

WorkForce® Pro GT-S50

Document Image Scanner

The WorkForce Pro GT-S50 document image scanner offers an amazing value with its remarkable reliability, powerful performance and easy-to-use features. With a daily duty cycle of up to 1200 sheets, plus a 75-page feeder, it's ready to tackle any task in busy office environments.

Scan everything from business cards to rigid ID cards and documents up to 8.5x36 inches. The GT-S50 easily scans both sides of one sheet in just one pass — in color, grayscale or bi-tonal. It's never been easier to electronically capture critical documents.

Whether you need a faster way to access shared documents, a more affordable way to comply with government mandates or a better way to maintain the integrity of important documents, the GT-S50 is the perfect place to start.

Designed by Epson, a leader in digital imaging, the GT-S50 offers robust paper handling capabilities and quality you can depend on — all from a compact, desktop scanner.
