12 Volt Floodlight

No Generator Needed!

KR-SB-800-SL Short Leg Tripod

The new Silver Billet™ tripod is the perfect portable light for every emergency scene. This shortened length version of the already industry-proven Kwik-Raze® Tripod fits in small areas like sedan trunks. Heavy duty hardware and quality construction make this the most reliable tripod on the market. Runs directly from 12 volt lighter plug. 70 watt HID draws only 6 amps. 9 foot, 12 volt coil cord comes standard with tripod. Shown with standard Grille Guard (KR-GG-3000 or KR-GG-5000) and Optional 12 Volt 50' Extension reel (KR-EC-50).

KR-SB-800-SL with Magnafire KR-3X or KR-51 Lighthouse: Closed height: 50.5" (Tripod is 41.75" closed without the light)
