

FRONT LOAD WASHERS

WM1815CS

Performance

- Large Capacity (3.42 cu.ft. IEC)
- Direct Drive Motor for the ultimate in durability and reliability
- 900 RPM maximum spin for efficient water extraction

Intelligent Fabric Care

- SenseClean System for intelligent fabric care, water and energy efficiency
- 5 Washing Programs
- 5 Temperature Levels
- 4 Tray Detergent Dispenser
- Delay Wash by 9 hours for washing convenience

Style and Design

- Upfront Electronic Control Panel with Press-A-Cycle in silver accents
- Chrome Rimmed Door with Clear Glass
- Stackable with Matching Dryer
- Optional Drawer Pedestal

Environmentally Friendly

- LoDecibel Quiet Operation
- Highly Energy and Water Efficient

Titanium

LG front load washers exceed Energy Star® classifications by a minimum of 39%.

FRONT LOAD WASHERS

Stackable or Side by Side?

Your Choice. Less space? Try stacking the washer and dryer. More space? Place them side by side or under a counter. Don't want to bend down so far to load or unload clothing? Add our 13.7" high drawer pedestals. It also doubles as a great place to store laundry products.

Electronic Control Panel with Press-A-Cycle

Intuitive controls allow you to "press and go".

Direct Drive Motor

Power is delivered right to the drum from the motor without belts, resulting in a highly durable, powerful and quiet washing machine.

SenseClean System

The water level and wash time are set automatically based on the weight and size of each load for optimal washing care.

LoDecibel Quiet Operation

Direct Drive and auto balancing reduced noise dramatically compared to conventional motors.
