## LANGUAGE INTERPRETATION AND TRANSLATION SERVICES

At Health Choice Utah, we know that it may be hard to understand your health care if English is not your first language or you are hard of hearing.

Our Member Services team can help you in the following ways:

- We have many doctors in our network who speak or sign other languages. The list of providers in this handbook shows other languages our doctors speak. There is also an index of providers by language.
- Our Member Services team can also help you find a doctor that understands your language and culture.
- If you need language services, we will provide interpretation services at no additional cost. You can ask for an interpreter. Please call and request an interpreter at least four days before your routine appointment.
- If you are hard of hearing, you can call Relay Utah at **711** or **toll-free at 800-346-4128**. Telephone relay, or TTY/TDD, is a free public service. Call Health Choice Utah Member Services to have someone translate sign language for your medical care.
- If you have a hard time speaking, you can call **888-346-5822 (toll-free)** and a specially trained person will help you.
- You can also call us if you need any of our printed information in another language or a different format at no cost.

## TRANSPORTATION

If you are having a true emergency, **call 911** right away. The Utah Medicaid Program covers emergency transportation.

If you do not have your own transportation to and from your medical appointments, you can ask the Utah Department of Workforce Services (DWS) for a Utah Transit Authority (UTA) bus pass. You can contact DWS by calling **866-435-7414 (toll-free)**.

The Medicaid program may also cover non-emergency transportation for medical appointments. You must have a medical reason to qualify for transportation. Please call PickMeUp Medical Transportation at **888-822-1048 (toll-free)**.

If there is a medical reason that you cannot use the bus, you may be able to use services through UTA FlexTrans. To apply for this service call the Medicaid Information Line at **801-538-6155** or **800-662-9651 (toll-free)**. Ask to speak with the Transportation Unit when you call.

## STATE MEDICAID ID CARDS

Every Health Choice Utah member will be issued a plastic Medicaid member identification (ID) card.

You will need to show your ID card to get medical care and prescription drugs. Make sure you bring your card with you when you go to the doctor or drug store.

Here are a few things you should know about your Utah Medicaid card:

- Check your card when you receive it to make sure all of your information is correct. Tell your eligibility worker at the Department of Workforce Services (DWS) if there are any problems.
- Show your current Medicaid card every time you have services.

You must report all life changes to the Department of Workforce Services (DWS). Life changes can include new address, phone numbers or name changes.

You can contact a DWS office by calling toll-free at 866-435-7414.

Protect your Member ID card:

- Keep your card with you at all times. Do not throw the card away.
- Never let someone else use your card.
- Misuse of your card by selling, loaning, or giving your card to someone else could result in the loss of your eligibility and/or legal action.
- Call DWS to get a new or replacement member ID card.

## ABOUT HEALTH CHOICE UTAH

### Health Choice Utah is a Medicaid Plan for the State of Utah

Health Choice Utah is a managed care plan. We are a Medicaid contractor for the Utah Department of Health (UDOH). This means that Health Choice Utah has contracted with UDOH to provide Medicaid covered services.

As a member of Health Choice Utah, you have access to all Medicaid covered benefits. You can choose your own primary care physician (PCP) from our list of contracted PCPs. Your PCP will help you get your medical care.

By reading this handbook, you will learn about the services covered by Health Choice Utah. It will help you know when you need to get approval for a service and when you may need to pay.

You will be a Health Choice Utah member as long as the following are in place:

- 1) You are still eligible for Medicaid.
- 2) You live in our service area.
- 3) You decide to stay a Health Choice Utah member, and do not change to another plan.

If you have any questions, please call Health Choice Utah Member Services.

## CAN I CHANGE MY HEALTH PLAN?

If you live in Box Elder, Cache, Davis, Iron Morgan, Rich, Salt Lake, Summit, Tooele, Utah, Wasatch, Washington, or Weber counties:

- You can change your health plan from mid-May to mid-June.
- Your new health plan will begin on July 1.
- A letter will be sent to remind you when you can change your plan
- Once you choose a new health plan, you have 90 days to decide if you want to make another change.
- If your current health plan is not working for you, contact your Health Program Representative. Changing your health plan might change the providers you can use.
- If you live in other counties that we service, then you can change your plan at any time of the year.

### Involuntary disenrollment

Health Choice Utah may ask that you be removed (disenrolled) from the health plan. Some reasons for removal might include:

- If you are abusive, threatening or act violent
- If you do not follow medical advice or you do not keep a good relationship with your doctor
- If you allow someone else to use your Medicaid card

### Changing your health plan

We want you to be happy with Health Choice Utah as your health plan. If you are not happy with our service, we would like to know so that we can improve.

If you want to change to another health plan, you must call or see a Medicaid Health Program Representative (HPR). Only an HPR can assist with health plan changes. To contact an HPR call **866-608-9422 (toll-free)**.

### **Changes to your personal information**

Please contact both DWS and Health Choice Utah if you or your family's information changes. Changes you should report include:

- Moving to a new address
- Phone number changes
- If you get married or divorced
- Adoption

It is important to tell us about address changes, because both Utah Medicaid and Health Choice Utah may send information to you. To make sure you get the information you need, we need your correct address.

### **Information about Health Choice Utah**

## ABOUT YOUR SERVICES

### OUT-OF-AREA COVERAGE

Your service area is the counties listed in the Provider Directory. Health Choice Utah will pay for covered services in your service area.

If you travel outside your service area and you need medical care, Health Choice Utah will pay for emergency and urgent care services only. Please note that providers outside of Utah must be willing to bill Health Choice Utah for services.

Any other medical care must wait until you return to your service area.

Health Choice Utah cannot cover medical care you receive while outside the United States. Emergency and urgent care services are not covered outside of the United States.

### WHAT IS AN EMERGENCY?

An emergency is a medical condition that needs immediate treatment.

An emergency is when you think your life is in danger, a body part is hurt badly, or you are in great pain.

Emergencies can include:

- Poisoning
- Overdose
- Severe burns
- Severe chest pain
- Pregnant with bleeding and/or pain
- Deep cut in which bleeding will not stop
- Loss of consciousness
- Suddenly not being able to move or speak

Most illnesses are not emergencies and can be treated at your doctor's office. You can also get treatment at an urgent care site.

You should not use an emergency room if you have one of these minor problems:

- Common cold, flu symptoms or a sore throat
- Earache or toothache
- Back strain
- Migraine headaches
- Prescription refills or requests
- Stomach ache
- Cut or scrape

### **Tips about emergencies**

- Go to the emergency room only when you have a real emergency.
- If you are sick, but it is not a real emergency, call your doctor.
- If you are not sure if your problem is a true emergency, call your doctor for advice.

## **WHAT TO DO IN AN EMERGENCY**

In a true life-threatening emergency, which if not treated right away could put your life in danger, lead to death, disability, or cause harm to you, it is important to get care right away.

When you have a true emergency, call 911 or go to the nearest emergency room. You can use any hospital or emergency provider for these services. You do not need prior approval or a referral.

You will receive emergency services until you are stabilized and released from the emergency room, or you are admitted to a hospital in the Health Choice Utah network.

**Important: You may be charged a \$6 copay if you are seen in the emergency room when it is not an emergency. If you are 17 or younger or if you are pregnant you will not be charged a copay for emergency care.**

## **EMERGENCY HOSPITALIZATION AND POST-STABILIZATION**

You may need to be admitted to the hospital after you receive care in an emergency room. When this happens, the hospital stay is called post-stabilization. When you are well enough to go home, the hospital will release you.

If you go to the hospital, be sure to let the hospital know that Health Choice Utah is your health plan. The hospital must get approval if you are admitted.

The hospital will contact Health Choice Utah to let us know you are in the hospital. This will help us make sure you get the services you need. It will also help make sure the hospital gets paid for your stay.

## **URGENT CARE AND AFTER HOURS CARE**

If you have a question about your health, call your doctor first. Your doctor can answer many of your general questions. This means weekends and holidays, too.

Even if your doctor's office is closed, you can call the office. An answering service will make sure your doctor gets your message. It might take a little while for your doctor to get back to you, but your doctor will call you back and tell you what you should do.

The doctor's office may tell you to go to an urgent care center. Check the provider directory in this handbook for an urgent care center near your home or work, or visit our website.

## COVERED SERVICES

Health Choice Utah wants to help you get the care you need. Health Choice Utah offers all Medicaid covered services. Your doctor (PCP) will help you access all of the covered services you need.

Your doctor will also get prior authorization for health care services. We can only pay for services provided in the United States. Services provided outside the United States are not covered.

Services covered by Health Choice Utah must be medically necessary. All services listed below must be provided directly by a doctor or provider who is part of the Health Choice Utah network.

\*Some services need approval. Non-Traditional Medicaid has more limited benefits than Traditional Medicaid.

## PRIOR AUTHORIZATION

Some services need approval first, in order for Medicaid or Health Choice Utah to pay for the service.

A prior approval or prior authorization is permission to get a covered service.

If a service requires a prior approval, your doctor's office must get permission before they provide the service. If approval is not given for the service, you may appeal this decision.

The following services need prior authorization:

- Hospital outpatient stays (non-emergency)
- Surgery
- Some office procedures
- Some x-rays and lab tests
- Home health care
- Medical equipment and supplies over \$500
- Long-term care (such as a skilled nursing facility or acute rehab hospital)
- Physical, occupational and speech therapy
- Certain prescription drugs

Your doctor must get approval before you have any of these services. Please call Member Services if you have any questions about prior approval.

Most of the time, Health Choice can make a decision about an approval within 14 calendar days after we receive the request. If your doctor feels it is important for Health Choice to make a decision more quickly, the doctor can request faster review, within 72 hours.

We will notify your doctor about our decision to respond more quickly. If Health Choice Utah does not approve the request, you will receive a letter explaining our decision. The letter will also include how to file an appeal.

Reasons to have a PCP:

- To manage your medical needs and create a medical home

- A PCP will help you get the care you need
- A PCP can help you find a specialist when needed
- A PCP will get your medical information to other providers who need it

## Specialists

A specialist is a doctor who has advanced training in a certain medical area. Specialists are able to give advanced care if a condition needs more than general treatment from your PCP.

If you need to see a specialist, your PCP can help you find one. Your PCP's office will call the specialist and make an appointment for you.

You can also call the specialist office yourself. You do not need a referral to see a specialist.

Some services offered by specialists may need prior approval by Health Choice Utah. The specialist will submit the request for you. Ask your PCP or specialist if you have any questions about a prior approval.

For help finding a specialist or hospital, you can go to our website, or call Member Services.

## How to change your PCP

It is important to stay with one PCP so that your doctor can get to know your health care needs. You may change doctors if you are unhappy with your doctor. To change your PCP, choose a PCP from the provider directory at the back of this handbook, or our website.

If your health or safety is in danger, you can choose another PCP right away. If you want to change your doctor, and need help finding a new PCP, please call Member Services.

## Appointments

Your doctor wants to give you the time you need. Please schedule all appointments before you go to the doctor's office. Even if you feel you need to be seen right away, call your doctor first. All appointments must be set up during your doctor's business hours.

Let your doctor know you are a Health Choice Utah member. Tell your doctor about any problems you are having.

There are three types of appointments you may need with your doctor:

- **Same Day** – You or a family member need to see a doctor today for a problem. This may include an earache or high fever.
- **Urgent** – You or a family member need to see a doctor in the next one to two days for a problem. This may include a cough, mild upset stomach or rash.
- **Routine** – You or a family member need to see a doctor within 30 days. Routine appointments may include a well-baby, well-child or immunization visit.

You should be able to get an appointment with your PCP:

- Routine appointments (within **30 days**): **this includes non-urgent appointments**
- School physical (within **60 days**)
- Urgent care (within **two days**): this includes care needs that are not life threatening, and can be done in a doctor's office

You should be able to get an appointment with a specialist:

- Routine (within 30 days)
- Urgent Care (within two days)

### **Tips about appointments**

- If you have not seen the doctor before, get there 15 minutes early.
- Take your Medicaid ID card with you to every appointment.
- If you need transportation, please see page 6 for available options.
- If you need a language or sign language interpreter, please call Member Services at least four days before your appointment. We will arrange one for you.

### **Waiting at the doctor's office**

Sometimes you may have to wait while the doctor sees other patients. You should never have to wait more than 45 minutes (unless your doctor has an emergency).

If you feel you had to wait too long, please call Member Services to let us know.

### **CASE MANAGER SERVICES**

A case manager is a specially trained professional. A case manager may be a social worker or a nurse. People with special health care needs may need a case manager to help coordinate their care.

A case manager can help get health care services you need, such as help with medications. A case manager may also help with other resources, such as food or clothing needs.

Health Choice Utah may decide that you or your family member needs a case manager. If so, Health Choice Utah will assign you to a case manager.

Your case manager will work closely with your PCP to help you get the care you need. Your case manager will also work with your family to make sure the services are best for you. If you have questions, or would like to ask for a case manager, please contact Member Services.

### **RESTRICTION PROGRAM**

Some Health Choice Utah members may be put in the Restriction Program. This program helps to prevent overuse of services. It also helps to prevent misuse of Medicaid services.

Health Choice uses the reasons below to see if a member should be in this program. A member may be put in this program if he or she:

- Has seen 4 or more primary care doctors in a 12 month period
- Has seen 4 or more specialists in a 12 month period
- Has used 4 or more pharmacies in a 12 month period
- Has seen 3 or more doctors who prescribed abuse possible medications in a 2 month period
- Has 6 or more medications filled for abuse possible medications in a 2 month period
- Has had more than 5 Emergency Room visits for non-emergency care in a 12 month period

We tell Members why they are put in this program. They will also be given a Restriction Program card. They will only be allowed to have one primary care doctor. They can only use one pharmacy. The member can go to the emergency room for emergency services.

## **PAYMENT FOR SERVICES**

### **Medicaid copayments**

You may have to pay a small amount for some care. This is called a copayment or copay. Your copay amounts will be printed on your Medicaid ID card.

Please take your copay with you when you go to the doctor; hospital or pharmacy. Your provider will collect your copay at your visit. You can find more information about copay amounts on page 28. If you have a hospital copay the hospital may help you make a plan to pay for it.

### **You may have to pay for a service you received if:**

- You get a service that is not covered by Health Choice Utah.
- You get a service that is not pre-approved by Health Choice Utah.
- You get a service from a doctor or hospital that is not an emergency.
- You get a service from a provider that is not part of the Health Choice Utah network.
- You go to a pharmacy that is not part of the Health Choice Utah network.

You should only be billed for a service if you signed in writing that you would pay for the service before you received it.

### **You may have to pay for a service you receive if:**

- You are not a Health Choice Utah member when you get the service.
- You ask to continue services during an appeal that are related to your appeal with Health Choice Utah or during a Medicaid State Fair hearing. This means:
  - You received notice that services you were receiving were reduced.
  - You appealed the reduction.
  - You asked that services continue during your appeal. If you lose your appeal, you may have to pay for the care you received during the appeal process.

## **Reimbursement for prescription drugs**

If you have problems filling your prescriptions, ask the pharmacy to call Health Choice Utah. We can help the pharmacist with their questions. Please do not pay out-of-pocket for your prescription drugs.

If you paid for drugs and you think you should not have to, you may send your paid receipts and pharmacy labels to Health Choice Utah for review. You must send them to Health Choice within six (6) months of the date you paid for the drugs.

## Other insurance

Some members have other insurance in addition to Medicaid. This is called primary insurance.

In these cases, your primary insurance will pay first. Please bring all of your insurance cards with you to your doctor visit.

Other insurance or Medicare may affect the amount of any copays, co-insurance or deductible you need to pay. If you have a copay, you will need to pay your copay at your doctor visit.

If you have Medicare or other insurance, please choose a doctor in the Health Choice Utah network. Doctors who are not in our network will need to call us for prior approval.

Please tell us and your doctor if you or your family has any other medical insurance, including Medicare. This helps Health Choice Utah and your providers know who should pay your bills. This information will not change the services you receive.

## If you get a bill

If you receive a bill from your provider for a covered service:

- Call the provider right away.
- Give them all of your insurance information.
- Make sure the provider has the billing address for Health Choice Utah.
- Do not pay the bill yourself. We cannot pay you back for covered services.

If you receive non-emergency services outside of Utah, you may have to pay the bill yourself.

If you still get bills after giving the provider your health plan information, contact Member Services. We will tell your provider to stop billing you. We will review your charges and help work with your provider for you.

**You should not pay for covered services, if you are a Health Choice Utah member because we cannot pay you back. Health Choice Utah can only pay providers for services.**

Let us know if you paid for covered services while a Health Choice Utah member. We will work with your provider to get your money refunded to you. Then, we will work with the provider to process claims through Health Choice Utah.

## ADVANCE DIRECTIVES

You have the right to make decisions about your health. There may be a time when you are so sick that you cannot make decisions about your own health care.

It is best to plan these decisions in advance. These are called Advance Directives. An Advance Directive is a paper that protects your right to refuse health care you do not want. It may also tell people about the health care that you do want.

You can ask someone to help you make these decisions. The person you ask to help you is called a designated representative.

You, or your representative, have the right to make decisions to withhold resuscitative (or reviving) services. You also have the right to not have life-sustaining treatment within the requirements of Federal and State law with respect to Advance Directives.

There are four types of Advance Directives:

1. Living Will (End of life care)
2. Medical Power of Attorney
3. Mental Healthcare Power of Attorney
4. Pre-Hospital Medical Directive (Do Not Resuscitate)

Health Choice Utah respects your right to make decisions about your health care. We think that it is important for you to have one or more of these documents. These papers help protect your rights and your wishes for how you want to be treated.

Below is a detailed description of each Advance Directive:

**Living Will:** A Living Will is a paper that tells doctors what types of services you do or do not want if you become very sick and near death, and cannot make decisions yourself. For example, it might let doctors know if you want to be kept alive with machines or fed through tubes if you cannot eat or drink on your own.

**Medical Power of Attorney:** A Medical Power of Attorney is a paper that lets you choose a person to make decisions about your health care when you cannot do it yourself.

**Mental Healthcare Power of Attorney:** A Mental Healthcare Power of Attorney names a person to make decisions about your mental health care in case you cannot make decisions on your own.

**Pre-Hospital Medical Care Directive:** A Pre-hospital Medical Care Directive tells providers if you do not want certain lifesaving emergency care that you would get outside a hospital or in a hospital emergency room. This might include CPR. It might also include service provided by other emergency response providers, such as a firefighter or police officers. You must complete a special orange form. You should keep the completed orange form where it can be seen. You can get a free copy of this form by calling the Bureau of Emergency Medical Services at 801-538-6003.

You must complete a special orange form. You should keep the completed orange form where it can be seen. You can get a free copy of this form by calling the Bureau of Emergency Medical Services at **801-538-6003**.

You should get help writing your Living Will and Medical Power of Attorney. Ask your doctor for help if you are not sure who to call.

### **Making your Advance Directives legal**

For both a Living Will and a Medical Power of Attorney, you must choose someone who will make decisions about your health care if you cannot. This should be someone you know and trust.

Some examples might be a family member or a close friend. The person you choose is called your agent. This person will act on your behalf if you cannot.

To make an Advance Directive legal, you must:

1. Sign and date it in front of another person, who also signs it.  
This person **cannot**:
  - Be related to you by blood, marriage or adoption.
  - Have a right to receive any of your personal and private property upon death.
  - Be appointed as your agent.
  - Be your health care provider.
2. Sign and date it in front of a Notary Public. The Notary Public cannot be your agent or any person involved with the paying of your health care.

If you are too sick to sign your Medical Power of Attorney, you may have another person sign for you.

### **After you complete your Advance Directives**

- Keep your original signed papers in a safe place.
- Give copies of the signed papers to your doctor(s) and your hospital. Include anyone else who might become involved in your health care like a family member, neighbor or close friend. Talk to these people about your wishes. This will help them act on your behalf if you become too ill to make decisions for yourself.
- Be aware that your directives may not be effective in a medical emergency.

### **Changing your Advance Directives**

You can change your Advance Directives if you need to. If you want to change your papers after you have signed them, you must complete new papers.

Once you complete the new papers, make sure you give a copy of the new papers to all the people who need to know about your wishes. This may include the people who had a copy of the set of papers before you updated them.

You have the right to make decisions about your health care. If you have complaints about your right to make health care decisions, contact Member Services.

## **YOUR PRIVACY**

The privacy of your medical information is very important to us. We want to keep your records private and confidential.

For example, we verify all incoming calls. Our Member Services staff will only talk to you or an authorized person about your care. An authorized person is someone you tell us we can talk to, such as a family member, a close friend, legal guardian or someone with Medical Power of Attorney.

Please call Member Services with this information about a family member or friend. You can also send us copies of any court orders or other legal papers showing who is authorized. We will update our records to include anyone you identify.

You can get more information about how to get documents showing how someone can act for you. Please review the "Advance Directives" section of this handbook for more information.

In addition, Health Choice Utah has policies in place to protect your privacy. One of these policies describes our Notice of Privacy Practices (Notice).

This Notice tells you how we handle and protect your medical information. The Notice also explains your rights about your medical information.

You can see the Notice on our website. You can also call Member Services and ask for a paper copy. We will send you a copy at no cost to you.

## GRIEVANCES (COMPLAINTS)

If you have a concern with any part of your health care, or have a complaint about Health Choice Utah please contact Member Services. The problem or concern you are calling about will be handled as either a Grievance (Complaint) or an Appeal.

### Filing a Grievance

If you are not happy with the way health services were provided to you, you have the right to file a grievance. A grievance is another word for a complaint. This gives you a chance to tell us about your concerns. You can file a grievance about issues related to your health care such as:

- Timeliness
- Whether care or treatment is appropriate
- Access to care
- Quality of care
- Staff attitude
- Rudeness
- Any other kind of problem you may have had with your health care service

You can file a grievance or an appeal either over the phone or in writing. To file by phone, just call Member Services. To file a grievance in writing, please send your letter to:

**Health Choice Utah**  
**Attn: Member Grievances**  
410 N. 44<sup>th</sup> Street, Suite 920  
Phoenix, AZ 85008

A Health Choice Utah Member Services Representative will help you file the grievance. We will ask you about the concern. This will help us make sure we have all of the information we need. Please provide Health Choice Utah with the date the problem happened and any other facts about the problem.

Health Choice Utah will look into your grievance. We are here to help you. We may contact you for more information. We will also talk to others who were involved in your care.

Once our review is complete, we will send you a letter telling you the outcome. If you do not agree with the outcome, you may contact us to review again.

## **APPEALS AND STATE FAIR HEARING PROCESS**

### **Member right to request an appeal on an action**

Health Choice Utah may deny services that your doctor asks for, or Health Choice Utah may limit or stop care we said you could have. If this happens, you will get an action letter from Health Choice Utah. This is called a Notice of Action.

We will send you a notice if we take an action. This is called a Notice of Action. The Notice of Action will explain the decision Health Choice Utah made. We will tell you the law, rule or policy that was used to make the decision and the date that Health Choice Utah made the decision.

The Notice of Action will also include information on how to ask for a second review if you do not agree with the decision. This review is called an Appeal. The Notice of Action will tell you how to continue services during the Appeal process.

The Notice of Action will also explain that if you lose the Appeal, you will have to pay for the care you received during the Appeals process. Before filing an Appeal, check with your doctor. Your doctor could have a different plan of care that may be covered. This may include other treatments you can get that will have the same result.

### **Requesting an Appeal**

If you disagree with a Notice of Action you receive, you may ask for an Appeal. You can ask for the Appeal by calling Health Choice Utah Member Services, or by writing a letter to Health Choice Utah. Your Appeal letter must be sent directly to Health Choice Utah.

You have 90 calendar days from the date of the adverse action to file your Appeal. Health Choice Utah will send you a letter stating we received your request. This will be sent to you within five working days.

At any time, you may ask to look at the records we reviewed to make our decision. You may ask to see records at any time during the Appeal process. You can also send us more records if you think it will help us with another review. This includes having us talk to people who have been involved in your care, such as another provider or family member.

### **Expedited appeal**

If you cannot wait 30 days for a decision, you can ask Health Choice Utah to make a decision faster. A faster decision can be made if waiting 30 days would seriously harm your health, life or your ability to reach, get back, or keep functioning at a maximum level.

This is called an Expedited Appeal. Health Choice Utah will let you know if we agree that a fast decision must be made. If Health Choice Utah makes a fast decision, we will call you within 72 hours and tell you our Appeal decision.

You may still request an extension of up to 14 days, if it is in your best interest. This may be needed to ensure all records or more information is being reviewed. Health Choice Utah will also send you a letter telling you the decision. This letter is called a Notice of Expedited Appeal Resolution.

If Health Choice Utah does not agree that a fast decision has to be made, the Notice of Appeal Resolution will be sent to you in 30 days.

### **Notice of extension**

Health Choice Utah will answer your appeal request as quickly as we can. However, sometimes it is in your best interest that additional time be taken.

We will let you know in writing if we need more time to make a decision. We will also let you know how you can file a complaint if you do not agree with the extra time that is needed.

If Health Choice Utah needs more than 30 days to get all the information needed to give a full review to your appeal, we will let you know by mail. This letter means Health Choice Utah has 14 more days to make a decision.

If you need more than 30 days to get all the information you need for your appeal, you can request an extra 14 days to get additional information for your appeal to Health Choice Utah.

### **Using a representative**

If you choose to appeal the Notice of Action, you have the right to get help. You can file the Appeal yourself or you can have someone file it for you. If you would like to have someone help you, you will need to let the Health Choice Utah Member Appeals Coordinator know.

This should be done in writing. You may receive help from a family member, friend, clergy, or even your doctor. Just draft a letter stating the name of the person who will be helping you.

When Health Choice Utah sends a Notice of Action, we also send a list of agencies that may be able to help you with your Appeal. If you need another list, please call the Health Choice Utah Member Services Department. You cannot get help from someone who will charge you money to represent you.

Your doctor can ask for an Appeal for you. If you want your doctor to ask for your Appeal, you must give your doctor written permission to ask for the Appeal.

You or your doctors have 90 days from the date on the Notice of Action to ask Health Choice Utah for the Appeal. If you want to keep getting care during the appeal process, you need to let us know. For information on how to keep getting services, see page 38, "Receiving Continued Benefits"

You must make this request in writing. Also, see the section on how to file an appeal. Please send written appeals to the address below:

**Health Choice Utah**  
**Attn: Member Appeals**  
410 N. 44<sup>th</sup> Street, Suite 920  
Phoenix, AZ 85008

### **Appeal decision**

Health Choice Utah will have your file reviewed by someone that had nothing to do with your first Notice of Action that denied, limited or stopped care we said you could have. After Health Choice Utah has looked at your file, we will send you a letter telling you our decision.

This letter is called a Notice of Appeal Resolution. The Notice of Appeal Resolution will be sent to you within 30 days after getting your Appeal request (72 hours for an expedited Appeal).

### **Member's right to request a hearing on Health Choice Utah's appeal**

If you do not like the Appeal decision, you can ask for a State Fair Hearing. Information on asking for a State Fair Hearing will be included in the Health Choice Utah appeal decision letter. The State Fair Hearing process offers a final chance to have your request for approval heard by the State.

You must ask for the State Fair Hearing in writing. The form you will need to complete will be included with the Health Choice Utah final appeal decision letter. The form will tell you where to send the request for a State Fair Hearing.

You will need to include Health Choice Utah's final appeal decision letter with your completed request for a State Fair Hearing form. You have 30 days from the date you receive the letter of Notice of Appeal Resolution (or Health Choice Utah Final Denial Notice) to ask for a State Fair Hearing.

If you need help requesting a State Fair Hearing, you can call Member Services for help.

After you ask for a State Fair Hearing you will receive a Notice of Hearing. The Notice of Hearing will tell you the law, rule, or policy that will be used at the hearing. The Notice of Hearing will tell you where and when the hearing will be held.

You will also receive information about the State Fair Hearing process. This will include your right to either speak for yourself at the hearing or give permission in writing to a lawyer, relative, friend or anyone to speak for you at the hearing.

Before, and during the hearing, you (and the person helping you) can look at all the paperwork that will be used at the hearing.

You can bring someone to the hearing that knows about your case. You can also bring information about your case to the hearing.

## STATE FAIR HEARING

An Administrative Law Judge will hold the State Fair Hearing. The Judge will listen to everything that is said at the hearing and read all the documents used in the hearing.

After the hearing, the Judge will send a Recommended Decision. This decision is sent to the State Medicaid Agency.

The State Medicaid Agency will read the Recommended Decision and agree with it, change it or reject it. They will then send you a letter about the decision. This letter is called a Director's Decision.

The Director's Decision will tell you if you have won or lost at the hearing. The letter will tell you why the State Medicaid Agency made the decision. The letter will let you know if you have more appeal rights.

The State Medicaid Agency will send the Director's Decision about 90 days after your State Fair Hearing. For a fast Appeal you will get the Director's Decision three working days after the State Medicaid Agency gets all the information from Health Choice Utah.

If you lose the State Fair Hearing, the Director's Decision will also tell you if you have to pay for the care you received during the State Fair Hearing process.

## RECEIVING CONTINUED BENEFITS

You can continue your care during the Appeal and State Fair Hearing process if all the things listed below are true:

- Health Choice Utah stops or limits care it had said okay to before.
- Your provider ordered the care.
- The length of time of the first okay from Health Choice Utah for your care is not over.
- You ask to keep getting your care, and
- You send Health Choice Utah your Appeal before Health Choice Utah stops or limits treatment, or within 10 days of the date on the Notice of Action, whichever is later.

Please note that you will continue to get the care until any of the following happens:

- You ask to stop the Appeal or State Fair Hearing.
- You do not ask for continued care and do not ask for a hearing within 10 days from the date that Health Choice Utah sends you the Notice of Appeal Resolution.
- You lost the State Fair Hearing, or
- The length of time of the first okay from Health Choice Utah for your care ends.

Please note that if you lose your appeal, you may have to pay for the care you received during the appeal process. This will only apply if:

- You received notice that services you were receiving were reduced
- You appealed the reduction;
- You asked that services continue during your appeal; and
- The appeal decision was not in your favor

## ACERCA DE SUS SERVICIOS

### COBERTURA FUERA DEL ÁREA

Su área de servicio son los condados indicados en el Directorio de proveedores. Health Choice Utah pagará por los servicios cubiertos en su área de servicio.

Si viaja fuera de su área de servicio y necesita atención médica, Health Choice Utah pagará únicamente por servicios de emergencia y atención de urgencia. Tenga en cuenta que los proveedores fuera de Utah deben estar dispuestos a facturar sus servicios a Health Choice Utah.

Cualquier otra atención médica debe esperar hasta que vuelva al área de servicio.

Health Choice Utah no puede cubrir atención médica que reciba fuera de Estados Unidos. Los servicios de atención de emergencia y urgencia no están cubiertos fuera de Estados Unidos.

### ¿QUÉ ES UNA EMERGENCIA?

Una emergencia es una afección médica que necesita tratamiento inmediato.

Una emergencia es cuando usted cree que su vida está en peligro, una parte del cuerpo está gravemente herida, o tiene un dolor fuerte.

Las emergencias pueden incluir:

- intoxicación;
- sobredosis;
- quemaduras graves;
- dolor intenso en el pecho;
- sangrado o dolor durante el embarazo.
- corte profundo cuyo sangrado no se detiene.
- pérdida de conocimiento;
- pérdida repentina del movimiento o del habla.

La mayoría de las enfermedades no son emergencias y pueden tratarse en el consultorio del médico. También lo pueden tratar en un lugar de atención de urgencia.

No debe acudir a la Sala de Emergencias si tiene algunos de los siguientes problemas menores:

- síntomas de resfrío común o gripe, o dolor de garganta;
- dolor de oído o de dientes;
- distensión en la espalda;
- migrañas;
- renovación o solicitud de recetas;
- dolor de estómago;
- corte o rasguño;

### Consejos sobre urgencias

- Acuda a la Sala de Emergencias solo cuando tenga una emergencia real.
- Si está enfermo, pero no es una emergencia real, llame a su médico.
- Si no está seguro de que su problema sea una verdadera emergencia, llame a su médico para que lo oriente.

## ¿QUÉ HACER EN CASO DE EMERGENCIA?

En caso de emergencia con riesgo de vida real, que de no tratarse de inmediato puede poner su vida en peligro, llevar a la muerte, causar discapacidad o hacerle daño, es importante que obtenga atención de inmediato.

Cuando tenga una verdadera emergencia, llame al 911 o diríjase a la sala de emergencias más cercana. Puede usar cualquier hospital o proveedor de emergencia para estos servicios. No necesita una derivación ni aprobación previa.

Usted recibirá servicios de emergencia hasta que se estabilice y le den de alta de la sala de emergencias, o sea admitido en un hospital de la red de Health Choice Utah.

**Importante: Puede tener un copago de \$6 si va a la sala de emergencias cuando no es una emergencia. Si tiene 17 años o menos o si está embarazada, no se le cobrará el copago por su atención de emergencia.**

## HOSPITALIZACIÓN DE EMERGENCIA Y ESTABILIZACIÓN POSTERIOR

Es posible que lo tengan que ingresar al hospital después de recibir atención en una sala de emergencias. Cuando esto ocurra, la estadía en el hospital se denomina estabilización posterior. Cuando esté en condiciones de irse a casa, se le dará de alta del hospital.

Si va al hospital, asegúrese de informar que su plan de salud es Health Choice Utah. Si usted ingresa al hospital debe obtener una aprobación.

El hospital se comunicará con Health Choice Utah para avisarnos que usted está en el hospital. Esto nos ayudará a asegurarnos de que reciba los servicios que necesita. También garantizará que se le pague al hospital por su hospitalización.

## ATENCIÓN DE URGENCIA Y ATENCIÓN DESPUÉS DEL HORARIO

Si tiene alguna pregunta sobre su salud, llame a su médico en primer lugar. Su médico puede responder muchas de sus preguntas generales. Esto significa también los fines de semana y días festivos.

Incluso si el consultorio de su médico está cerrado puede llamar. Un servicio de contestadora se asegurará de que su médico reciba el mensaje. Puede ser que le tome un poco de tiempo a su médico ponerse en contacto con usted, pero le devolverá la llamada y le dirá qué hacer.

El consultorio del médico podría indicarle que vaya a un centro de atención de urgencia. Revise el directorio de proveedores en este manual para buscar el centro de atención de urgencias más cercano a su casa o trabajo, o visite nuestro sitio web.

## MÉDICOS

### Médico de atención primaria (PCP)

Le ayudaremos a elegir un médico de atención primaria (PCP). Su PCP le proporciona atención de salud cotidiana. Además, su PCP le brinda atención transfiriéndolo a especialistas, otros proveedores de atención médica y hospitales.

Health Choice Utah exige que usted elija un PCP. Hay muchos motivos por los cuales querrá tener un PCP. Tener un PCP es esencialmente útil para personas con necesidades de atención de salud especiales.

Razones para tener un PCP:

- Para manejar sus necesidades médicas y crear un hogar médico.
- Un PCP lo conoce a usted y sus antecedentes médicos.
- Un PCP lo ayudará a obtener la atención que necesita.
- Un PCP lo puede ayudar a buscar un especialista cuando lo necesite.
- Un PCP le enviará su información médica a otros proveedores que la necesitan.

## Especialistas

Un especialista es un médico que tiene capacitación avanzada en cierta área médica. Los especialistas son capaces de proporcionar atención avanzada si una afección necesita algo más que tratamiento general de su PCP.

Si necesita ver a un especialista, su PCP puede ayudarle a encontrar uno. El consultorio de su PCP llamará al especialista y le ayudará a conseguir una cita.

También puede llamar usted mismo al consultorio del especialista. No necesita una derivación para verlo.

Algunos servicios ofrecidos por especialistas pueden necesitar la aprobación previa de Health Choice Utah. El especialista presentará la solicitud por usted. Si tiene alguna pregunta sobre una aprobación previa, consulte a su PCP o especialista.

Para ayudarlo a encontrar un especialista u hospital, puede visitar nuestro sitio Web o llamar al Departamento de Servicio para Afiliados.

## Cómo cambiar su PCP

Es importante mantener un PCP para que el médico pueda conocer sus necesidades de atención médica. Puede cambiar de médico si el que tiene actualmente no le conforma. Para cambiar de PCP, elija un PCP del directorio de proveedores que se encuentra en el reverso de este manual o en nuestro sitio web.

Si su salud o su seguridad estuvieran en peligro, puede elegir otro PCP de inmediato. Si desea cambiar de médico y necesita ayuda para encontrar un nuevo PCP, llame a Servicios para afiliados.

## Citas

Su médico le quiere dedicar el tiempo que necesita. Por favor, programe todas las citas antes de ir al consultorio del médico. Incluso si siente que debe consultar de inmediato, llame al médico primero. Todas las citas deben programarse durante el horario de atención de su médico.

Infórmele a su médico que usted es afiliado de Health Choice Utah. Informe a su médico sobre cualquier problema que tenga. Existen tres

tipos de citas que puede necesitar programar con su médico:

- **Mismo día:** usted o un miembro de su familia necesitan ver a un médico hoy mismo por un problema. Esto puede incluir: dolor de oído o fiebre alta.
- **Urgente:** usted o un miembro de su familia necesitan ver a un médico en uno o dos días por un problema. Esto podría incluir tos, molestias estomacales o una erupción.
- **De rutina:** usted o un miembro de su familia necesita consultar a un médico en un plazo de 30 días. Citas de rutina. pueden incluir una consulta de atención preventiva de un bebé, un niño o una visita de vacunación.

Debe poder obtener una cita con su PCP:

- Citas de rutina (dentro de **30 días**): **esto incluye citas no urgentes.**
- Examen físico escolar (dentro de **60 días**)
- Atención de emergencia (dentro de **dos días**): esto incluye necesidades de atención que no son de riesgo vital y que se pueden hacer en el consultorio de un médico.

Debe poder obtener una cita con un especialista:

- De rutina (dentro de 30 días)
- Atención de urgencia (dentro de dos días)

### **Consejos para las citas**

- Si no ha visto al médico antes, llegue 15 minutos antes de la hora.
- Lleve su tarjeta de identificación de Medicaid a cada cita.
- Si necesita transporte, consulte las opciones disponibles en la página 6.
- Si necesita un intérprete de idioma o señas, llame a Servicios para afiliados al menos cuatro días antes de su cita. Nosotros se lo proporcionaremos.

### **Esperar en el consultorio del médico**

A veces hay que esperar en el consultorio mientras el médico ve a otros pacientes. Usted nunca debería tener que esperar más de 45 minutos (a menos que su médico tenga una emergencia).

Si siente que ha tenido que esperar demasiado, llame a Servicios para afiliados para informarnos.

### **SERVICIOS DEL ADMINISTRADOR DE CASOS**

Un administrador de casos es un profesional especialmente capacitado. El administrador de casos puede ser un trabajador social capacitado o un enfermero. Las personas con necesidades de atención especiales podrían requerir que un administrador de casos ayude a coordinar su atención.

Un administrador de casos puede ayudarlo a obtener los servicios de atención médica que necesite, como pueden ser ayuda con sus medicamentos. Un administrador de casos también puede ayudar con otros recursos, como pueden ser necesidades de ropa o alimentos.

Health Choice Utah puede decidir que usted o su familiar necesitan un administrador de casos. En ese caso, Health Choice Utah le asignará uno.

Su administrador de casos trabajará con su PCP para ayudarlo a obtener la asistencia que necesite. Su administrador de caso también colaborará con su familia para asegurarse de que los servicios sean los mejores para usted. Si tiene alguna duda o le gustaría solicitar un administrador de casos, comuníquese con el Departamento de Servicios para Afiliados.

### **PROGRAMA DE RESTRICCIONES**

Algunos afiliados a Health Choice Utah podrían ser incluidos en el Programa de restricciones. Este programa ayuda a impedir el uso excesivo de los servicios. También ayuda a prevenir el uso indebido de servicios de Medicaid.

Health Choice aplica los siguientes criterios para decidir si un afiliado debe ser incluido en este programa. El afiliado podría ser incluido en este programa si:

- Ha visto a 4 o más médicos de atención primaria en un período de 12 meses
- Ha visto a 4 o más especialistas en un período de 12 meses
- Ha usado 4 o más farmacias en un período de 12 meses
- Ha consultado a 3 o más médicos que le recetaron medicamentos de los que podía abusar en un período de 2 meses
- Ha retirado 6 o más medicamentos de los que podría abusar en un período de 2 meses
- Ha visitado más de 5 veces la Sala de Emergencias para recibir atención que no era de emergencia en un período de 12 meses

Le explicamos a los afiliados por qué los incluimos en este programa. También reciben una tarjeta del Programa de restricción. Únicamente se les permite tener un médico de atención primaria. Pueden usar una sola farmacia. El afiliado puede acudir a la sala de emergencias por servicios de emergencia.

## **PAGO DE LOS SERVICIOS**

### **Copagos de Medicaid**

Es posible que tenga que pagar una pequeña cantidad por alguna atención. Esto se llama copago. Los montos de sus copagos se imprimirán en su tarjeta de identificación de Medicaid.

Lleve su copago con usted cuando vaya al médico, hospital o farmacia. Su proveedor le cobrará el copago en su visita. Puede encontrar más información acerca de los montos de los copagos en la página 28. Si usted tiene un copago de hospital, el hospital puede ayudarlo a elaborar un plan para pagarlo.

### **Es posible que tenga que pagar, además, por un servicio recibido, si:**

- Recibe un servicio que no está cubierto por Health Choice Utah.
- Recibe un servicio que no está aprobado previamente por Health Choice Utah.
- Recibe un servicio de un médico u hospital que no se una emergencia.
- Recibe servicio de un proveedor que no es parte de la red de Health Choice Utah.
- Va a una farmacia que no es parte de la red de Health Choice Utah.

Solo deberán facturarle un servicio si firmó un documento comprometiéndose a pagar por el servicio antes de recibirlo.

### **Es posible que tenga que pagar por el servicio que reciba si:**

- No está afiliado a Health Choice Utah al momento de recibir el servicio.
- Solicita continuar con los servicios durante una apelación que están relacionados con su apelación con Health Choice Utah o durante una audiencia estatal justa de Medicaid. Eso quiere decir lo siguiente:
  - Recibió un aviso donde se le notificó que le redujeron los servicios que estaba recibiendo.
  - Apeló la reducción.
  - Solicitó que los servicios continuaran durante la apelación. Si pierde la apelación, es posible que deba pagar la atención que recibió durante el proceso de apelación.

### **Reembolso por medicamentos de venta con receta médica**

Si tiene dificultades para conseguir sus medicamentos recetados, solicite a la farmacia que llame a Health Choice Utah. Podemos ayudar al farmacéutico con sus preguntas. No pague de su bolsillo por sus medicamentos recetados.

Sin embargo, si pagó los medicamentos y cree que no debió hacerlo, puede enviar los recibos de pago y las etiquetas de la farmacia a Health Choice Utah para que los revisen. Debe enviarlos a Health Choice antes de transcurridos 6 (seis) meses desde que pagó por los medicamentos.

## Otro seguro

Algunos afiliados tienen otro seguro además de Medicaid. Esto se denomina seguro primario.

En estos casos, su seguro primario pagará primero. Lleve todas sus tarjetas de seguro cuando vaya a una consulta médica.

Otro seguro o Medicare puede afectar las cantidades de copagos y coseguro o deducibles que es posible que deba pagar. Si tiene un copago, deberá pagarlo en su consulta con el médico.

Si tiene Medicare u otro seguro, escoja a un médico perteneciente a la red de Health Choice Utah. Los médicos que no sean parte de nuestra red necesitarán comunicarse con nosotros para una aprobación previa.

Informe a su médico y a nosotros si usted o su familia tienen otro seguro médico, incluido Medicare. Esto ayuda a Health Choice Utah y a su proveedor a saber quién debería pagar sus facturas. Esta información no cambiará los servicios que usted recibe.

## Si recibe una factura

Si recibe una factura de su proveedor por un servicio cubierto:

- Llame al proveedor inmediatamente.
- Entréguele toda la información del seguro.
- Asegúrese de que el proveedor tenga la dirección de facturación de Health Choice Utah.
- No pague usted la factura. No podemos reembolsarle por los servicios cubiertos.

Si recibe servicios que no son emergencias fuera de Utah, es posible que usted tenga que pagar la factura.

Si continúa recibiendo facturas tras darle al proveedor su información del plan de salud, llame al Departamento de Servicios para afiliados. Coordinaremos con su proveedor para que este deje de enviarle las facturas. Revisaremos sus cargos y trabajaremos con su proveedor por usted.

**Usted no debe pagar por los servicios cubiertos después que se haya afiliado a Health Choice Utah, puesto que no le podemos reembolsar el dinero. Health Choice Utah solo puede pagar a los proveedores por los servicios.**

Infórmenos si pagó por servicios cubiertos mientras estaba afiliado a Health Choice Utah. Coordinaremos con su proveedor para que nos facturen a nosotros y le devuelvan su dinero. Luego, trabajaremos con el proveedor para procesar las reclamaciones por medio de Health Choice Utah.

## OTROS SERVICIOS

### EVALUACIÓN Y ATENCIÓN DE SALUD INFANTIL (CHEC)

CHEC es la sigla en inglés de la Evaluación y Atención de Salud Infantil. CHEC es el programa de Medicaid en Utah para niños desde el nacimiento hasta los 20 años de edad.

Health Choice Utah quiere ayudar a mantener sanos a sus hijos. Muchos problemas de salud comienzan en la infancia. La buena noticia es que la mayoría de estos problemas pueden prevenirse mediante un examen y tratamiento precoces.

Si tiene hijos menores de 21 años, llame a su médico de Health Choice Utah o al Departamento de Servicios para Afiliados para obtener información acerca de los servicios de CHEC. Health Choice Utah ofrece todos los servicios de CHEC, entre los que se encuentran consultas de atención preventiva, vacunas y exámenes.

Es posible que los niños necesiten otros tipos de atención. Esto puede incluir:

- fisioterapia;
- terapia ocupacional, como aprender tareas cotidianas
- terapia del habla;
- equipo médico, como silla de ruedas o andadores;
- enfermeras en el hogar.

Su médico debe llamar a Health Choice Utah para obtener aprobación por estos servicios antes de que pueda recibirlos. Tenga en cuenta que los servicios de atención preventiva/CHEC para niños no están cubiertos por el plan no tradicional.

## VISITAS DE CHEC

Es posible que Health Choice Utah le envíe cartas recordatorias sobre las consultas de atención preventiva de su hijo. Programe una cita con el médico de su hijo en las siguientes consultas de atención preventiva para mantener a su hijo sano:

## ESTERILIZACIONES Y ABORTOS

Health Choice Utah cubre la esterilización permanente para hombres y mujeres de 21 años de edad en adelante. Tenga en cuenta que este tipo de control de natalidad requiere autorización previa. Medicaid no paga por la reversión de una esterilización.

Existen límites acerca del momento en que se cubrirán los abortos. Medicaid o Health Choice Utah cubrirá el costo de un aborto solo en casos de violación, incesto o si la vida de la madre está en peligro. Se necesita documentación específica para los abortos.

## EMBARAZO Y SERVICIOS DE MATERNIDAD

La atención temprana, también llamada atención prenatal, es muy importante para la salud de la embarazada y su bebé. Esto ayuda a que el bebé comience su crecimiento en forma saludable y permanezca saludable mientras crece.

Puede comenzar a planificar la salud de su bebé incluso antes de quedar embarazada. Consulte a su médico incluso si está pensando en tener un bebé.

Si cree estar embarazada o si ya lo sabe, llame a su médico. Su médico puede ayudarla a resolver dudas a medida que su bebé se desarrolla. Su médico puede ayudarlos a usted y a su bebé a mantenerse sanos.

Apenas esté embarazada, es muy importante que:

- Consiga una cita con su médico y
- Reciba atención todo el tiempo que esté embarazada.

Llame a Servicios para afiliados para que la podamos ayudar. Contamos con programas que la ayudan a entender su estado a medida que su bebé crece. Nuestros programas la ayudarán a estar al día, de modo que usted y su bebé reciban los servicios que necesitan.

Si está embarazada, es muy importante que se asegure de mantener sus beneficios de Medicaid. Póngase en contacto con DWS apenas se entere de que está embarazada.

Además, asegúrese de hacerse un control con su médico obstetra o ginecólogo luego del nacimiento de su bebé. Después del parto puede haber algunos problemas. El médico se asegurará de que esté sanando y no desarrolle otros problemas. Esto también ayuda que usted y su bebé se mantengan sanos.

## MEDICAMENTOS RECETADOS

Health Choice Utah cubre medicamentos recetados para usted y su familia, con ciertas excepciones. El Departamento de Salud de Utah (UDOH) cubre los siguientes medicamentos:

- Tratamientos para hemofilia
- Inmunosupresores para trasplante de órganos
- Medicamentos relacionados con la salud mental

Esto quiere decir que un médico tiene que darle una receta. Cuando lleve su receta a la farmacia, lleve su tarjeta de Medicaid estatal vigente. Así se asegurará de que Health Choice Utah o UDOH cubran sus medicamentos. Nuestra red de farmacias cubre muchas farmacias de Utah. Es probable que su farmacia local esté en nuestra red. Puede encontrar un directorio de farmacias en nuestro sitio web.

Siempre debe acudir a una farmacia de la red Health Choice Utah. Una farmacia que no esté en nuestra red no puede ayudarlo con el beneficio de su medicamento de venta con receta médica. Si usa una farmacia que no esté en nuestra red, deberá pagar el costo total del medicamento. Sus medicamentos podrían no ser reembolsables.

Health Choice Utah proporciona un beneficio que consiste en un listado de medicamentos (formulario) “cerrado” para sus afiliados. Si el medicamento no está en el formulario de Health Choice, Health Choice Utah primero debe aprobar el medicamento recetado. Para obtener una lista actualizada de medicamentos aprobados por el plan, haga un seguimiento con su médico de cabecera. También puede visitar nuestro sitio Web.

Si va a una farmacia y surge un problema con la receta, el farmacéutico puede llamar a su médico o a Health Choice Utah para obtener ayuda. Health Choice Utah proporciona un servicio de ayuda de 24 horas a los farmacéuticos. En algunos casos, Health Choice Utah le permitirá recibir cinco días de medicamentos mientras se revisa su pedido.

Algunas farmacias están abiertas las 24 horas y los días feriados. Para encontrar una farmacia abierta las 24 horas y los días feriados, consulte a su farmacéutico local o llame a Servicios para afiliados de Health Choice Utah.

Se puede recetar un medicamento de venta sin receta si es más barato que un medicamento de venta con receta. No permita que sus recetas expiren antes de llamar para obtener una renovación.

Si tiene alguna pregunta sobre medicamentos recetados o tiene que encontrar una farmacia, llame a Servicios para afiliados de Health Choice Utah. Si tiene preguntas sobre los medicamentos cubiertos por UDOH, también puede llamar a la línea de información de Medicaid.

## INSTRUCCIONES ANTICIPADAS

Usted tiene derecho a tomar decisiones sobre su salud. Puede haber un momento en que se encuentre tan enfermo que no pueda tomar una decisión sobre su propia atención médica.

Es mejor planificar estas decisiones en forma anticipada. Esto se conoce como instrucción anticipada. Una instrucción anticipada es un documento que protege su derecho a negarse a recibir atención que no desea. También puede informar a las personas sobre la atención que sí desea.

Puede pedir a alguien que le ayude a tomar estas decisiones. Esta persona a quien pide ayuda, se llama representante designado.

Usted, o su representante, tienen el derecho a tomar decisiones para no recibir servicios de resucitación o reanimación. También tiene derecho a rechazar un tratamiento para mantenerlo con vida, dentro de los requisitos de las leyes federales y estatales en cuanto a las instrucciones anticipadas.

Existen cuatro tipos de instrucciones anticipadas:

1. Testamento en vida (atención de fin de vida).
2. Poder para atención médica.
3. Poder para atención de la salud mental.
4. Instrucción médica previa a la hospitalización (no resucitar).

Health Choice Utah respeta su derecho a tomar decisiones acerca de su atención médica. Creemos que es importante que usted tenga uno o más de estos documentos. Estos documentos le ayudarán a proteger sus derechos y deseos en cuanto a cómo desea ser tratado.

A continuación se presenta una descripción detallada de cada instrucción anticipada:

**Testamento vital:** Un testamento vital es un documento que le indica a su médico qué tipos de servicios quiere o no quiere, si se enferma gravemente y está cerca de la muerte, y no puede tomar decisiones por sí mismo. Por ejemplo, podría indicarles a los médicos si desea que lo mantengan con vida con máquinas, o que lo alimenten a través de sondas si no puede comer o beber por sí mismo.

**Poder para atención médica:** Un poder para atención médica es un documento que le permite elegir a una persona para que tome decisiones sobre su atención de salud cuando usted no pueda hacerlo por sí mismo.

**Poder para atención de salud mental:** Con un poder para atención de salud mental se designa a una persona para que tome decisiones sobre atención de salud mental, en caso de que usted no pueda decidir por sí mismo.

**Instrucción de atención médica previa a la hospitalización:** Una Instrucción de atención médica previa a la hospitalización indica a los proveedores si usted no desea recibir cierta atención de emergencia para salvar su vida, que podría recibir fuera de un hospital o en la sala de emergencias de un hospital. Esto puede incluir reanimación cardiopulmonar (RCP). También podría incluir servicios brindados por otros proveedores de respuesta de emergencia, como bomberos o policías. Debe completar un formulario especial de color naranja. Conserve el formulario anaranjado completo en un lugar donde se pueda ver. Puede obtener una copia de este formulario en forma gratuita llamando a la Oficina de Servicios Médicos de Emergencia al (801) 538-6003.

Debe completar un formulario especial de color naranja. Debe mantener el formulario naranja completado en un lugar visible. Puede obtener una copia de este formulario en forma gratuita llamando a la Oficina de Servicios Médicos de Emergencia al 801-538-6003.

Debe recibir ayuda para redactar su testamento vital o poder para atención médica. Pida ayuda a su médico si no está seguro de a quién llamar.

### **¿Cómo hacer que sus instrucciones anticipadas sean legales?**

Tanto para un testamento vital como para un poder de atención médica, debe elegir a alguien que tome las decisiones sobre su atención de salud si no lo puede hacer usted. Debe ser una persona que conozca y en la que confíe.

Por ejemplo, podría ser un familiar o un amigo cercano. La persona que escoge se conoce como su representante. Esta persona actuará en su nombre si usted no puede hacerlo.

Para que una instrucción anticipada sea legal, usted debe hacer lo siguiente:

1. Firmarla y fecharla frente a otra persona, que también la firma.  
Esta persona **no puede**:
  - Ser un pariente consanguíneo, por matrimonio o adopción.
  - Tener derecho a recibir cualquiera de sus propiedades personales ni privadas si usted muere.
  - Ser designado como su representante.
  - Ser su proveedor de atención médica.
2. Firmarla y fecharla frente a un notario público. El notario público no puede ser su agente ni una persona involucrada en el pago de su atención de salud.

Si está demasiado enfermo como para firmar su poder de representación médica, otra persona lo puede firmar por usted.

### **Después de completar sus instrucciones anticipadas**

- Conserve sus documentos originales firmados en un lugar seguro.
- Entregue copias de los documentos firmados a sus médicos y al hospital. Incluya a cualquier otra persona que pueda estar involucrada en su atención de salud como un familiar, un vecino o un amigo cercano. Hable con ellos sobre sus deseos. Esto los ayudará a actuar en su nombre si estuviera demasiado enfermo como para tomar decisiones por sí mismo.
- Tenga presente que sus instrucciones pueden no tener validez en caso de una emergencia médica.

### **Cómo cambiar sus instrucciones anticipadas**

Puede cambiar sus instrucciones anticipadas si necesita hacerlo. Si desea cambiar sus documentos después de haberlos firmado, deberá completar documentos nuevos.

Una vez que complete los nuevos documentos, asegúrese de entregar una copia del nuevo documento a todas las personas que necesiten conocer sus deseos. Esto puede incluir a las personas que tenían una copia de los documentos antes de que los actualizará.

El aviso de acción también incluirá información sobre cómo puede solicitar una segunda revisión si no está de acuerdo con la decisión. Esta revisión se conoce como apelación. El aviso de acción le informará cómo continuar los servicios durante el proceso de apelación.

El aviso de acción también le explicará que si pierde la apelación, tendrá que pagar por la atención que recibió durante el proceso de apelación. Antes de presentar una apelación, consulte con su médico. Su médico podría tener un plan diferente de atención que podría tener cobertura. Esto puede incluir otro tratamiento que usted puede recibir y que tendrá el mismo resultado para usted.

### **Solicitud de una apelación**

Si usted no está de acuerdo con un aviso de acción que reciba, puede solicitar una apelación. Puede pedir una apelación llamando al Departamento de Servicios para Afiliados de Health Choice Utah, o escribiendo una carta a Health Choice Utah. ### **Apelación expedita**

Si no puede esperar 30 días para una decisión, puede pedir a Health Choice Utah que tome una decisión más rápida.
