### Easy to use.

Regardless of the type of fabric or degree of soil, Splendide's AW122 washer's handy slide-out key makes choosing the right cycle easy. Load your laundry with ease - Splendide's AS66VX dryer features an extra-wide 14" door opening plus 3 timed drying cycles and a handy 'Auto' cycle that stops automatically when your load is dry.

### Class-leading dryer.

Splendide 120V dryers not only dry your laundry completely, but they're easier to install and to maintain. Along with Splendide's optional RV/Marine Stack Kit for speedier installations, the AS66VX dryer features an easy-clean lint filter and an industry-first, 4.0 cubic foot dryer drum that maximizes airflow around your clothes - so you're laundry dries faster with less creasing.

### As caring as you are.

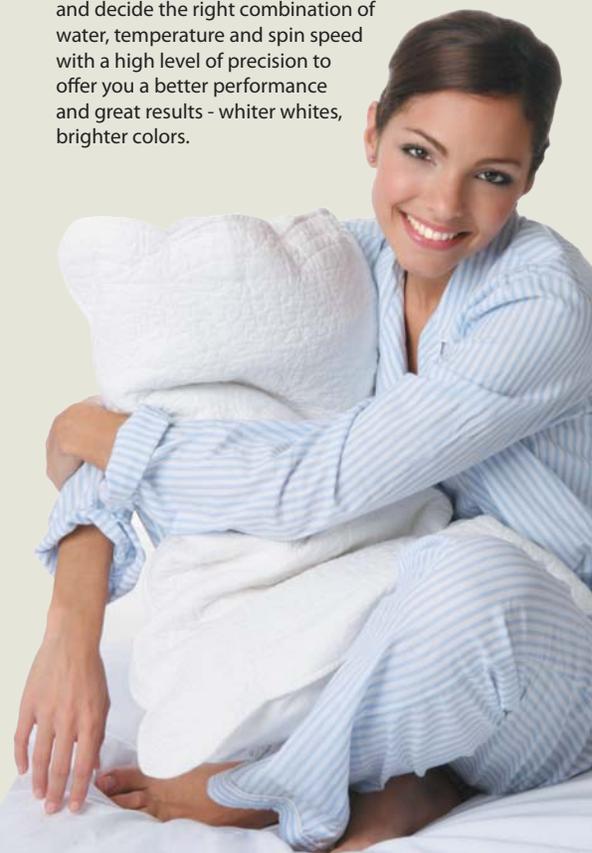

Splendide washing machines feature electronic control modules which mean they are able to process the quantity and type of wash and decide the right combination of water, temperature and spin speed with a high level of precision to offer you a better performance and great results - whiter whites, brighter colors.

### Built RV/Marine tough.

Splendide washers and dryers not only offer the space, weight and energy savings that are so important in RV's and yachts, but they're built tough to withstand the rigors of the road and the sea. Splendide washers are equipped with heavy-duty springs and shock absorbers, stainless steel drums and reinforced cases for a long travelling life.

### Maximum Performance. Minimum Consumption.

Splendide washers are class A rated, spin up to 1200rpm and carry the ENERGY STAR label. This makes them some of the most efficient washing machines available. So, you'll not only be getting outstanding wash and dry results, but you'll also be conserving precious resources in your RV or yacht - energy and water.

## Washer and Stackable Dryer

Stacked or side-by-side. Splendide-quality washing with added drying capacity.
