

WARRANTY

Califone warrants this product to be free from defective material and workmanship for one year from the purchase date. Our "Project Intercept" Customer Satisfaction program will replace defective parts and repair malfunctioning equipment under this warranty when the defect occurs under normal use.

All Damage Claims Must Be Made With the Freight Carrier

Notify the freight carrier immediately if you observe any damage to the shipping carton or product. Repack the unit in the carton and await inspection by the carrier's claim agent. Notify your dealer of the pending freight claim.

Returning Your Unit for Service or Repairs

Should your unit require service, contact our Customer Service Department online at califone.com/techsupport or via email warranty@califone.com or by phone at 800-722-0500 / 818-407-2400 to first obtain an RA (Return Authorization) number before returning it to Califone. The unit must be returned to our factory via prepaid transportation only after the factory issues an RA number, which must be clearly written on the outside of the box.

Model LP2 Laser Presenter

User Manual

Model LP2 Laser Presenter

Thank you for purchasing the Califone® Model LP2 Laser Presenter.

We encourage you to visit our websites, www.califone.com to register your product for its warranty coverage, to sign up to receive our newsletter, download our catalog, and learn more about the complete line of Califone audio visual products, including portable and installed wireless PA systems, multimedia players and recorders, headphones and headsets, computer peripheral equipment, visual presentation products and language learning materials.

IMPORTANT SAFETY INSTRUCTIONS

- This laser device can be harmful if used improperly. Avoid direct body exposure since the laser beam can be harmful to the eyes and skin. DO NOT look directly into the laser beam.
- This product is not a toy. Keep out of reach of children. Due to small parts, this product is not suitable for children under 3 years old.
- The laser pointer should be handled with care, kept away from water, dust, heat and sunlight.
- This laser pointer carries a limited warranty if failure occurs. Please do not try to open this device, or else the warranty will be void.

UNPACKING THE UNIT

Inspect the unit once the packaging has been opened for any damage that may have occurred during shipping & contact us immediately. Please keep the packing material for further use.

SETUP & OPERATION

1. Remove the USB receiver and plug it into your USB port.
 2. The signal light of the USB receiver will flash when it gets the signal from the emitter. It is now ready to use! Software installation is not required.
- Use the page up and page down functions for presentations such as PowerPoint.
 - For best results, avoid obstructions between the signal emitter and the receiver.
 - **Battery Replacement:** When the laser light becomes weak or the signal emitter cannot emit a signal, remove the middle case to replace the batteries, using three LR 44 1.5V batteries.
