# Dream Architectural Specification

Notes: Unless otherwise specified

- 1. Subject to change without notice.
- 2. Engineering specs may differ slightly from brochure.
- 3. For E-Z lifter installation allow 18" (45.7 cm) clearances on the backside of the spa.
- 4. Alternative cabinets may add significant weight. Ask your dealer for exact details.

Caution:  
Due to manufacturing tolerances there could be some minor differences between the actual spa and the drawing above.  
If site planning is critical to such tolerances, be sure to measure your actual spa.
