

IDC255 PRO FAST GATE™

POST-MIX ICE DRINK DISPENSER

FEATURES:

- Improves service efficiency and speed by creating a standard lid-dispense height with bottom dispense design
- New lid dispenser and large capacity straw holder feature no moving parts and an ergonomic design that is easy to access, remove, and clean.
- Increases comfort and reduces workplace injuries with an ergonomically-designed center-mounted control panel, and larger, more durable buttons
- Improved ice portion control system with redesigned pro fast gate, LED feedback, and easy entry/exit from program mode
- Easy access to valves and other components
- 255 lb. ice capacity
- Increased serviceability:
 - Requires only 1 electrical outlet
 - Easy front access to carbonator tank
 - Simple motor removal
- New and improved Total Flex2™ easily changes from carbonated to non-carbonated
