Our full address is: Waters & Stanton Ltd, Spa House, 22 Main Road, Hockley, Essex, SS5 4QS, UK. TELEPHONE: 01702-206835 or 01702-204965. FAX: 01702-205843. Email: sales@ wsplc.com. The first telephone number has an answering machine in use outside of office hours. Shop and office hours are 9am to 5.30pm Monday to Saturday inclusive. We only close Sundays & Bank Holidays. We accept Cheques for any amount as long as you put a cheque guarantee card number and the expiry date on the back of them. Goods so ordered will not be delayed as we use the Transax checking system. Cash & Postal Orders, (send by special delivery) are also accepted, as are Mastercard, Visa, Solo, Delta, Maestro, Electron, JCB, Fortoak and American Express. Maestro customers please let us have the issue number as well as the Maestro card number and the start date and expiry date of your card. (Sorry, no Electron cards by mail order).

For our customers who require credit we offer a variety of agreements including Buy Now Pay Later on items over £250.00. Please contact us to discuss your requirements. Also available are gift vouchers for any amount. These are ideal as presents, prizes and incentives. There is no time limit imposed on using them. Gift vouchers can only be used to purchase goods and services from our company. There is no extra charge for the voucher when it is purchased or on redemption. However, no change can be given when spending the vouchers. We charge posting and packaging at cost and try to keep these charges to a minimum. We also take into account security and our postage charges do include insurance in case the parcel is lost or damaged In transit. Peace of mind is therefore guaranteed when you buy from Waters & Stanton. In the unlikely event of your parcel going astray we will send another package and make the claim ourselves. Please bear in mind that we can usually send many different pieces of equipment for just one postage charge. So you can save money by ordering more than one item! Unless we advertise differently, postage, packing and insurance charges are coded in the price list as follows:

CODE A: Packet post for goods up to 2Kg or £30 value	£ 4.00

CODE Q: Special case please contact us first	£?

We treat each and every order as very important and try to despatch them the same day that they are received by us. If however, speed or time of delivery is important then please state this when placing your order. If required, customers may pay extra for one of the faster methods of delivery. Please note that our parcels are collected around 4pm

therefore orders received after this will be sent out the next day. We aim to maintain quantities of all the goods listed, but as there are over 6300 items on this price list, we can be out of stock of an item from time to time. If we are out of stock of the item that you have ordered we will advise you as soon as possible and await your further instructions. Once we receive an order It is transferred straight onto computer so that every customer is given a unique order number. We can, therefore, look up any order within seconds to find out the current progress and put a customers mind at rest. There is a large showroom at these premises (2000 square feet) for those who can visit us. It is well worth a browse. The shop Is near Hockley railway station (Liverpool Street 45 minutes). Southend Airport (24 hour taxi rank) is 3 miles away. There is ample free parking at the front and rear of the premises for those of you travelling by car.

A question that you may well ask yourself before you spend your hard earned cash is: Where does the equipment we sell come from? Well we are either the official UK importer of the equipment we stock or appointed authorised distributors giving you full confidence in our after sales service when buying from us. We have full time engineers here to help you - who else can say that? We stock a wide range of free leaflets on most of the items in our price list, please contact us for these and we will be happy to send them to you. Do not worry about asking for the information you need. A stamped self addressed envelope is a help to us. Technical staff are on hand so if you need any help or advice feel free to contact them.

Many of our customers come to us because we offer them a complete service. Many advertisers will sell you a radio if you want one, but try and get some leaflets or other impartial advice and you will come away thinking that you must have asked them for the Crown Jewels. Too many of our customers have told us horror stories of the time that they purchased goods from another firm only to find that when they needed help on how to use the radio the firm either could not help or had gone bust. The message is clear: buy your goods from a firm that will still be there when you need them. We do not expect our goods to develop faults, but if they do we guarantee to sort matters out to your complete satisfaction.

Our prices Include 20% VAT, except books which are zero rated. EU customers now have to pay VAT unless they are VAT registered. Other overseas customers can still buy at ex VAT prices so 20% can be deducted from the prices listed. Carriage Is charged at cost and as this varies enormously each overseas order will have to have a separate carriage quote from us unless they arrange their own carrier. We deal with many enquiries from overseas and are able to offer a mail order service all over the world. The easiest way to do this is to ask us for a for a pro-forma invoice and then give us your credit card details if you accept the quote. We will supply our bank details for a direct credit. Please do not hesitate to contact us if you need any information at all. Overseas visitors to our premises will be offered a VAT refund form where appropriate.

This price list supersedes all previous Waters & Stanton price lists, it has been put together in good faith and every step has been taken to ensure that the prices listed herein are accurate at the time of going to print. However, due to circumstances beyond our control, prices do vary from time to time for different reasons and we cannot be held responsible for this. We know that special offers are advertised by our competitors in the various magazines. Contact us to confirm price before sending an order if you want to be certain of the deal that you are going to get. All prices are shown in Sterling £.

All the staff here work hard to assure that you receive their best attention at all times, please put them to the test.

We know that you would rather buy from us and due to forces beyond our control such as exchange rate fluctuations & manufacturers offers, the prices in this list can change on a day to day basis. Therefore we offer our original 'PRICE MATCH' You can't buy cheaper! Guaranteed! If you see any products advertised or get a written quotation from any of our competitors (who must be authorised dealers for that product) cheaper then the prices listed here then tell us and we'll match or better the price on the spot! And don't forget our '10 DAY MONEY BACK GUARANTEE' if you purchase your goods by mail order and you are not completely delighted with your purchase.
