Epson TM-L90 Thermal Label Paper

Get it straight from the source

The Epson TM-L90 compact thermal receipt and label printer with two-color capability

Now you can buy cost-effective label paper for the Epson TM-L90 printer directly from Epson. Whether you're using labels for bar codes, shelf tags, product labeling, shipping, returned merchandise or prescriptions, we have the size, width and one- and two-color options you need. By using genuine Epson label supplies you are assured of guaranteed compatibility and optimum output quality.

To purchase labels, contact your Epson representative. For product information questions or to order custom label stock, contact our technical support helpline at 1-877-403-7766.
