**NET CONTENTS: 5 GALLONS (18.9 L)**

## UP AND AWAY

**UP AND AWAY** Floating Lift Station Degreaser quickly dissolves heavy grease and fat accumulations in a lift station. Powerful solvent formula dissolves tough build ups on the walls of the lift station and keeps future build up to a minimum. Removes most sewer odors and gases caused by vertical buildup of grease, fat, sewage and magnesium soap. For use in wet wells, grease traps, sewage treatment plants, vault toilets, and sanitary and storm sewers. Keeps hoses and pumps functioning properly.

### **DIRECTIONS:**

Pour **UP AND AWAY** directly into the lift station. For ideal performance an 8- to 12-inch layer is required. The fluctuation of the water level during the operation of the lift station will degrease and clean the side walls of the lift station wall.

Individual lift station activity will determine the necessary frequency of application. One application can last up to 3 months.

### **MODO DE EMPLEO:**

Vierta el producto directamente en la estación de ascenso. Para un rendimiento ideal se requiere una capa de 8 a 12 pulgadas. La fluctuación del agua durante la operación en la estación de ascenso desengrasará y limpiará los lados de las paredes de la estación.

### **WARNING:**

Harmful if swallowed. Combustible. Contains petroleum distillates. Avoid frequent or prolonged contact with skin. Use only in well ventilated area. Do not use near heat, sparks or open flame. If swallowed, do not induce vomiting. Call a physician immediately. **KEEP OUT OF REACH OF CHILDREN.**

### **ADVERTENCIA:**

Dañino si es ingerido. Combustible. Contiene destilados de petróleo. Evite el contacto frecuente o prolongado con la piel. Use solo en áreas bien ventiladas. No se use cercas del calor, chispas o llama abierta. Si es ingerido, no induzca vomito. Llame al médico inmediatamente. **NO SE DEJE AL ALCANCE DE LOS NIÑOS.**

Contains (CAS#): Mineral Spirits (8052-41-3).

HMIS Ratings: Health - 0, Flammability - 2, Reactivity - 1, Personal - B.
