Hand-Held Showerhead

with antimicrobial protection to fight
odor + stain causing bacteria, mold + mildew

Pollenex™
PLUS

Installs in 3 Easy Steps

Step 1: Remove the old showerhead by turning it counterclockwise. Wipe off any debris from the threaded pipe. Wrap the supplied teflon tape clockwise around the threaded pipe.

Step 2: Install the swivel bracket by turning it clockwise, then tighten by hand. If additional tightening is required, place protective cloth on the swivel nut and tighten with a wrench.

Step 3: Attach the hose to the bracket, and then to the handle. Now you are ready to enjoy your Pollenex™ Hand-Held Showerhead.
