

Electrolux Super "S" Models 200 G-force Coin/Card Washers

Saves time, water, and energy. They can even text message you!

Electrolux Professional 200 G-Force high-speed extraction washers spin faster resulting in shorter drying time and significant electrical and gas savings. Self-service laundries benefit from faster throughput (freeing up dryers, folding tables and parking spots) which creates higher profits. Your customers can even receive a text message (option) notifying them when their wash is done and ready for unloading! You'll create life-long customers and increase your profits with Electrolux Professional washers.

Features and benefits:

- Unique text messaging functionality! *
 - Customers can call store and get a text message instantly telling them how many washers are available for use. Differentiate yourself from the competition!
 - Washer can send text message to store owner or serviceman for instant action.
- Lowest water consumption in the industry.
- Single phase electrical service reduces installation costs.
- Inverter driven motor for smooth operation and high efficiency.
- New soft-grip, slip-lock door handle for safe and trouble-free operation.
- Door unlocks immediately at the end of wash cycle.
- Convenient 4-compartment supply dispenser.
- Unibody construction eliminates welds for superior strength and durability.
- Interchangeable parts from one machine size to another.
- Installs on regular concrete pad or steel base with bolts.

Compass Control:

Electrolux's revolutionary Compass Control puts you in charge of your business:

- Customize wash programs for lower costs.
- Five built-in programs and the capability to easily add or delete programs.
- Specialty programs easily created in Wash Program Manager.
- Display wash program information in two languages simultaneously.
- Value pricing. Set different prices for different wash programs, even at different times.
- Heavy Soil & Extra Rinse options increase store revenue and customer satisfaction.

Available in 20, 25, 30, 45, 62 & 77 lb. capacities. Stainless or blue wave front panels available. Most sizes available in 220 or 120 volt, single phase!

Electrolux models W485S and W4105S are Energy Star rated. They meet strict energy efficiency guidelines set by the EPA & US Department of Energy.

Our larger machines are also designed to save water and energy and achieve impressive Modified Energy Factor (MEF) results.

The future of professional laundry is here.

With more than 100 years of experience designing professional laundry equipment, Electrolux is dedicated to providing you with precision-engineered washers, dryers, and flatwork ironers. Products are certified in accordance with ISO 9001 and ISO 14001 standards, guaranteeing Electrolux Professional's long-term commitment to quality and the environment.

Take control of your laundry operations with Electrolux Professional Laundry.

Refer installation and servicing to qualified, licensed personnel. Always read installation and operating manuals and consult local codes before installation. Protect machines with properly rated, common-trip, circuit breakers ONLY. Warranty void if not properly installed. Solid-mount machines require a concrete foundation, and are not suitable for upper-floor or above-basement installations. Contact us for more information and for availability of machines for electric services not listed. Specifications subject to change without notice. Electrolux/Wascomat assumes no responsibility for errors or omissions in this information.

* Text messaging available Q1 2010 as an option. Machines are upgradable. Contact us for more information.

** Energy Star Rated

Superior Wash Cycle Control

With our Wash Program Manager software you can easily create custom wash programs on your PC.

Compass Control

With Compass Control you choose the programs that best suit your needs. Modify standard wash programs to find the perfect balance between low water and energy consumption — or create your own programs to meet the specific needs of your market. Multilingual with two languages displayed simultaneously. Easily program a higher price for hot washes, extra rinse and heavy soil. Program in discount prices for slow periods of the day or week.
