## Pet Fresh™ Odor Grabber™ Appliance

**PLEASE READ AND SAVE THESE IMPORTANT INSTRUCTIONS**

## PLEASE READ AND SAVE THESE IMPORTANT SAFETY INSTRUCTIONS

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons, including the following:

1. Read all instructions before using the appliance.
2. To avoid fire or shock hazard, plug the appliance directly into a 120V AC electrical outlet.
3. If the filter is covered by a bag when shipped: Remove plastic bag before use.
4. Keep the cord out of heavy traffic areas. To avoid fire hazard, NEVER put the cord under rugs, near heat registers, radiators, stoves, or heaters.
5. To protect against electrical hazards, DO NOT immerse in water or other liquids. Do not use near water.
6. Close supervision is necessary when any appliance is used by or near children, or disabled persons.
7. Always unplug the appliance before moving it, changing the filters, cleaning, or whenever the air purifier is not in use. Be sure to pull by the plug and not the cord.
8. NEVER drop or insert any object into any openings.
9. DO NOT operate any appliance with a damaged cord or plug, if motor fan fails to rotate, after the appliance malfunctions, or if it has been dropped or damaged in any manner. Return appliance to manufacturer for examination, electrical or mechanical adjustment, or repair.
10. Use appliance only for intended household use as described in this manual. Any other use not recommended by the manufacturer may cause fire, electric shock, or injury to persons. The use of attachments not recommended by the manufacturer may cause hazards.
11. DO NOT use outdoors.
12. Never block the air openings, or place on soft surface, such as bed or sofa, as this could cause the unit to tip over thus blocking the air intake opening.
13. Keep unit away from heated surfaces and open flames.
14. DO NOT attempt to repair or adjust any electrical or mechanical functions on this unit. Doing so will void the warranty. The inside of the unit contains no user serviceable parts. All servicing should be performed by qualified personnel only.
15. **WARNING:** To reduce the risk of fire or electrical shock, DO NOT use this appliance with any solid-state speed control device.
16. DO NOT place anything on top of the unit.
17. Never place the unit in a pet carrier, kennel, or cage with an animal.
18. As with any appliance, make sure you locate the Pet Fresh™ Odor Grabber™ appliance away from pets and out of the reach of children.
19. Locate the Pet Fresh™ Odor Grabber™ appliance so that the power cord is not accessible to pets.

**THIS PRODUCT IS EQUIPPED WITH A POLARIZED PLUG (a plug having one blade wider than the other). This plug will fit into the power outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact qualified personnel to install the proper outlet.**

**DO NOT DEFEAT THE SAFETY PURPOSE OF THIS POLARIZED PLUG IN ANY WAY**

## FEATURES - OPERATIONS

### PLEASE READ AND SAVE THESE IMPORTANT SAFETY INSTRUCTIONS

#### CORD AND PLUG INSTALLATION SAFETY INSTRUCTIONS

The length of the cord used on this appliance was selected to reduce the hazards of becoming tangled in or tripping over a longer cord. If a longer cord is necessary, an approved extension cord may be used. The electrical rating of the extension cord must be equal to or greater than the rating of the appliance. Care must be taken to arrange the extension cord so that it will not drape over the countertop or table-top where it can be pulled on by children or accidentally tripped over.

#### PLEASE SAVE THESE INSTRUCTIONS

Congratulations on your purchase of the Pet Fresh™ Odor Grabber™ appliance. Your Pet Fresh™ Odor Grabber™ appliance has an attractive design that can sit on a desk or table. It is quiet and safe for use around household pets and ideal for use around litter boxes, pet beds, and small animal cages. The Pet Fresh™ Odor Grabber™ appliance features Triple Filtration Technology and HI (II), LO (I) speed settings.

#### TRIPLE FILTRATION TECHNOLOGY

The Pet Fresh™ Odor Grabber™ filter combines zeolite, baking soda, and activated carbon to eliminate pet odors. The zeolite neutralizes acidic odors, while the Arm & Hammer® baking soda absorbs organic odors and the activated carbon battles gaseous odors.

The best way to reduce odors is to remove the source. Since most odors originate from pet waste, moisture, and water, it is important to keep a pet's habitat and litter area dry and clean. This will help reduce the occurrence of odors and maximize the benefit of using the Pet Fresh™ Odor Grabber™ appliance.

#### PRE-OPERATING INSTRUCTIONS

1. Carefully unpack your Pet Fresh™ Odor Grabber™ appliance and place it on a firm, level surface.
2. Turn over the unit, rotate the filter counter-clockwise and remove it from the unit.
3. Remove the protective plastic bag.
4. Slide the Pet Fresh™ Odor Grabber™ filter back into the unit (See Fig. 1). Turn it clockwise to lock it into place.

**NOTE:** Once the filter has been removed from the protective plastic bag, it will start to absorb odors and should be installed in the Pet Fresh™ Odor Grabber™ appliance.

**NOTE:** Since the filter absorbs odors even when the unit is off, we recommend that you place the unit in a plastic bag when it is not being used. If you have additional filters, keep them in their protective bags until you are ready to install them in your Pet Fresh™ Odor Grabber™ appliance.

#### OPERATING INSTRUCTIONS

1. Place the Pet Fresh™ Odor Grabber™ appliance on a table or desk in a central location of your room, about 1 foot away from the wall. Never place the unit in a pet carrier, kennel, or cage with an animal. As with any appliance, make sure you locate the Pet Fresh™ Odor Grabber™ appliance away from pets and out of the reach of children.
2. Plug the unit into a 120V AC electrical outlet. Particular care should be taken to locate the Pet Fresh™ Odor Grabber™ appliance so that the power cord is not accessible to pets.
3. Slide the speed dial to HI (II) or LO (I).
4. For optimum air filtration, operate the Pet Fresh™ Odor Grabber™ appliance continuously. Its rugged motor has been designed to give many years of use.

For continuous use, we recommend that you operate the Pet Fresh™ Odor Grabber™ appliance on the HI (II) setting. For quieter operation or for use in a bedroom, select the LO (I) setting.

## CLEANING AND MAINTENANCE TROUBLESHOOTING

#### CLEANING AND MAINTENANCE INSTRUCTIONS

Always turn off and unplug the unit before cleaning.

1. Clean the outside of the Pet Fresh™ Odor Grabber™ appliance with a soft, damp cloth.
2. Remove dust from the air outlet grill with a small, soft brush.

**WARNING:** Do not allow moisture to come in contact with the Pet Fresh™ Odor Grabber™ appliance.

#### FILTER REPLACEMENT INSTRUCTIONS

Check the condition of the filter every two weeks. If you notice a reduction in odor removal and/or a significant amount of dust or lint, replace the filter. We recommend changing the filter every 3-6 months to ensure optimal performance of your Pet Fresh™ Odor Grabber™ appliance. For more intense odors, replace the filter every 2-3 months.

1. Turn off and unplug the unit.
2. Turn over the unit and examine the filter.
3. Rotate the Pet Fresh™ Odor Grabber™ filter counter-clockwise and remove the filter. Insert a new filter and turn it clockwise to lock it into place. (See Fig. 2)

DO NOT attempt to wash and re-use the filter. Make sure

you remove the protective polybag before inserting the new filter into the Pet Fresh™ Odor Grabber™ appliance. Replacement filters are available from your local supplier or by calling 1-800-5-HOLMES.
