

Frigidaire®

Frigidaire® Affinity™ Front Load Laundry Products PRODUCT FACTS

Now homeowners who have an affinity for great style and high performance can enjoy both with the new Frigidaire® Affinity™ Front Load Laundry Products. From the world's largest manufacturer of front load products, Affinity is the centerpiece of Frigidaire's existing line of front load laundry products.

Affinity Front Load Laundry Products [ATF7000ES, ATF7000EP, ATF7000EG]

- *iCare™ Ultra*: Intelligent fabric care system that gently washes, plus a deep clean option and our most advanced drying system to keep your clothes looking their best
- *iWash™ Ultra*: Intelligent wash system that automatically customizes each load for a whiter, brighter, cleaner wash, plus a deep clean cycle to help better treat stains
- *iDry™ Ultra*: Intelligent drying system with moisture sensor technology that precisely dries clothes for enhanced fabric care
- *TimeWise™ Technology*: Wash time equals dry time so you make fewer trips to the laundry room
- *SilentDesign™*: Whisper-quiet washing so you can do laundry where you live
- Available in glacier blue, platinum ice and artic white

7000 Series MSRP: Starting at \$899 for washers and \$699 for dryers
