If desired, you can launder the bumper/liner and sheet before use. Follow the Care Instructions below.

Put the sheet onto the mattress pad making sure all edges of the sheet wrap around the sides to the underside of the pad. Sheet must fit properly and not be loose. Loose bedding can pose a danger to your baby.

Unfold the Bumper/Liner and spread it out inside the basket with the desired side facing the area where your baby will sleep. Tie the ribbons on the Bumper/Liner to the basket by inserting them through holes in the basket weave and tying bows. ALL ribbons all the way around the basket and bumper/liner must be tied securely. Again, loose bedding can pose a danger to your baby so be sure you have tied all the ribbons. See PICTURE 1.

If you purchased a model with a hood (not all models are sold with the hood), attach it to the basket by pressing the hook-and-loop tape on the hood to the corresponding strip of hook-and-loop tape on the rim of the basket. Be sure that any ribbons on the hood are woven securely, not loose, and the ends are tied in a bow out of Baby's reach. Hood can be removed and reattached as needed.

CARE INSTRUCTIONS: Bedding set fabric is poly/cotton. Machine wash cold, gentle cycle, with like colors. Tumble dry low heat or air dry. Warm iron as needed. Mattress pad can be wiped clean with a damp cloth and mild detergent as needed.
