Installation Instructions

SUPPLEMENT TO THE ELECTRONIC STEAM  
POWER HUMIDIFIERS MODEL #S2000 AND S2020  
MODEL # S2000 AND S2020

The Field Controls steam humidifier can be equipped with a field installed Decorative and Protective Cover for Under the Duct Installations only. The SC100 provides a protective shell around the exposed insulated tank and provides a visually pleasing finish to the installation.

The SC100 is just the latest innovation in the Field Controls Steam Humidifier line as we continue in our pursuit of Excellence Without Compromise.
