

SHAKE WELL BEFORE USING (AGITE BIEN ANTES DE USAR)

Kills Cockroaches, Ants, Carpenter Ants, Crickets, Firebrats, Fleas, Silverfish and Spiders.

STOP Read entire label before use.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For indoor residential use only.

HOW TO USE

1. Shake well before each use.
2. Spray insects to kill on contact.
3. For long-lasting control, treat areas where insects are commonly found. Spray surfaces until wet, moving the spray rapidly to prevent excessive wetting and waste of product. Allow surfaces to remain wet for five minutes.
4. When treating for ants, spray around door and window frames. Also treat other entry points and trails.

NOTE: Point spray away from people, pets and plants. Do not use as a room spray. Do not allow people or pets to contact treated surfaces until spray has dried.

Remove pets and cover aquariums before spraying. Do not allow the spray to contact food or food-contacting surfaces. Thoroughly wash dishes, utensils and countertops with soap and water if they are sprayed with this product.

Test inconspicuous sample of fabric or rug for staining before use.

Mata cucarachas, hormigas, hormigas carpinteras, grillos, tisanuros, pulgas, lepismas y arañas.

ALTO Lea toda la etiqueta antes de usar.

MODO DE EMPLEO

Se considera una violación a la ley federal usar este producto de una manera que no sea la indicada en la etiqueta. Para uso residencial en espacios interiores solamente.

CÓMO USAR

1. Agite bien antes de cada uso.
2. Rocíe sobre los insectos para matarlos al contacto.
3. Para un control duradero, trate los lugares donde normalmente se encuentran los insectos. Rocíe las superficies hasta que estén mojadas, moviendo el rociador rápidamente para evitar mojarlas en exceso y desperdiciar el producto. Permita que las superficies permanezcan mojadas durante cinco minutos.
4. Para el control de las hormigas, rocíe alrededor de los marcos de puertas y ventanas. Trate también otros lugares de entrada y los caminos de hormigas.

NOTA: Dirija el rocío lejos de las personas, las mascotas y las plantas. No lo use para rociar habitaciones. No permita que las personas ni las mascotas entren en contacto con las superficies tratadas hasta que el rocío se haya secado.

Antes de rociar, retire las mascotas y cubra las peceras. No permita que el rocío entre en contacto con alimentos ni con superficies que entren en contacto con alimentos. Lave muy bien con agua y jabón los platos, utensilios y cubiertas de cocina en caso de que se rocíen con este producto.

Antes de usar el producto, pruébelo en una muestra del tejido o tapete que no se vea para asegurarse que no manche.

Use as a Spot Treatment Indoors

Para usos localizados en espacios interiores

Along & behind baseboards

A lo largo y detrás de los bordes inferiores

Around & beneath appliances

Alrededor y debajo de los electrodomésticos

Beneath & behind sinks

Debajo y detrás de los fregaderos
