

Dear Rider:

Skagit Transit is pleased to announce the introduction of Route 40X, an express bus making nine round trips between Skagit Station in Mount Vernon and March's Point in Anacortes. I am also pleased to announce the opening of the Sedro-Woolley Park and Ride that will replace the Food Pavilion as the main transfer station for routes serving East County residents. Passengers should also take advantage of online trip planning through www.skagittransit.org for transit trips within Skagit County and beyond.

At Skagit Transit, we are committed to providing quality public transportation that enhances the lives of Skagitonians. We are able to provide this service because of your support.

On behalf of the Skagit Transit staff and Board of Directors, thank you, and enjoy your ride!

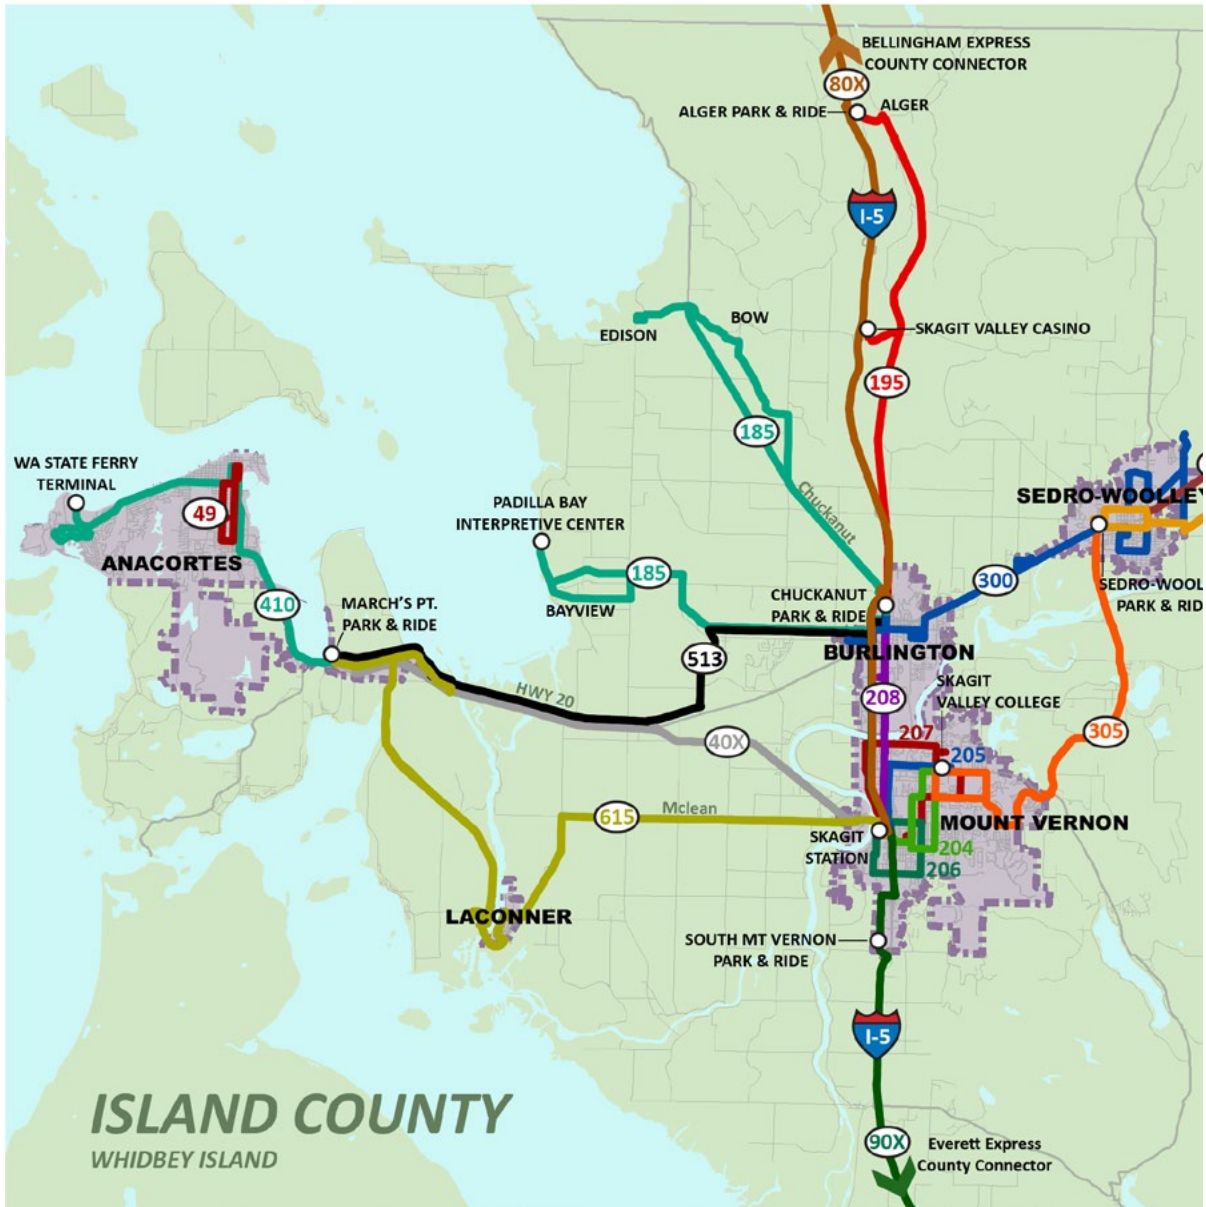

Sincerely,

Dale S. O'Brien,

Bus Schedule 101

First, look at the system-wide map on page 2 to see which bus route will take you to your destination. Then, turn to the page that shows that route's map and timetable. The timetable is a schedule that is read from left to right. It shows starting and ending points and times that the bus is scheduled to be at those locations. The route maps show the location and travel path of the bus route. If you will be boarding at a stop along the route that is not a listed time point, use the earlier time point as a guide.

Horario del Autobús 101

Los mapas de rutas muestran la ubicación y recorrido de la ruta de autobús. Si abordará en una parada de la ruta que no tenga una hora designada, use la parada anterior como guía.
