

Speed Queen®

Commercial Homestyle

Heavy-Duty Topload Washer

LWS05 Stainless Steel Washtub

Commercial Built to Last Longer

Commercial Quality

Built tough to stay that way. The No. 1 supplier of commercial coin-operated laundry equipment, Speed Queen continues to lead in customer satisfaction. Speed Queen homestyle washers and dryers are U.S. Department of Energy compliant to 2007 commercial washer standards for energy and water savings. They also feature many of the same rugged, reliable parts found in the coin-operated machines, so they're built to last.

Quality Washer Components

- Durable, stainless steel washtub.
- Long-lasting galvanized steel cabinet.
- Dependable Eversmooth transmission.
- Heavy-duty, 1/2 HP motor.
- Single-belt drive simplicity.
- Corrosion-resistant polypropylene pump.
- Pump clips for service convenience.
- Unit is 100% front serviceable.
- Pull-to-start multi-cycle timer knob.
- Seven cycles; three temperatures.
- Adjustable water level control.
- Bleach dispenser.

Automatic Balance System

- Residents will appreciate the Automatic Balance System (ABS) for smooth and quiet operation, even on wood floors. The ABS provides the industry's best out-of-balance handling, completing wash cycles without interruption.

Multi-Cycle and Temperature Controls

- Speed Queen offers you a user-friendly free-wheeling timer knob for start and cycle selections with energy saver designation.

PolyTuff® Agitator

- Curved high vanes and extra long 210° agitation stroke delivers superior washability for all load sizes.

Attractive Control Panel

- Commercial homestyle topload washers have attractive styling to match electric or gas dryers.
