Getting to Know Your Two

Your **MOTO Q™ 9m** has two home screens, Home Screen.

Multimedia Home Screen

One-touch access for all multimedia needs.

Screen Keys

-  Rewind to beginning of song/video
-  Press to play or pause music/video
-  Fast forward to next song/video
-  Access full music/video library
-  Open full screen mode for best viewing
-  Activate Music and Video mode to access songs/videos from library
-  Activate Picture mode to view pictures from library
-  Activate camera to take pictures or videos
-  Go to V CAST to get music¹
-  Volume control. Use thumb wheel to maximize or minimize volume

When you turn on your new **MOTO Q 9m** for the first time, the multimedia home screen will appear.

Get V CAST Music¹

Use V CAST to download music over the air. While on the go, the V CAST Music store is open 24/7. No wires or computers necessary.

Follow These Steps to Buy Music

Note: Your phone must be in an EVDO coverage area to download music.

1. Using the thumb wheel, scroll to and select the V CAST Music icon 
2. Browse catalog to find songs you want
3. To Preview, press the left soft key
4. Highlight Song > Buy 
5. Press  again to confirm selection
6. Press OK  (or choose to download later)
7. Select storage to Phone Memory or Memory Card to begin downloading

Insert Memory Card

Store all your new songs on a memory card to keep your MOTO Q 9m memory free!

1. Open memory slot
2. Insert card with metal contacts facing downward, toward back of phone

Note: Memory card icon  will appear at top of screen if inserted correctly.

3. Push cover back in place to close

Play Your Music

Play Downloaded Music or Videos¹

1. Use the thumb wheel to scroll to and select the music & video icon . This will put you into the music and video mode. Your device may already be in this mode and your display may not change

Note:  will take you to V CAST.

2. Scroll to and select the music library icon 
3. Select Update Library (this will ensure all your music is updated to your library)
4. Select All Media
5. Scroll to and select your song; your music will start playing

Tip: To stop playing your music, push the center select key. To resume music, push the center select key again.

Note: You only need to update your library after downloading new music or videos to your phone.

Navigate Key Features

Send Text Message from Dial Pad¹

1. Type in the contact's phone number
2. Press the right soft key (Menu)
3. Select Send Text Message and compose your message

Note: Press the function key  to switch between numbers and letters when typing. Press the shift key to switch between lower case and upper case characters.

4. Press the left soft key (Send)

Send Text From Your Contact List¹

1. Press the right soft key (Contacts) and select desired recipient
2. Scroll down and select Send Text Message

Browse the Internet¹

1. Press the left soft key (Start) and select Internet Explorer 
2. With the browser open, press the right soft key (Menu), and select Address Bar
3. Clear URL in address bar field by holding down backspace key 
4. Enter URL and press the left soft key (Go)

Personal Email Setup¹

Get your Yahoo!®, AOL®, Gmail®, Hotmail® or other POP3 emails right on your **MOTO Q™ 9m**. Setup is quick and easy!

Follow These Steps

1. Press the left soft key (Start)
2. Messaging
3. New E-Mail Account
4. Enter email address
5. Select "Try to get email server settings from internet"

Note: If your phone finds your account settings, it automatically fills in the following screens. If your phone cannot find your settings, contact your email provider to get settings.

6. Press the right soft key (Next)
7. Enter username and password
8. Press the right soft key (Next)
9. Press the right soft key (Finish)

Note: Steps may vary by email provider.

Tip: Save more battery life by extending your email Send/Receive intervals: Press the Messaging key  > select an email account > Menu > Settings > Next until you can change the Automatic Send/Receive interval.

¹ Network dependent feature, not available in all areas. Airtime, data charges and/or additional charges may apply. Wireless email functionality requires an email account with wireless server capabilities.

Certain mobile phone features may not be available throughout the entire network or their functionality may be limited. All features, functionality and other product specifications are subject to change without notice or obligation.
