be available at the Stetson Exhibitor Service Desk. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY. Stetson assumes no responsibility for error in preceding procedures, removal of containers with old empty labels and without Stetson labels or improper information on labels. Stetson and its subcontractors assume no responsibility for loss or damage to contents while containers are in storage or for mislabeled containers.
- 13. In order to expedite removal of freight from the show site, Stetson has the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by the Exhibitor, freight will be taken to a warehouse to await Exhibitor's shipping instructions, and the Exhibitor agrees to be responsible for payment of charges relating to such handling at the warehouse. Stetson assumes no liability as a result of such rerouting or handling.
- 14. The Exhibitor agrees, in the event of a dispute with Stetson or its subcontractors relative to any loss or damage to any of the Exhibitor's freight or equipment, that the Exhibitor will not withhold payment in any amount due to Stetson for freight handling services or any other services provided by Stetson or its subcontractors as an offset against the amount of the alleged loss of damage. Instead, the Exhibitor agrees to pay Stetson prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against Stetson or its subcontractors shall be pursued independently by the Exhibitor as completely separate.
- 15. Customer and/or the consignor warrants that all shipments shall comply with all applicable hazardous materials rules and regulations for the applicable mode of transport and all other health, safety and security regulations. All shipments shall be properly packaged, marked and labeled and clearly identified. No dangerous goods shall be tendered to Freight Forwarder for transportation, handling or storage without prior written agreement of Freight Forwarder . Customer and/or consignor shall indemnify and hold harmless Freight Forwarder and all service providers from any liability, loss, damage, fine or suit arising from breach of the warranties set forth herein.

The placing of an order for the services of tradesmen and women and the use of equipment by an Exhibitor or any agent of the Exhibitor shall be construed as an offer subject to acceptance and approval of Stetson in its sole discretion. Upon Stetson's written acceptance and approval, the Exhibitor and its agents shall be bound by the terms and conditions set forth in Sections 1 through 14 above. Likewise, once Stetson has accepted and approved the Exhibitor's offer, any shipper consigning or delivering a shipment to Stetson or its subcontractors on behalf of Exhibitor shall be bound by the terms and conditions 1 through 15. above.

- See that the proper type and limits of insurance are in force.
- Avoid any conflict with labor and/or exhibit hall regulations and requirements.

EXHIBITOR APPOINTED CONTRACTORS:

Exhibitors may employ the service of independent contractors to install and dismantle their display, providing the Exhibitor and the installation and dismantling contractor comply with the following requirements:

• The Exhibitor must notify Show Management and Stetson in writing of the intention to utilize an independent contractor no later than 30 days prior to the first move-in day, furnishing the name, address and telephone number of the firm.

• The Exhibitor shall provide evidence that the Exhibitor Appointed Contractor has proper certificate of insurance with a minimum of \$1,000,000 liability coverage, including property damage, to show management and Stetson at least 10 days before the show opening.

• Any Exhibitor who does not have a certificate of insurance on file in the Stetson office 10 days prior to the show will be automatically assessed a \$200 fee, which will be charged against their security deposit.

• The Exhibitor agrees that he/she is ultimately responsible for all services in connection with his/her exhibit, including freight, drayage, rentals and labor.

• The Exhibitor Appointed Contractor must provide a certificate of insurance with at least the following limits: 1.) Comprehensive General Liability not less than \$2,000,000 with respect to injuries to any one person in an occurrence. 2.) \$2,000,000 with respect to injuries to more than one person in any occurrence. 3.) Workers' Compensation insurance including employee liability coverage, in a minimum amount not less than \$1,000,000 of individual and/or aggregate coverage. 4.) Stetson Convention Services must be named as an additional insured.

The Exhibitor Appointed Contractor must agree to abide by all rules and regulations of the show, including all labor rules and regulations.

• The Exhibitor Appointed Contractor must have all business licenses, permits and Workers' Compensation insurance required by state and city governments and the convention facility management prior to commencing work, and shall provide Show Management with evidence of compliance.

• The Exhibitor Appointed Contractor will share with Stetson all reasonable costs related to its operation, including overtime pay for stewards, restoration of exhibit space to its initial condition, etc.

- The Exhibitor Appointed Contractor must furnish Show Management and Stetson with the names of all onsite employees who will be working on the exposition floor and see that they have and wear at all times necessary identification badges as determined by Show Management.
- The Exhibitor Appointed Contractor shall be prepared to show evidence that it has a valid authorization from the Exhibitor for services. The Exhibitor Appointed Contractor may not solicit business on the floor.

• The Exhibitor Appointed Contractor must confine its operations to the client's exhibit area. No service desks, storage areas or other work facilities will be located anywhere in the building. Show aisles and public space are not a part of the Exhibitor's booth space.

• The Exhibitor Appointed Contractor shall provide, if requested, evidence to Stetson that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The Exhibitor Appointed Contractor must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.

• The exposition floor, aisles, loading docks, service and storage areas will be under the control of the Official Service Contractor, Stetson. The Exhibitor Appointed Contractor must coordinate all of its activities with Stetson. For services such as electrical, plumbing, telephone, cleaning and drayage, no contractor other than the Official Service Contractors will be approved. This regulation is necessary because of licensing, insurance and work done on equipment and facilities owned by parties other than the Exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.

FOR USE OF AN EXHIBITOR APPOINTED CONTRACTOR

CONVENTION SERVICES

A non-official contractor is a company other than the official contractors listed in the Exhibitor Service Manual that provides a service (display and installation, florist, photography, audio visual and other related services) and needs access to your booth during the installation and dismantling.

Due to the necessity of coordination and for security purposes, exhibitors who choose to use these contractors for activities during the move-in/out must complete this form, comply with all rules and regulations (listed on previous page) and supply Stetson Convention Services with all necessary information by the discount price deadline date indicated above.

This form will only be accepted if filled out by an authorized representative of the exhibiting company and the authorized 3rd party. Listed on previous page of this form are the rules and regulations regarding non-official contractors. Everyone must abide by these rules, which are accepted industry rules that were drafted by the International Association of Exhibitions and Events.

GENERAL FAQS

CAN I SUBSTITUTE MY TABLE INCLUDED IN THE BOOTH PACKAGE FOR ANOTHER TABLE?

We define your booth package furnishings with show management. If an exhibitor wishes to have something other than what is included, they
must order and pay for it in full. This includes a different table skirting color as well.

SHOULD I TELL YOU IF I DON'T WANT THE BOOTH PACKAGE FURNISHINGS IN MY BOOTH?

Once at show site, you can place the unwanted furnishings into the aisle and someone will come by to pick them up for you.

ARE RENTAL PRICES PER DAY?

No. Rental prices are applicable for the duration of the show. The only price that is per day is cleaning (see cleaning order form).

WHAT HAPPENS IF I FORGET TO CHOOSE A SKIRT COLOR FOR MY TABLE?

• Stetson will first contact exhibitors for their preference. If we don't hear back from you, the show color will be chosen.

WHAT CHAIRS WILL FIT UNDER THE 40" HIGH TABLES?

• The upholstered stools fit under the counter-height, 40" high tables.

WILL 9' x 10' CARPET FIT IN MY 10' x 10' BOOTH?

• Yes. It is typical in the trade show industry to leave a small gap in the back of a booth for any electrical cords, telephone cords, etc. This gap will be covered by the 8' high drape in the back of your booth.

CAN I ORDER 2 - 9' x 20' CARPETS FOR MY 20' x 20" ISLAND BOOTH?

Although the gap in a 10' x 10' booth is no problem, a gap in an island booth is a gap that can be seen. Aisle carpet will line the perimeter of your booth. The 9' carpets are meant to line up with the aisle carpet. This would leave a 2' gap down the center of your island booth. Additional labor charges may apply due to the type of labor needed for carpet installation. For an island booth, you should order special cut and lay carpet.

AM I ALLOWED TO BRING MY OWN FURNITURE OR CARPET?

• Yes this is allowed. Please be aware that freight handling charges will be applicable. Please consider what will be most cost effective for you and your company.

MY BOOTH IS DIRTY FROM MOVING IN-WILL STETSON CLEAN IT?

 Carpet is clean when installed. If it needs to be vacuumed from move-in, exhibitors are able to order opening day only cleaning or daily booth cleaning.

MY BOOTH IS TOO COMPLICATED/FRAGILE FOR STETSON PERSONNEL TO HANDLE—CAN WE WORK SOMETHING OUT?

Exhibitors are more than welcome to supervise and work along with the Stetson Personnel. The Stetson Personnel are working with trade show
displays often and are familiar with installing and dismantling. If you are unhappy with the workers provided, please visit the Stetson service
desk immediately.

DO I HAVE TO HIRE STETSON PERSONNEL IF A DISPLAY HOUSE IS HANDLING MY INSTALLATION AND DISMANTLE?

Your display house is required to use the same Stetson Personnel that has jurisdiction at the show facility. The display house should be aware of
this, but it would be smart to double check with your appointed display house to ensure a smooth move in.

WHAT IF I NEED TO LEAVE BEFORE MY EMPTIES RETURN?

You can order Stetson supervised dismantle labor at the Stetson service desk. Please provide all dismantle and outbound shipping information
and be sure you have a credit card on file. Stetson will dismantle, pack up and ship out your booth materials for you.

WHEN WILL MY CREDIT CARD BE CHARGED?

Throughout the show process, there is a possibility of 3 charges: pre-show, show, and post-show. Pre-show charges will include all tangible items
ordered (tables, chairs, carpet, advance warehouse freight). Show charges include show site orders, installation labor and freight handling. Postshow charges will include dismantle labor and any charges incurred from the move-out of the show.

CONVENTION SERVICES sustainably produced expositions

Showcase for Commerce exhibitors receive (1) 6' x 30" skirted table with a compostable table covering and (2) folding chairs per 10' x 10' booth space at no charge. Although these are included with the purchase of the booth space, exhibitors must request these items prior to the show.

The below chart is for each $10' \times 10'$ space. For a $10' \times 20'$ booth space, you are able to receive double the tables and chairs. For example, a $10' \times 20'$ booth space could request (2) tables and (4) chairs by placing a "2" in the "Qty." box for the first option.

- Each Table Top Exhibitor receives a 8' x 30' undraped table. Chairs are available upon request. Please see offer below.
- Any exhibitor who requests these furnishings after the deadline date or at show site will be charged at the standard price rate. Please contact our Exhibitor Services Department with any questions.
- The exhibit hall will be cement flooring with red carpet lining the aisles. Exhibitors interested in carpet rental may do so by submitting page 13 (Carpet Order Form).

EXPLANATION OF FREIGHT HANDLING TERMS

CRATED OR SKIDDED: Material that is skidded or shipped in a container (crate, skid, display case, box), that can be unloaded at the dock with no additional handling required.

UNCRATED: Materials shipped loose or pad wrapped, or unskidded materials with no proper lifting bars or hooks.

CONVENTION SERVICES

SPECIAL HANDLING: Shipments received in such a manner that it requires additional time, labor or equipment to unload, sort or deliver. Please see below for specific definitions:

- NO LABELS: Shipments that arrive without labels clearly stating Exhibitor Name, Booth # and/or piece count.
- NO DOCUMENTATION: Shipments that arrive without a Bill of Lading and/or a certified weight ticket. Hand-written weight tickets are not acceptable.
 BOL must contain shipper, carrier, origin, piece count and type as well as weights. Van lines (UPS, FedEx, DHL) typically do not include documentation.
- REWEIGH: All shipments are typically reweighed at show site. Bill of Lading weights will be compared to on-site weight tickets to ensure accuracy.
- STACKED SHIPMENTS: Shipments loaded in a way that multiple items are "stacked" in the vehicle or loose items placed on top, which requires items be removed to ground level first.
- GROUND (UN)LOADING: Vehicles that are not at dock level prevent the use of a loading dock. U-Haul's, flat beds, and company vehicles with trailers are included in this category.
- SIDE DOOR (UN)LOADING: See Ground Unloading. Also, shipments packaged in a way that it must be accessed through the side door of the delivery vehicle.
- CONSTRICTED SPACE (UN)LOADING: Trailers loaded tightly (side to side/top to bottom) that shipments are not easily accessible.
- MIXED SHIPMENT: Multiple pieces from multiple exhibitors in one delivery that requires additional labor to sort and separate shipments to deliver correctly to each booth.
- DESIGNATED PIECE (UN)LOADING: Shipments requiring a certain sequence of unloading or loading, reloading after loading to ensure it fits properly or moving around pieces to unload properly.
- CARPET ONLY: Carpet and/or pad require additional labor and equipment to handle.
- ALTERNATE LOCATIONS: Exhibitor freight that must be delivered in more than one area, floor or building.
- UNFORESEEN CIRCUMSTANCES: Stetson takes full measures to avoid complication at show site. Possible hourly labor in addition to special handling to all
 exhibitor freight when show site circumstances are out of Stetson's immediate control such as construction, elevator complications, unforeseen material
 handling complications or stresses, or minimal on-site dock access.

ADDITIONAL CHARGES

- Early/Late to Warehouse—Freight received before the 30-day window or after the deadline date will incur a 25% surcharge.
- Off Target—Freight received outside of designated exhibitor move-in times or target times will incur a 25% surcharge.
- Mobile Rolling Rate/Spotting Fee—this is a flat rate fee for any vehicle, piano or other item on wheels that enters/exits the exhibit hall with labor assistance (please call for details).
- Jockey Fee—Shipments arriving at the warehouse after the transfer date will incur a special delivery charge if the exhibitor wishes to have the materials delivered to the show. This charge is based upon weight, dimensions, show location, weekday/weekend, after hours, and/or holidays.
- Forwarding Fee—Shipments returned to the warehouse for holding or re-forwarding will be charged \$50.00 per day and \$50.00 per 100 lbs with a \$150.00 minimum.

MONEY SAVING TIPS: SMALL PACKAGE SHIPPING WITHOUT DOCUMENTATION

- Express shipments such as FedEx, UPS and DHL are delivered without documentation, such as a Bill of Lading or certified weight ticket. These packages will be delivered to the booth without guarantee of piece count or condition. Shipments received without documentation will be included in the category of Special Handling because of the additional time and labor involved.
- Consolidate small packages to save money. Packages received separately will be billed per receiving event.
 (i.e.) Three separate shipments: 58 lbs. @ 200 lb. minimum, 62 lbs. @ 200 lb. minimum, 70 lbs. @ 200 lb. minimum
 All three shipped together: 190 lbs. @ 200 lb. minimum

BENEFITS OF PREFERRED ON-SITE CARRIERS

- Stetson will have at least one preferred carrier on site at the close of your show. They provide all of the necessary paperwork and scheduling to ensure a smooth move out.
- Benefits: Exhibitors will not have to worry about carrier "wait" times and the charges those incur.
 Exhibitors will not have to wait for their carrier to show up.
 Representatives will be on site to answer all questions regarding shipment, delivery and charges.
 - Overtime charges can be avoided.

SHIP EARLY

Shipments arriving late to the warehouse or show site can cost time and money. Ship as early as possible. Our advance warehouse accepts shipments at
least 30 days prior to move in.

FREIGHT HANDLING FAQS

WHAT IS THE DIFFERENCE BETWEEN SHIPPING AND FREIGHT HANDLING?

- Shipping is making arrangements with a carrier or courier to transport your exhibit materials to the advanced warehouse or to • show site and/or outbound from the show to your specified destination.
- Freight handling is the service provided by Stetson to handle your shipment once it arrives to the advanced warehouse or at show site until it leaves show site. This includes unloading of freight, storing at warehouse, delivery to show (if sent advance) and your booth, storage of empty containers, return of empty containers, handling to dock area, reloading onto carrier.

CAN I CARRY MY OWN MATERIALS IN?

- You are only permitted to carry in what one person can hand carry in one trip without the use of hand trucks or dollies.
- You are not permitted to hand carry through the dock area. Hand carrying applies to front entrance only.

DO I SEND MY SHIPMENT PREPAID OR COLLECT?

- Only prepaid shipments will be accepted. This ensures that transportation charges will be paid by the exhibitor or third party. .
- Collect shipments will be returned to the delivering carrier.

HOW DO I ESTIMATE MY COST?

. Freight handling rates apply to each CWT (100 lb. increments) or fraction thereof, and are based on the actual inbound weight. To calculate total pounds of shipment, round up each total shipment weight to the nearest 100 lbs. (ex: 325 lbs. would be rounded to 400 lbs.). Any weight of 51-200 lbs. should be calculated at 200 lb. minimum.

WHAT IS A BILL OF LADING?

- A Bill of Lading is a document that establishes the terms between a shipper and a transportation company. This carrier issued receipt indicates the condition the transported material is received and includes piece count, weight and type of merchandise.
- A certified weight ticket is required to avoid surcharges. A weight ticket that is hand-written is not accepted as certified.

HOW DO I LABEL MY PACKAGES?

- To ensure safe arrival of your material and to avoid surcharges, each item should be properly labeled with the exhibiting company's name, the booth number and the name of the event.
- Labels for Advance to Warehouse or Direct to Show Site are enclosed on the pages following the freight handling order form.

DO I NEED INSURANCE FOR MY SHIPMENT?

It is highly recommended that your materials are insured from the time they leave your firm until they are returned after the show. Exhibitors are encouraged to arrange all-risk coverage by placing "riders" to your existing polices. Stetson Convention Services is not an insurer. Please visit <u>www.exhibitorinsurance.com</u> for more information.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- You can pick up empty labels at the Stetson service area to label each of your pieces for empty storage. These labeled pieces will be picked up and stored by the end of move-in hours.
- At the close of the event, empty containers will be returned to your booth once aisle carpet has been removed (if applicable). Depending on the size of the show, this could take up to several hours.

HOW DO I SHIP MY MATERIAL AT THE CLOSE OF THE SHOW?

- Shipping information, labels, Bills of Lading and personal assistance are available at the Stetson Service Desk. Each shipment must be properly labeled and have a completed Bill of Lading to ship materials from the show.
- Call your designated carrier with pick-up information and turn the completed Bill of Lading into the Stetson Service Desk to ensure pick up once your exhibit is packed up. Remember to leave ample time for empties to be returned.

WHAT HAPPENS IF MY CARRIER DOES NOT SHOW UP BY THE DESIGNATED TIME?

- Should your carrier fail to pick up or refuse to accept shipment, Stetson reserves the right to reroute to the show carrier or deliver back to the warehouse at the Exhibitor's expense.
- Shipments can be returned to warehouse for holding or re-forwarding until your carrier arrives to pick it up. It will be charged \$50.00 per day and \$50.00 per 100 lbs., with a \$150.00 minimum.
