

FILM 2 PC 135/110MM FILM AND SLIDE SCANNER

Bring your old
pictures back to life!

FILM 2 PC makes it easy and fun to rediscover your 135mm and 110 film negatives, as well as 135mm slides on your computer. Incredibly fast, one-touch scanning and a single-cable connection make FILM 2 PC perfect for archiving your memories, your family's memories and your friends' memories! Just install the included Arcsoft MediaImpression software on your computer, and connect FILM 2 PC using the attached cable, and you're ready to reacquaint yourself with your old pictures! Color or black and white, slides or film negatives, FILM 2 PC does them all!
