

# Software Update for the T-Mobile Motorola DEFY™ 3.6.360

## Introduction

This is an update to the 3.6.360 software for the T-Mobile Motorola DEFY. This update includes several improvements to device performance.

For more information on your T-Mobile Motorola DEFY, visit <http://www.motorola.com/mydefy>.

## Who Can Use This Release?

ALL T-Mobile Motorola DEFY users

## Highlights

**After downloading and installing the software, you will notice the following improvements:**

<b>Battery</b>	Improved battery performance for longer battery life
<b>Phone and Call Stability</b>	Improved stability, resulting in fewer occurrences of unresponsiveness and/or programs closing unexpectedly
<b>Camera</b>	Optimized flash performance and settings
<b>Audio</b>	Improved audio performance in low coverage areas
<b>Touchscreen</b>	Improved accuracy and responsiveness
<b>Recent Calls</b>	Fixed error that showed incorrect picture, name, and phone number
<b>Car Kit</b>	Fixed error when exiting car kit mode
<b>Wi-Fi</b>	Wi-Fi calling stability has been improved and Visual Voicemail is now available over Wi-Fi

## Instructions for Installing Software

For a successful installation, we recommend installing these updates while the battery in your phone is at least 50% charged. Make sure you have an active SIM card installed in your phone.

If you have received a notification message for this update:

1. Select "Download"
2. After the software is downloaded, select "Install now"
3. After the software is installed, your phone will re-start automatically
4. Your phone is now updated with 3.6.360 software

If you have not received a notification message for this update:

1. Select the Settings icon in the main menu
2. Select "About phone"
3. Select "System updates"
4. Select "Download"
5. After the software is downloaded, select "Install"
6. After the software is installed, your phone will re-start automatically

7. Your phone is now updated with 3.6.360 software

If you have difficulty with this update, visit <http://www.t-mobile.com/Contact>.

**Additional information**

Certain features, services and applications are network dependent and may not be available in all areas; additional terms, conditions and/or charges may apply. Specific functionality and features with each software version of Android may vary. Contact your service provider for details.
