This phone is sold for use on Cingular Wireless systems. It may not be compatible with other wireless systems. © 2003 Cingular Wireless LLC. Cingular Wireless and the graphic icon are registered trademarks of Cingular Wireless LLC.

Copyright © 2003 Nokia. All rights reserved. Nokia, Nokia 3300 and Xpress-on are trademarks or registered trademarks of Nokia Corporation. Java is a trademark of Sun Microsystems, Inc. Other company and product names mentioned herein may be trademarks or trade names of their respective owners. Many features and mobile services are network dependent and require network support. Some networks have limitations that affect how you can use phone features. Contact your service provider about feature support and availability. MMS requires compatible network/devices – content appearance may vary depending on the digital content formats supported. May not be able to send protected image files with some MMS messages. Nokia operates a policy of ongoing development and therefore may make changes to products or specifications without prior notice. Product color may vary.

Note: Some phone features, such as phone book, text and multimedia messages, images and ringtones in the Gallery, calendar and to-do notes, and Java games and applications, share memory (storage space). Using any of these features may reduce the amount of memory available to shared memory features.
